## INTRODUCTION

1.1 Vision

1.2 Mission

1.3 Road Map

## INTRODUCTION

### 1.1 VISION

- To attain a distinct identity for the Institute through technology innovation, knowledge creation and dissemination for the benefit of the society.

### 1.2 MISSION

- To nurture an ecosystem for continuous enhancement of value based teaching and learning process in the emerging areas of technology.
- To train quality human and knowledge resources in the service of society.
- To develop sustainable products and technologies.

### 1.3 Road Map

#### a. Academic Growth

- Continuous revision of the curriculum, based on feedback from the students and input from industry, alumni and other stakeholders.
- Compulsory course on Ethics and Value based Governance for each programme.
- Reorient Teaching Learning Process for developing Entrepreneurial Skills among the students.
- Review & update all M.Tech Programmes with focus on employability, relevance and research needs.
- To recruit qualified technical staff for laboratories.
- To conduct regular training programme for faculty, supporting & technical staff.
- To conduct Academic Audit of each department on annual basis.
- To implement Curriculam designed as per NEP 2020 and to ensure its effective delivery.

#### b. Developing Centres of Excellence in Identified Thrust Areas

The Senate has approved in principle the establishment of Centres of Excellence in various themes of NEP 2020. They include:

- Indian Knowledge System
- Indian Language Promotion
- Machine Learning and Robotics

- Skill Development and Start up Promotion
- Environment, Climate Change and Sustainability Studies
- Disaster Management
- Technology Applications in Rural Society
- Sustainable Energy

#### c. Resource Generation

- To prepare the detailed framework for the process of fund contribution, details of utilization and benefits to the donor.
- Areas of donation may include: laboratory equipments, Infrastructure, Scholarships, Area Chair Professor, Centre of Excellence among other options.
- To conduct Management Development Programme (MDP)/Executive Development Programme (EDP) of short duration through departments and/or SNFCE.
- To establish testing & consultancy facilities in collaboration and partnership with Industry and alumni.

#### d. Infrastructure

- To prepare Master Plan for Institute Infrastructure Development and learning resources with a vision for 30-50 years period.
- To organize the Master Plan into phases by prioritizing its components which may include a) Class Rooms b) Workshop c) Laboratories d) Hostels e) Faculty Accommodation f) Community Centre g) Water & Electricity Supply h) Internet Connectivity i) Parking etc.
- To make all the buildings accessible for the differently abled persons as per norms.
- To develop modern class rooms, laboratories, faculty rooms, hostels, hygienic environment & other infrastructure projects.
- To implement MIS for all institutional activities.
- To develop an integrated campus with connectivity between academic campus, hostels and residential area.
- To promote Department/ Cell/ Centre to interact with Alumni for active participation in Institute Development.
- To facilitate industry collaboration with focus on resource generation.

**e. Social Outreach**

- To ensure regular activities for upliftment of neighborhood and socially marginalized groups, by encouraging formal and informal student groups.
- To train nearby communities in technical skills under 'Skill India Programme' and enable economic empowerment of people
- Mandatory Community Service by all the faculty, staff and students for one week per academic year.
- To adopt an underdeveloped village for its overall development, under 'Unnat Bharat Abhiyan'.
- To provide logistic support to Anokhi Pahal which is an initiative by a group of students in MNNIT Allahabad for conducting free coaching classes to underprivileged students of grade upto class 12 of surrounding slum areas since 2017. It consists of a team of almost 100 members who put all their efforts into educating these children. Almost 300 students are regularly benefitted from this initiative and more than 1000 have already benefited from it.

## 2.1 HISTORICAL BACKGROUND

Motilal Nehru National Institute of Technology (erstwhile Motilal Nehru Regional Engineering College) Allahabad came into existence in 1960 along with seventeen other Regional Engineering Colleges. The Regional Engineering Colleges had twin objectives: to create and nurture engineers; and to integrate the nation by mandatorily inducting students from all over the country. The governance was shared by the respective State and the Centre. The Institute was affiliated to the University of Allahabad as its Faculty of Engineering, until year 2000. For a short period of June 2000 to June 2002, the college was affiliated to UP Technical University, Lucknow. In 2002, the College was renamed as Motilal Nehru National Institute of Technology and the governance was taken over fully by the Government of India. In 2007 the Institute was declared as Institute of National Importance by an Act of Parliament. MNNIT celebrated the completion of 60 glorious years of its existence in the Year 2020-21.

The foundation stone of the college building was laid by the architect of modern India, Pandit Jawahar Lal Nehru in 1961 and the building was inaugurated by Shri Lal Bahadur Shastri in 1965, another illustrious son of the soil.

In 1961 the first batch of 100 students was admitted to three Bachelor of Engineering (B.E.) programmes, viz., Civil, Mechanical and Electrical Engineering. The Master of Engineering programme (M.E.) began in 1967 with two programmes in Mechanical Engineering, followed by three programmes in Civil Engineering in 1971. In 1973 the Institute was identified as Quality Improvement Programme Centre for M.E. and in 1975 for Ph.D., in Mechanical Engineering. The first Ph.D. was awarded in 1975 in Mechanical Engineering. Subsequently moving on the growth path three BE programmes were added, viz, Computer Science and Engineering in 1976-77, Electronics & Communication Engineering, and Production and Industrial Engineering in 1982-83. The Master of Computer Application was started in 1986. To add a new dimension to itself, the Institute established School of Management Studies in 1996, which offers a

two year (four semester) Master of Business Administration (MBA) programme.

At present MNNIT is proud to offer 10 B.Tech., 25 M.Tech. as well as MCA, MBA and MSc programmes and doctoral programmes in all disciplines of engineering, applied sciences, social sciences and management, to around 4300 undergraduate, 1600 post graduate and 600 doctoral students, through fourteen academic departments/ schools/ cells. The students take admission, in this Institute not only from different states in India, but also from many foreign countries including SAARC countries, Middle East, Asia, Europe, USA and New Zealand.

The infrastructure of the Institute is at par with the best Institutions in the country. The Computer Centre has state-of-the-art computing facilities, departments have modern laboratories and the library houses print as well digital learning resources. Most of the class rooms are air conditioned and equipped with multimedia pedagogical tools. The entire campus, including hostels, executive development centre and residential area is connected with 1.25 Gbps internet connectivity.

## 2.2 LOCATION

The city of Prayagraj is situated at the confluence (Sangam) of three rivers Ganga, Yamuna and Saraswati. The earlier settlements of Aryans were established in this city, then known as Prayag, Later, it became the capital of the glorious Guptas in 1583. Emperor Akbar built the fort at Sangam, where lies the Ashoka pillar, 11m high dating back to 232 B.C., having inscriptions of Samudra Gupta and Jehangir. The city was later ruled by the Marathas. It was finally ceded to the British by the Nawab of Awadh in 1801. In the 20<sup>th</sup> century, the city became the nerve centre of India's freedom movement. Allahabad is known for its academic ambience and presently houses six national level Institutes /Universities.

The Institute is about 9 km from Prayagraj Junction Railway Station, about 4 km from the Prayag Railway Station, and 16KM from Prayagraj Airport.

## 2.3 CAMPUS

The Institute is spread over in an area of 222 acres on Lucknow- Prayagraj highway near the banks of the river Ganga in Teliarganj locality. The campus is divided into three parts:

- (i) Academic Campus houses Academic and Administrative Building, Bank, Sports field, Tennis Court and Gymnasium, Hostels for U.G. first year students, P.G. Students, and Multipurpose Hall.
- (ii) Hostel area houses, hostels for male students, Students' Activity Centre.
- (iii) Residential area houses, faculty and staff quarters, Executive Development Centre, Girls' hostel, International hostel and Health Centre.
- (iv) The Institute has an Industrial Estate.

A quiet and congenial atmosphere for studies and research at the highest level prevails in the campus.

## 2.4 ADMINISTRATION

Board of Governors is the apex administrative body of the Institute. The Institute is governed by statutory bodies namely, Board of Governors (BoG), Finance Committee (FC), Building and Works Committee (BWC) and Senate.

The Director is the Principal Academic and Executive Officer of the Institute and is responsible for proper administration of the Institute and for imparting instructions, maintenance of discipline therein. Director is assisted in his day to day work by Deans, Heads of the departments, Faculty In-charges for various functions, Registrar, other officers and various Committees.

## 2.5 ACADEMIC PROGRAMMES

The Institute offers ten B.Tech, twenty five M. Tech, MCA, MBA and M.Sc. programmes. It also offers doctoral programmes in all the disciplines of Engineering, Sciences, Management, Humanities and Social Sciences.

## 2.6 ADMISSION PROCEDURE

### B. Tech.

Admissions are made on the basis of JEE (Mains) and counseling is conducted by JoSAA/

CSAB, on behalf of the Govt. of India, MoE.

### M. Tech.

Admissions to the regular M. Tech. Programmes are made only on the basis of the GATE score through Centralized Counseling for M.Tech. admission in NITs (CCMT) and M.Tech. (Sponsored) programmes are made on the basis of national- level test and interview conducted by the Institute. Further, admissions to M.Tech. programme are also offered under the QIP scheme of AICTE.

### MBA

Admissions to the MBA programme are made on the basis of the combined merit of CAT (conducted by IIMs) percentile MAT, GMAT, XAT, CMAT or ATMA Scores and the GD and PI conducted by the Institute. Admission to sponsored candidates are offered on the basis of eligibility criteria.

### MCA

Admission to M.C.A. programme is made through NITs MCA Common Entrance Test (NIMCET).

### M.Sc. (Mathematics and Scientific Computing)

Admissions to M.Sc. (Mathematics & Scientific Computing) programme are made on the basis of the rank of Joint Admission Test for M.Sc. (JAM) conducted by NITs, and counseling conducted by CCMN.

### Ph. D.

Admissions to Ph.D. (Regular/ Part-time/ Sponsored) programmes are conducted on the basis of the rank in national-level test conducted by the Institute, followed by a personal interview.

## 2.7 STUDENTS

The Institute has sanctioned seats of 1134 students through JEE (Mains) and 170 through DASA programme to 10 undergraduate programmes; 595 students to various M.Tech. programmes; 116 to MCA; 77 to MBA; 29 in M.Sc. In addition, 85 students are admitted to doctoral programmes in different research discipline. Students from countries such as Sri Lanka, Nepal, Bangladesh, Mauritius, Malaysia, Iran, Yemen, Iraq, Palestine, Syria, Saudi

Arabia, Afganistan and Thailand also join MNNIT for various academic programmes. Teachers from other Institutions come here to pursue M.Tech. and Ph.D. under QIP scheme as well as under self sponsored scheme. Large number of industry executives also join for Ph.D. programmes.

## 2.8 EXAMINATION AND EVALUATION

The examination process is continuous, learning- oriented and transparent. Students' performance is evaluated on the basis of one midterm and one end term examination for each course, along with teacher's assessment, which is based on regularity of attendance, submission of assignments and class participation. The Institute is following grading system with letter grades to denote various levels of performance.

The academic administration of students in all programmes is governed by the provisions of ordinances respective programmes.

The academic administration of students is done by SUGC/SMPC/SDPC and the office of the Dean (Academic). The academic performance is evaluated on the basis of grades, SPI and CPI, obtained in courses registered.

## 2.9 HOSTELS

The Institute is fully residential. At present there are eight boys' hostels, viz, Swami Vivekananda hostel, Purushottam Das Tandon hostel, Pt. Madan Mohan Malviya hostel, Bal Gangadhar Tilak hostel, Sardar Vallabh Bhai Patel hostel, Ravindra Nath Tagore hostel, Sir C.V. Raman hostel and P. G. Hostel.

Presently, the Institute has three girls' hostels located inside the residential campus for accommodating girl students, viz Sarojni Naidu girls' hostel, Kamala Nehru girls' hostel and Daimond Jublee girls' hostel. An International House and P. G. Girls Hostel for Ph.D. & P. G. students is also located inside the residential campus. Hostel Messes are managed by the nominated student representatives under the overall supervision of Chief Warden, Warden In-charge (Boys/Girls) and a team of Warden(s) for different Hostels.

## 2.10 STUDENTS' ACTIVITY CENTRE (SAC)

Motilal Nehru National Institute of Technology Allahabad has been known for its academic excellence. The students of this institute keep raising the bar for themselves by proving to be a step ahead of the crowd, time and again in all activities. The institute has records of achievements in curricular as well as in extra-curricular activities. An extremely crucial role is played by the Student Activity Centre (SAC) of the institute in facilitating the activities and reaching out to the students under the supervision of the President SAC. The prime locations of the SAC are Students' Clubs, Boys' SAC and Girls' SAC, Multipurpose Hall, Athletics Ground, Gymkhana and other locations. The student activity center hires pool of part-time coaches/Trainers for various events on yearly basis to groom the talents of the students.

### Curricular Activities

The Institute provides ample avenues for the development and nurturing of creative and other talents in the students through the Student Activity Centre (SAC). All the activities are managed by students under the guidance of President, SAC and a team of Faculty In-Charges, Faculty Coordinators and Committees for various events. The SAC provides platform to arrange Cultural, Technical and Managerial events, Personality development, Athletics, Indoor and Outdoor games, Yoga and other activities. The SAC also facilitate and encourage the students to take part in similar events in other institutions.

### Gymkhana

Gymkhana is a student governed organization that cultivates leadership, encourages students to participate in outdoor activities, and provide facilities for games and sports. The members of the faculty and staff monitor activities of Gymkhana and help students in organizing and managing their sports events. Gymkhana provides facilities for out-door games like Athletics, Cricket, Football, Volleyball, Hockey, Basketball, Martial Arts, Lawn Tennis, Kabaddi, Khokho, Yoga, Skating, Karate, etc. and indoor games like Badminton, Table Tennis, Carrom, Chess, Gym. etc.

Each game and activity is looked after by the Student representatives and a Faculty coordinator. All the Games, Athletics and Yoga events are organized with the assistance of SAS officer under the Gymkhana. All other activities such as Cultural/Technical/Literary/Spic-Macay events are managed by the SAC. There is a Faculty In charge for all the above activities.

### Students' Activity Center & Clubs

Student's Clubs are divided into ten main sections. (a) Literary events and media (b) Community Development (c) Personality Development (d) Quiz Club (e) Photography Club (f) Robotics Club (g) Aeromodelling Club (h) Computer Coding Club (i) Technical Club, (j) Energy Club, (k) Music Club, (l) Dance Club, (m) Dramatics Club, (n) Arts & Painting Club, (o) SPIC MACAY Club, and (p) Yoga Center (q) Geeta Club. Each activity/club is looked after by a Faculty Coordinator. The committees of students are elected under the supervision of Faculty Incharge and President SAC.

### Activities Organized by SAC

Various SAC activities in the institute is divided into following eight major heads.

1. Literary & Personality Development Activities.

2. Technological Activities.
3. Cultural Activities.
4. Indian Classical Activities.
5. Sports (Indoor & Outdoor) Activities.
6. Athletic & Gym Activities.
7. Yoga Activities.
8. MHRD Activities.

Each activity is looked after by a faculty-incharge and few faculty coordinators. Further students committee is formed to run the activities of the concerned club.

There are following four annual events in the Institute:

1. Annual Technical & Cultural Festival Culrav & Avishkar).
2. Annual Sports (Josh, J. Lal Memorial).
3. Annual Athletic Meet.
4. Annual Literary Festival (Eloquence).

Each annual event is organized by a committee of faculty members. A student committee is also formed for successful organization of the event.

### Activities Organized under SAC during 2024-25

Following events have been organized by the SAC, MNNITAllahabad.

| Sl. No. | Name of the Festivals/Events                                 | Events Date                   |
|---------|--------------------------------------------------------------|-------------------------------|
| 1.      | Spic Macay                                                   | May 03, 2024                  |
| 2.      | Inter National Yoga Day, 2024                                | June 21, 2024                 |
| 3.      | National Sports Day                                          | August 27-31, 2024            |
| 4.      | Nasha Mukta Abhiyaan                                         | September 06-09, 2024         |
| 5.      | Hindi Pakhwada                                               | September 17 to Oct. 03, 2024 |
| 6.      | Personality Development workshop                             | October 16-21, 2024           |
| 7.      | Vigilance Awareness Week                                     | November 04, 2024             |
| 8.      | Jan Jatiya Gaurav Diwas                                      | November 04, 2024             |
| 9.      | Run of Unity (Exhibition, Pledge, Elocution Competition)     | November 05, 2024             |
| 10.     | Annual Cultural & Technical Festival Culrav & Avishkar, 2025 | November 11-17, 2024          |
| 11.     | Constitution Day                                             | November 26, 2024             |

### Personality Development workshop (October 16-21, 2024)

A Six-day personality development workshop was organized at Motilal Nehru National Institute of Technology. In which various types of literary programs and competitions were organized, in which students participated enthusiastically.

The Annual Cultural and Technical Festival

(Culrav & Avishkar)-2024 was organized during November 11-17, 2024.

As per the academic calendar of the institute, Culrav & Avishkar event was celebrated for the second time from November 11-17, 2024 together. The event was inaugurated on November 11, 2024.

Along with the students, these artists also

showcased their art in this event. Mayank Singh (Standup Comedian), Kavyasandhya, Rakesh Adalkha (Standup Comedian), Kavyasandhya, Pronite Day-1 (DJ EDM Night) Pronite Day- 2 Mahi (Son of Singer Shaan) and Pragati Pronite Day- 3 Monali Thakur (Indian Playback Singer and Film Actress) Overall, Culrav & Avishkar 24 was a grand success, with students showcasing their talent and enthusiasm in various events. The festival was a testimony to the hard work and dedication of the organizers and participants, which made it a great success. The energy and enthusiasm of the students was contagious, making everyone look forward to next year's festival. The festival was a great way to promote culture and technical creativity among students and was undoubtedly one of the highlights of this year at MNNIT Allahabad.

The institute has always provided students the right platform to showcase their talents and bring achievement to the institute by participating in various inter institute events. The students participated in the following events:

1. Institute sports contingent participated in All India Games & Sports Festival Spardha organized by IIT BHU (October 18-20, 2024)

Total Boys Points = 39  
Overall Points = 72  
Gold = 9, Silver = 14, Bronze = 4  
Boys Runner-up with 39 points  
Girls Runner-up with 33 points

#### **Runner up in both Boys & Girls in Spardha Athletics, 2024**

2. Chess Team of MNNIT Allahabad secured Bronze medal in All India Inter NIT chess tournament, Silchar, Assam held on 21<sup>st</sup>-23<sup>rd</sup> December, 2024.

Team Members includes: Saurabh Kumar (20220061), Shabd Pratap (20220046), Pradeep Kumar Gond (20226100), Anurag Mishra (20234188), Anirudh Kanwar, Saurabh Kumar also secured individual Gold medal on Board 2.

3. Achievements in "All India Inter NIT Athletics, Swimming & Powersports Tournament 2024-25 Between January 10-12, 2025 at NITK Surathkal"

Total Boys Points = 57  
Overall Points = 124  
Gold = 7, Silver = 6, Bronze = 4  
Boys Runner-up (2<sup>nd</sup>) with 57 points  
Girls Championship (1<sup>st</sup>) with 67 points

Overall Championship in Athletics with 124 points in both Boys & Girls at AIINIT Athletics 2024-25 among 25 participated NITs held at NITK Surathkal.

Power lifting Team of MNNIT Allahabad secured 1 Silver Medal & 2 Bronze medal in All India Inter NIT Athletics, Swimming & Powersports Tournament, NITK Surathkal held between January 10-12, 2025.

Aditya Sah secured Bronze Medal in Weightlifting, while Bhavesh from MBA secured Silver medal in Bodybuilding & Shubajit secured Bronze Medal in Bodybuilding.

#### **4. Western Dance Club of NIT Allahabad**

Victory at Nrityanjali-Riwayat, Dr. Ram Manohar Lohiya National Law University (RMLNLU)

Our college secured 1st Prize in the group dance competition "Nrityanjali" , held on 15th February 2025 at RMLNLU, Lucknow, as part of their cultural fest Riwayat. Competing against 14 teams, our performance was applauded for its energy, synchronization, and creativity. Additionally, our duet team received a Special Mention, showcasing the depth of talent within our dance crew. We would like to congratulate all the performers and coordinators for this proud achievement!

5. Report on Cultural Fest Visit: Kashiyyatra March 07-09, 2025, IIT BHU.

Kashiyyatra is the annual cultural festival of IIT BHU, one of the most prestigious institutes in India. It serves as a grand platform where students from various colleges across the country come together to showcase their artistic and cultural talents. The fest features an exciting lineup of competitions, performances, and workshops across diverse domains such as music, dance, literature, drama, and fine arts. With participation from premier institutions including IITs, NITs, and other renowned private colleges, Kashiyyatra stands as one of the most awaited cultural fests in India, celebrating

creativity, passion, and artistic expression.

#### Day 1: 7 March 2025

The much-anticipated cultural fest of IIT BHU, Kashiyaatra 2025, kicked off with great enthusiasm on the 7<sup>th</sup> of March. Our college was privileged to be a part of this vibrant event, which hosted participants from premier institutions such as IITs, NITs, and renowned private colleges. The atmosphere was electric, with artists, performers, and audiences eager to witness some of the finest cultural showcases.

The highlight of the day for our college was the Battle of Bands competition, where our college band ZIKR delivered an electrifying performance. Competing against 14 bands from across the country, ZIKR mesmerized the audience and the judges with their energy, coordination, and musical prowess. Their performance earned them the 2nd position, a testament to their hard work and talent. The event saw an overwhelming response, with music enthusiasts cheering for every band that took the stage, making it an unforgettable experience for both participants and spectators.

#### Day 2: 8<sup>th</sup> March 2025

The second day of Kashiyaatra 2025 witnessed an array of thrilling competitions across various cultural domains. Our college continued to showcase its talent in the much-awaited Beatboxing event. Our participant, through his impeccable rhythm, vocal creativity, and stage presence, captivated the judges and the audience alike. His outstanding performance secured the 1st position, marking a proud achievement for our institution. The day also included multiple events such as street plays, photography exhibitions, & literary discussions, providing an enriching cultural experience for

everyone present. The energy and passion displayed by participants from different colleges made the competition intense and exhilarating.

#### Day 3: 9<sup>th</sup> March 2025

The final day of Kashiyaatra 2025 was filled with excitement and anticipation as it hosted the grand finale of several events. Our college participated in the Rap Battle event, where our representative delivered an energetic and impactful performance, engaging the audience with his lyrical creativity and flow. Amidst tough competition from various talented rappers, our participant secured the 3<sup>rd</sup> position, adding yet another feather to our college's cap.

As the event drew to a close, the winners were felicitated, and the vibrant cultural fest left a lasting impression on all attendees. The three-day journey at IIT BHU was not just about competing but also about learning, networking, and immersing in the cultural vibrance that Kashiyaatra offered.

#### Conclusion

Our participation in Kashiyaatra 2025 was a resounding success, with our college securing three prestigious positions across various events. The dedication and passion of our students shone through, proving their mettle on a national platform. The event provided an invaluable opportunity to interact with like-minded artists, learn from diverse performances, and gain immense exposure.

This experience will serve as a motivation for future cultural endeavors, encouraging more students to participate and represent our college in upcoming prestigious competitions. Kashiyaatra 2025 will undoubtedly remain a cherished memory, inspiring many more victories in the future!

## 2.11 TRAINING AND PLACEMENT

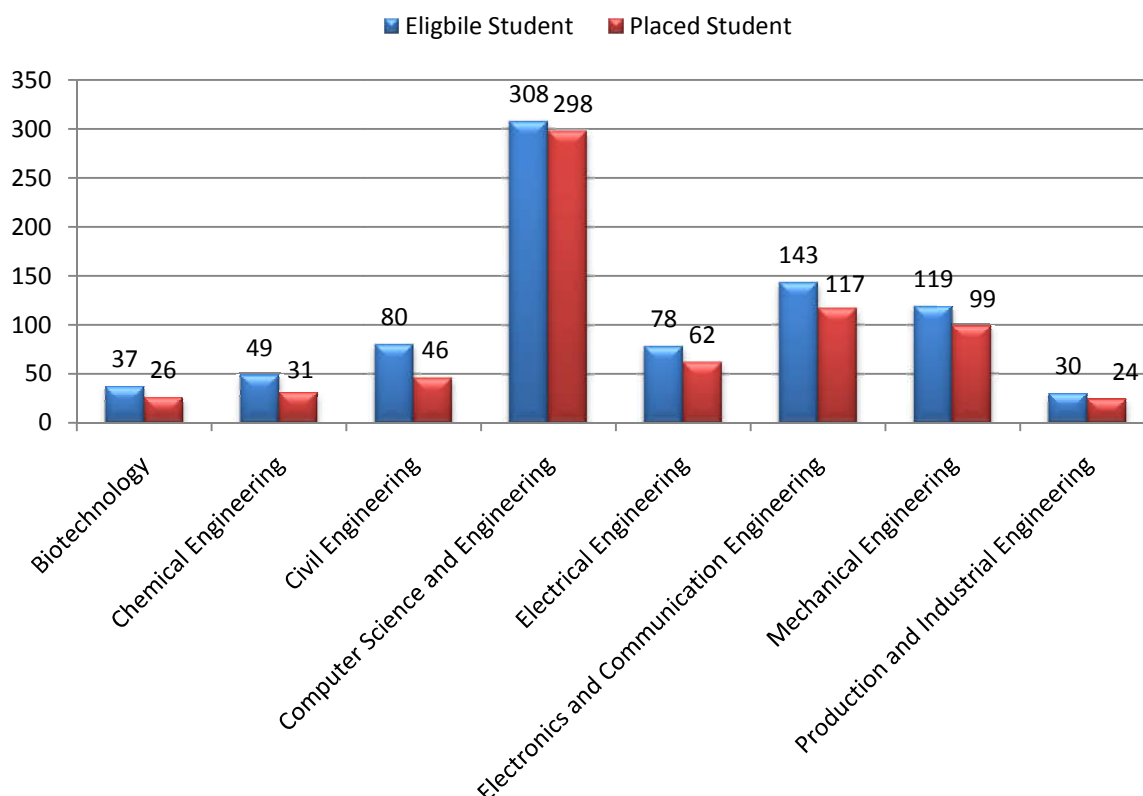

### B.Tech. Courses

| Course  | Branch                           | Eligible Students | Total Placed | Percentage placed |

## 2.13 Implementation of SAMARTH e-Governance ERP System

In order to enhance and streamline the academic, financial and administrative processes of the Institute by leveraging the technology for planning, management, delivery, and monitoring of services for the students, staff, and other stakeholders, the MNNIT Allahabad, Prayagraj have adopted the SAMARTH e-Governance ERP System. The SAMARTH has been implemented in the Institute as per the guidelines received from MoE vide OM No.8-4/2018-TEL dated 25<sup>th</sup> September, 2023.

SAMARTH e-Governance is one of the flagship programmes of the Ministry of Education under the National Mission on Education through Information and Communication Technology [NMEICT-III]. It is cloud based comprehensive ERP System specially built for the HEIs of the country.

Samarth blends technology with policies and standards of governance in higher education and makes it available to the institution and its stakeholders through anytime-anywhere digital interfaces. Samarth e-Gov is broadly divided in five segments: Base Modules, Academic Modules, Human Resource Modules, Finance Modules and other Governance Modules.

After the approval of the Competent Authority, formalities for on-boarding to Samarth e-Governance were started in the month of December-2024 and in the month of January-2025 a dedicated portal for the MNNIT Allahabad was deployed by March-2025, the Base Modules were successfully completed creating the strong foundation for implementation of the modules of remaining four segments at MNNIT Allahabad.

Samarth Portal Link : <https://mnnit.samarth.ac.in/index.php/site/login>

## GENERAL FACILITIES AND SERVICES

---

- 3.1 Computer Centre
- 3.2 Mechanical Workshop
- 3.3 Laboratories
- 3.4 Centre for Interdisciplinary Research [CIR]
- 3.5 Central Library
- 3.6 School for Non-Formal and Continuing Education [SNFCE]
- 3.7 Intellectual Property Right Cell [IPR Cell]
- 3.8 SC/ST Cell
- 3.9 Reservation Cell
- 3.10 Women Grievance Cell and ICC
- 3.11 NCC and NSS
- 3.12 Institute Health Centre
- 3.13 Executive Development Centre [EDC]
- 3.14 Vehicle Section
- 3.15 Canteen
- 3.16 Alumni Association

### 3.1 COMPUTER CENTRE

The Computer Centre is equipped with 300 state of the art Core-iX series (mostly i7) machines with LINUX as the base operating system. The Computer Centre provides computing facilities to all the faculty members and students of MNNIT Allahabad. Computer Centre provides Email, Web, DNS, FTP and Internet access, 24 hours and 365 days, using 10Gbps and 2 Gbps leased lines from NKN (Railtel) and BSNL respectively. MNNIT has Campus Wide wired network where every room is having connectivity both in academic and residential campuses. Campus wide connectivity is provided via 10 Gbps optical fiber backbone with Cisco 6509 as Core Switch, along with 2 Distribution switches (Cisco 4503 in Student Activity Centre and Cisco 4506 in Executive development centre). Recently, a centrally controlled Campus wide WiFi network with 250 Access Point & Cisco Wireless LAN controller for all hostels, Administrative building, Seminar hall and M.P hall was also installed. Both wired and wireless internet connectivity are available in the campus. Computer Centre has 3 Authoritative DNS (Domain Name Servers) and 8 proxy servers configured on virtual machines on Linux Servers. Further, 3 web servers are maintained running on native machines which are used to host our Institute website. They are running on NKN, BSNL and Local link (for backup purpose) providing 24x7 uptime. The regular update, enhancement and maintenance of our Institute website are also a major responsibility of the Computer Centre. Additionally, Computer Centre has an IBM blade-centre cluster where a small-scale private cloud is hosted to provide services to end users. MNNIT Mail server is hosted at Google cloud and its administration is done by Computer Centre.

Computer Center is also equipped with a HPC (High Performance Cluster) which is a parallel computing Cluster system with 16 Compute Nodes, 2 GPU Nodes, 1 Master Node having 160 TB of parallel file system storage.

### 3.2 MECHANICAL WORKSHOP

Mechanical Workshop is one of the Central facilities of Motilal Nehru National Institute of Technology Allahabad. Mechanical Workshop

has seven different shops such as; Machine Shop, Welding Shop, Carpentry Shop, Sheet Metal Shop, Fitting Shop, Foundry Shop and Smithy Shop.

B.Tech. first year students (Civil Engineering & Mechanical Engineering Branches), B.Tech 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> Semester of Mechanical and Production Engineering perform their practicals. As per new curriculum, the M. Tech. CAD/CAM, Mechanical and Production Engineering (regular & part time) students also have to perform the practical in different shops of Mechanical Workshop. In Mechanical Workshop, the project of Ph.D. Research Scholars are also fabricated and manufactured.

#### Facilities:

All the above shops in Mechanical Workshop are well equipped for training purposes as per new modern technology. The important machines and equipment are Capstan Lathe Machine, Centre Lathe Machine, Bench Lathe Machine, Horizontal Milling Machine, Vertical Milling Machine, Shaper Machine, Hydraulic Power Hacksaw, Laser Engraving Machine, Radial Drilling Machine, Planer Machine, Grinding Machine, Wood Lathe Machine, Band Saw Machine, Circular Saw Machine, Table Saw Machine, Power Press Machine, TIG/ MIG Welding Machine, Spot Welding Machine, Seam Welding Machine, Oxy-Acetylene Gas welding equipment set up, Power Hammer etc. Each shop is equipped with modern and sophisticated measuring instruments which mainly consist of combination sets, dial indicators, Vernier gauges, micrometers etc.

### 3.3 LABORATORIES

#### Applied Mechanics

1. Advance Solid Mechanics Research Laboratory
2. Fluids Research Laboratory
3. Fluids Engineering Laboratory
4. Materials Research Laboratory
5. Biomedical Engineering Laboratory
6. Materials Development Laboratory
7. Computational Laboratory
8. Structural Analysis Laboratory
9. Strength of Materials Laboratory

10. Materials Science and Engineering Laboratory
11. Compressible Flow Laboratory
12. Fluid Mechanics and Hydraulics Laboratory
13. Vibration Laboratory
14. Dynamics of Machines Laboratory
15. AMD Workshop
16. Engineering Mechanics Laboratory
17. Robotics Laboratory
18. DST-FIST Computational Laboratory
19. Non-Destructive Testing Laboratory
20. Experimental Solid Mechanics Laboratory
21. Experimental Stress Analysis Laboratory

#### **Biotechnology**

1. Laboratory-I
2. Laboratory-II
3. Laboratory-III
4. Bioinformatics Laboratory
5. Green house Laboratory
6. Experimental field Laboratory
7. Autoclaving and sterilization Laborator

#### **Civil Engineering**

1. Structural Engineering Laboratory
2. Geotechnical Engineering Laboratory
3. Environmental Engineering Laboratory
4. Transportation Engineering Laboratory
5. Survey Laboratory
6. CAD Laboratory
7. Geology Laboratory
8. Water Resources and Engineering Laboratory

#### **Chemical Engineering**

1. Mass Transfer Laboratory
2. Chemical Technology Laboratory
3. Environmental Laboratory
4. Process Dynamics & Control Laboratory
5. FPM & MO Laboratory
6. Chemical Reaction Engineering Laboratory
7. PG Analytical Laboratory
8. CAD Laboratory

#### **Chemistry**

1. Undergraduate Laboratory
2. Research Laboratory

#### **Computer Science and Engineering**

1. Computing Laboratory
2. Database/Data Mining Laboratory

3. SOA/Distributed Computing Laboratory /Cisco.
4. Embedded System/Real Time System Laboratory
5. Computer Architecture/Microprocessor Laboratory
6. Computer Network/Wireless Network Laboratory
7. Image Processing/Computer Vision Laboratory
8. Software Testing Laboratory
9. Verification & Validation Laboratory
10. Artificial Intelligence/Machine Learning Laboratory

#### **Electrical Engineering**

1. Power System &High Voltage Laboratory
2. Simulation Laboratory
3. Measurement and Instrumentation Laboratory
4. Virtual Instrumentation Laboratory
5. Control Laboratory.
6. Electrical Machines Laboratory
7. Power Systems Laboratory

#### **Electronics & Communication Engineering**

1. Advanced Electronics Laboratory
2. VLSI Laboratory
3. Communication Laboratory
4. DCN Laboratory
5. Microwave and Project Laboratory
6. Param Laboratory
7. Signal Processing Laboratory
8. Basic Electronics Laboratory

#### **Mechanical Engineering**

1. Instrumentation and Process Control Laboratory
2. Metrology and Quality Control Laboratory
3. Machine Tool & Advanced Machining Laboratory
4. Advanced Manufacturing Laboratory
5. I.C. Engine and Alternative Fuel Laboratory
6. Steam Power Engineering Laboratory
7. Refrigeration & Air Conditioning Laboratory
8. Automobile Engineering Laboratory
9. Tribology Laboratory
10. Heat and Mass Transfer Laboratory
11. Renewable Energy Laboratory
12. Computational Research Laboratory
13. Composite Manufacturing Laboratory

14. Industrial Engineering Laboratory
15. Engineering Graphics and Design Laboratory
16. Additive Manufacturing Laboratory
17. Rotordynamics and Diagnostics Laboratory
18. Foundry, Forming and Plastics Laboratory
19. Computer Aided Design Laboratory
20. Computer Aided Manufacturing and Robotics Laboratory
21. Mechatronics and Control Laboratory
22. Material Testing Laboratory

#### **Physics**

1. Undergraduate Laboratory
2. Research Laboratory

#### **School of Management Studies**

1. Digital Management Laboratory
2. Behavioral Dynamics Laboratory
3. Management Research Laboratory
4. Simulation Laboratory
5. Virtual Trading Laboratory

#### **Humanities & Social Sciences**

1. Language Laboratory

#### **Geographic Information System Cell**

1. Geo Informatics Laboratory
2. Geodesy Laboratory

### **3.4 CENTRE FOR INTERDISCIPLINARY RESEARCH (CIR)**

The Centre for Interdisciplinary Research (CIR) was established in 2012 in order to promote cross-interdisciplinary research. In view of the dramatic developments in the field of Science and Technology research, CIR was established in the Institute to keep pace with current cutting edge research.

One of the primary objectives of Institute is to provide the best research and analytical facilities for its undergraduate & postgraduate students, research scholars and faculty. With this vision, the CIR was established in the Institute. In addition to serving the Institute, the Centre also welcomes researchers from all over the country to use the facility at nominal cost. The Centre also looks forward for collaborative research programmes with other leading Technical Institutions/Universities & Research laboratories. The functioning of CIR is being coordinated by a

core committee constituted by the Director. The members of the core committee are as follows:

- |                             |                   |
|-----------------------------|-------------------|
| 1. Prof. Naresh Kumar       | Chairman          |
| (Professor, Physics)        |                   |
| 2. Dean[R&C]                | Member            |
| 3. Dean [RG&IA]             | Member            |
| 4. Prof.M. Siraj Alam       | Faculty In-Charge |
| (Prof., Deptt. of Chemical) |                   |

#### **The objectives of the centre are:**

1. To house all high-end sophisticated research equipments at a central place to avoid duplication in individual departments.
2. To promote cross-disciplinary research.

### **3.5 CENTRAL LIBRARY**

Central Library is situated in the center of Institute and the present Library building occupies an area of about 2455 sqm. It contains five reading halls (with 388 sqm) in which approx. 250 readers can be accommodated at a time. Library has a Stack-room of 470 sqm having a collection of about 1,06,396 books and the Bound Periodical section having a collection of 17,651 (approx.) volumes. The e-Shodh Sindhu Consortium and Institute subscribed thousands of e-Journals and 20363 e-Books which can be accessed 24×7. A dedicated facility in the form of e-Resources Access Room with 15 computer terminals is also available for accessing e-resources.

#### **Membership**

The membership of the Central Library is open to students, faculty members and the administrative, technical officers and staff of the Institute. Presently, Library has 6,670 (approx.) active members.

#### **Working Hours**

The working hours of the library are from 09:00 AM to 10:00 PM and the circulation section is open between 09:30 AM to 08:30 AM on weekdays. On Saturday/Sunday the working hours of the library are from 09:00 AM to 10:00 PM, the circulation section is open between 09:30 AM to 08:30 PM. During the examination period, the working hours of the library are from 09:00 AM to 12:00 midnight. A total of 11,571

books were transacted by the readers in the library during the year 2024-25.

**Collection as on 31.3.2025**

|                   |          |
|-------------------|----------|
| Bound periodicals | 17,651   |
| Books             | 1,06,396 |
| E Books           | 20,363   |

**E-RESOURCES (Subscribed by the Central Library) - Total Nos. of E-Resources: 8,512**

The following e-Resource are subscribed by the Central Library:

1. ASTM Standards and Digital Library
2. Begell House (Begell Digital Library)
3. BIS standards
4. Canadian Geotechnical Journal
5. EBSCO Business Source Ultimate
6. Economic & Political Weekly (5 user)
7. Grammarly for Education- Premium
8. Journal of Algebra and its Application
9. Journal of Indian Mathematical Society
10. Journal of Information and Knowledge
11. Journal of Political Economy
12. New Mathematics & Natural Computation
13. Optics Infobase (OSA)
14. Proceedings of the Royal Society A
15. Royal Society of Chemistry Gold EA 2025
16. Scopus

**E-Journals (Available through ONOS Scheme) – Total Nos. of E-Journals: 13,196**

The following e-Resource are available from ONOS Portal:

1. AAAS- Science
2. ACM Digital Library
3. American Chemical Society Journals
4. American Institute of Aeronautics and Astronautics (AIAA) Journals
5. American Institute of Physics Journals (AIP)
6. American Mathematical Society Journals (AMS)
7. American Physical Society (APS)
8. American Society for Microbiology Journals (ASM)
9. Annual Reviews Journals
10. ASCE Journals Online
11. ASME Journals Online
12. Bentham Science Journals

13. BMJ Journals
14. Cambridge University Press Journals
15. Cold Spring Harbor Laboratory Press Journals
16. Elsevier ScienceDirect Journals
17. Emerald Publishing Journals
18. ICE Publishing Journals
19. IEEE Journals
20. IndianJournals.com
21. Institute of Physics Journals (IOP)
22. Lippincott Williams & Wilkins (Wolters Kluwer)
23. Oxford University Press Journals
24. Project Muse
25. Sage Publishing Journals
26. SPIE Digital Library
27. Springer Nature Journals
28. Taylor and Francis Journals
29. Thieme Journals
30. Web of Science database
31. Wiley Journals
32. CSIR-NIScPR (Published by Govt. Funded Institution)

**News Paper and Magazine**

News paper corner is located on the first floor of the library. The library subscribes 15 news papers (09 Hindi+ 06 English) on different topics.

**Internet Access Facility**

The Central Library provides its users with a Wi-Fi internet connection facility throughout the library building, which most students use for their research activities, frequently for online journals, e-books, and other online study materials.

**Online Public Access Catalogue (OPAC)**

The library has a fully computerized catalogue search facility which is available to all users through the Internet, as well as this catalogue can be accessed through smartphone.

**Classification & Cataloguing**

All the library books are classified as per “Dewey Decimal Scheme of Classification” and catalogued as per “AACR-II rules”.

**RFID Enabled Management System for Books**

The Central Library has implemented the Radio Frequency Identification (RFID) system for the

management system for books. It is the best-automated library automation system used worldwide and is an effective way of managing collections of the library and providing enhanced services to the users. Library also provide automatic self-issuing and returning facility to all users.

#### **Email Alert Service**

On the issue of library books, an auto-generated book issue slip is made available to the registered email id of the readers immediately (through an email alert service).

#### **CCTV Coverage**

The Central Library is covered with CCTV cameras to monitor the student activities and their behavior in the library. The common mischievous activities in the libraries hiding the books, sitting in corners and gossiping can be reduced to a great extent.

#### **Reprographic Services**

Provides for the personal use of users the copies of information materials available in library on payment basis.

#### **Indian Access Management Federation (INFED) : Remote Access Service**

The Central Library provides off-campus access to subscribed e-resources and the resources provided by e-ShodhSindhu Consortium for higher education electronic resources through a single platform. For this purpose, the Central Library is using INDIAN Access Management Federation (INFED) platform. INFED has adopted Shibboleth, a standard-based open-source software, for authenticating authorized users and providing them seamless access to e-resources from anywhere, anytime, and tracking usage.

#### **Ph.D. Thesis Upload on E-Shodhganga Portal**

The central library has implemented the uploading of Ph.D. thesis on the Shodhganga portal since 2017 as per the guidelines of the Ministry of Education, which makes it accessible globally. The INFLIBNET Centre hosts and maintains a repository called Shodhganga, which has a reservoir of Theses & Dissertations.

#### **Shodh-Sangrah: An Institutional Repository (IR)**

The institutional repository (IR) collects the academic community's scholarly work. This is the process of gathering, organizing, storing / archiving, and making data available to all users. IR includes scientific publications such as theses and dissertations, project reports, research papers, etc., submitted/ published by faculty members, research researchers, staff, students, and others. MNNITA, Prayagraj developed an institutional repository (IR) named "Shodh Sangrah" to benefit its user community.

#### **Indian Research Information Network System (IRINS)**

IRINS is web-based Research Information Management (RIM) service developed by the Information and Library Network (INFLIBNET) Centre in collaboration with the Central University of Punjab. The portal facilitates the academic, R & D organizations and faculty members, scientists to collect, curate and showcase the scholarly communication activities and provide an opportunity to create the scholarly network. The IRINS is available as free software-as-service to the academic and R&D organizations in India.

#### **Textbook Lending Book Bank (TLB)**

The Book bank of the Institute helps the U.G. and MCA students by making text books available to them from the Book bank for one semester.

#### **SC/ST Book Bank**

Books are given for one semester under the Centrally Sponsored Scheme for SC/ST students of UG. Under this scheme no rent is charged from the SC/ST students.

### **3.6 SCHOOL FOR NON-FORMAL & CONTINUING EDUCATION (SNFCE)**

The Institute offers the opportunity to working engineers in and around Allahabad employed with Industries, Government Departments, Educational Institutions and Entrepreneurs to study for Masters Degree in various disciplines on a part-time basis. These are aimed at improving the standard and quality of technical

education through improving of qualifications of the working professionals and faculty members of the government/ Private technical Institute. The classes for these courses are organized in the evening.

M.Tech. (Part-Time) programmes which run under the School for Non Formal and Continuing Education (SNFCE) are of 03 years/ 06 semester duration out of which 02 years are for course work and one year for Thesis/ Dissertation/ Projects. The candidates with minimum 02 years of working experience are eligible for admission. All academic requirements for admission and graduation will be same as that of regular/ full-time M. Tech programme described in Institute PG Manual.

The Institute provides modernized Lecture Halls, well equipped departmental laboratories, seminar room, computer centre and library in support of smooth running of classes of various M.Tech (Part-Time) Programmes, Faculty Development Programme, Conference/ Seminars, Short Term Courses and Training programme. The actual number of courses for the particular session to be offered is announced through the news papers along with other details of application.

It is a self-supporting unit within the Institute that facilitates in organizing seminars, conferences, symposia etc. The cell also coordinates Summer/Winter Internship program for students of other Institutes under the guidance of the faculty members of all departments of this Institute.

### **3. 7 INTELLECTUAL PROPERTY RIGHT CELL (IPR CELL)**

The Institute IPR Cell was established in the past to maintain high standards of academics and to create a suitable environment for creation and protection of intellectual property. To achieve IIT objective, IPR Cell took following steps:

- (i) Subscription to Turnitin software was renewed to check similarity of text with the published material. The login is available to all the faculty of the Institute.
- (ii) Every Ph.D. Thesis is mandatorily checked by the 'Turnitin – Anti Plagiarism Web Tool' before submission as per approval of the Senate in its Eleventh (11<sup>th</sup>) emergent meeting held on 15.07.2014.
- (iii) In the 73<sup>rd</sup> Meeting of the Senate held on 24-03-2022 less than 15% of similarity was permitted.
- (iv) IPR policy of the Institute has been approved by the 61<sup>st</sup> Board of Governors meeting held on 22.07.2020 and uploaded on the website.

#### **Following is the Constitution of the IPR Cell :**

- |                       |                      |
|-----------------------|----------------------|
| (i) Director          | Chairperson IPR Cell |
| (ii) Prof. G. P. Sahu | Chairperson, IPR     |
| SMS                   | Standing Committee   |
| (iii) Prof. Mayank    | Member, Standing     |
| Pandey, CSED          | Committee            |
| (iv) Dr. Ambak Kumar  | Member, Standing     |
| Rai, BTD              | Committee            |
| (v) Dr. Ashish N.     | Member, Standing     |
| Sawarkar, ChED        | Committee            |

#### **Achievement of IPR Cell during 2024-25**

- (i) During 01.04.2024 to 31.03.2025 IPR Cell checked 96 Ph.D. theses.
- (ii) The Institute has filed Seventy Four (74) patents, two (02) copyright and one (01) design till 31-03-2025, out of which Seven (07) patent applications have been filed in the year 2024-25.
- (iii) Forty Six (44) Patents, two (02) copyright and one (01) Design are granted to the Institute, out of which Nineteen (19) patents were granted in the year 2024-25. Details of Patents granted and filed in the year 2024-25 are as follow:

**Patents Granted in 2024-25**

| Sl. ### 3.8 SC/ST CELL

An SC/ST Cell has been constituted in the Institute to address all issues and concerns related to SC/ST officers, employees, and students.

#### Composition:

- (i) Prof. Anuj Jain, Chairman, AMD
- (ii) Dr. Suantak Kamsonlian, Convener & Liaison Officer, ChED.

### 3.9 RESERVATION CELL

The Reservation Cell ensures the implementation of the Central Government's reservation policies in recruitment and promotion processes. All recruitment advertisements for faculty and non-faculty positions are routed through this Cell. The Reservation Cell operates under the direct supervision of the Liaison Officers. The following officers have been appointed by the Institute:

Dr. Ranvijay, Liaison Officer, OBCs.  
Dr. Suantak Kamsonlian, Liaison Officer, SCs/STs and PwDs.

### 3.10 WOMEN ADVISORY CELL AND ICC

Internal Complaints Committee and Special Cell for women have been constituted in accordance with the guidelines issued by Government of India to consider complaints related to any sexual discrimination/ harassment of women in the Institute. Various measures are taken to ensure a congenial environment where everyone feels comfortable to perform without any kind of discrimination.

#### Display of Information

Hoardings have been placed at strategic points in the Institute to highlight what may comprise Sexual Harassment, and the penalties to deter occurrence of any such event. Contact details of chairperson are given on the hoarding for everyone's benefit. Internal Complaints Committee and Special Cell information is also displayed on Institute Website.

As per section 4 of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal), Act 2013, the ICC has been constituted for handling the grievances of complaints against any kind of Sexual discrimination / harassment in the Institute. The ICC constitutes the following:

#### Internal Complaints Committee [ICC]

| Sl.No. | Name                                     | Designation       |
|--------|------------------------------------------|-------------------|
| 1.     | Prof. Shubhi Purwar<br>Professor, EED    | Presiding Officer |
| 2.     | Prof. Naresh Kumar<br>Professor, Physics | Member            |
| 3.     | Prof. Sadhana Sachan                     | Member            |

|    |                                                                          |                 |
|----|--------------------------------------------------------------------------|-----------------|
|    | Professor, ChED                                                          |                 |
| 4. | Dr. Seema Nara<br>Associate Professor, BTD                               | Member          |
| 5. | Dr. Manisha Yadav,<br>Assistant Registrar [A/c]                          | Member          |
| 6. | Smt. Subhra Singh,<br>Standing Counsel, Hon'ble<br>High Court, Allahabad | External Member |

In compliance to Ministry of Education letter F. No. 18-2/2022-U.5 dated 09.03.2022 and the Sexual Harassment of Women at workplace (Prevention, Prohibition and Redressal) Act, 2013, a Special Cell with following members is constituted to deal with any issue of gender based violence and to conduct gender sensitization programme in the Institute. The Special Cell Comprises of the following:

#### Special Cell (SC)

| Sl. No. | Name                                            | Designation |
|---------|-------------------------------------------------|-------------|
| 1.      | Prof. Shubhi Purwar<br>Professor, EED           | Chairperson |
| 2.      | Prof. Anjana Pandey<br>Professor, BTD           | Member      |
| 3.      | Prof. Sadhana Sachan<br>Professor, ChED         | Member      |
| 4.      | Dr. Tripti Singh,<br>Associate Professor, SMS   | Member      |
| 5.      | Dr. Manisha Yadav,<br>Assistant Registrar [A/c] | Member      |

In the year under report, 16 meetings were held from time to time. No complaint of Sexual Harassment of Women at workplace was received.

### 3.11 NCC AND NSS

The Institute has an active wing of NCC of two platoons having a total strength of 106 Cadets (71 boys and 35 girls) from the institute. The platoons participate in regular defence related activities like Parade, Army Attachment Camps and Disaster Management related training. The NCC unit of the Institute is governed by 1 UP Composite technical regiment of the Indian Army. It is coordinated by Lt. (Dr.) Divya Kumar, Associate NCC Officer under the commands of Col. Ravindra Khatri, Commanding Officer, 1 UP Composite Technical Regiment. Apart from the regular training schedule prescribed by the Army

Unit, NCC is being taught to the B.Tech. students as a part of Extra Academic Activity subject adhering to the New Education Policy 2020.

The details of the programmes conducted by the institute's NCC unit during 2024-25 are appended below:

#### National Cadet Corps (NCC)

| Sl.No. | Name of Programme                | Date                  |
|--------|----------------------------------|-----------------------|
| 1.     | World Environment Day            | 05.06.2024            |
| 2.     | Combined Annual Training Camp-74 | 10.06.2024            |
| 3.     | World Blood Donor Day            | 19.06.2024            |
| 4.     | International Yoga Day           | 14.06.2024            |
| 5.     | Pledge Against Drugs             | 21.06.2024            |
| 6.     | Swatantrata Yatra Rally          | 26.06.2024            |
| 7.     | Kargil Vijay Diwas               | 23.07.2024            |
| 8.     | Cycle Rally                      | 26.07.2024            |
| 9.     | Independence Day Parade-2024     | 14.08.2024            |
| 10.    | Cadet Selection Trials           | 15.08.2024            |
| 11.    | National Unity Day               | 07.09.2024            |
| 12.    | Army Attachment Camp             | 31.10.2024            |
| 13.    | Combined Annual Training Camp-78 | 05.11.2024-16.11.2024 |
| 14.    | Republic Day Parade-2025         | 15.12.2024-24.12.2024 |
|        |                                  | 26.01.2025            |

#### National Service Scheme (NSS)

The NCC is involved in various activities of MNNIT which include general cleaning campaign, crowd management during Magh Mela and tree plantations. The major activities include the following:

| Sl.No. | Name of Programme                          | Date       |
|--------|--------------------------------------------|------------|
| 1.     | Participation in Independence Day Programm | 15.08.2024 |
| 2.     | Sardar Vallabh Bhai Patel Jayanti          | 31.10.2024 |
| 3.     | Swami Vivekanand Jayanti                   | 12.01.2025 |
| 4.     | Participation in Republic Day Programme    | 26.01.2025 |

### 3.12 INSTITUTE HEALTH CENTRE

It is an out-patient centre catering the medical need of approximately 8000 students and all faculty members, staff and their dependents.

#### Timing of Health Centre

All working days of the Institute: From 7.30 AM. to 8.00 PM

All Saturdays and Sundays: From 9.00 AM to 1.00 PM (Part-Time)

Emergency 24x7 Ambulance with Medical Attendant Available.

#### Facilities

1. Consultation & Dispensing of medicines to students, faculty staff & their dependents.
2. Special facilities of E.C.G. & Routine Pathological testing, PFT, Nebulization, Oxygen Concentrator and Oxygen Cylinder also Available, 6 Beds Isolation Ward available.

**MAA promotes the innovation, research and academic outreach activities.**

The Alumni Association of Motilal Nehru National Institute of Technology, Allahabad, Prayagraj will continue to promote the Institute's innovation, research, and academic outreach efforts. The Executive Committee of MNNIT Alumni Association (MAA) resolved to motivate staff and students by awarding Rs.11000/- for each issued Indian patent. The committee resolved to provide a maximum of Rs. 1.0 Lakh each year to organize an international conference at the Institute. In turn, the committee accepted the request filed by the Department of Mechanical Engineering for the year 2024 to organize the "International Conference on Innovations in Mechanical and Materials Engineering (IMME-2025)".

Aside from financial support for patents and conferences, the committee proposed financial support for the Institute's various technical and social groups, which are administered by students and supervised by various faculty members. Financial supports has been recommended for SAE India Collegiate club of

MNNIT, Robotics club of MNNIT, Aeromodelling club, Rotaract club, Enactus club, and Anokhi Pehal.

Support money has been increased for a select clubs based on their performances. In this regard, an additional fund of Rs. 40,000.00 has been allocated for the SAE India Collegiate club of MNNIT from the balance amount left, which was donated by 1982 batch.

The AnokhiPahal project, which teaches and grooms poor/economically disadvantaged youngsters from nearby Motilal Nehru National Institute of Technology, Allahabad, Prayagraj, has received significant funding from the MNNIT Alumni Association fund. This year, the Alumni Association will fully finance the 'Antyodaya' program, contributing Rs. 70,000/- on a reimbursement basis, as is done every year under this scheme.

This year, as per decision taken in the Second Executive Committee Meeting of MNNIT Alumni Association (MAA). Following faculty members will be awarded by Rs. 11,000/- for their granted patents as per the details given below:

| S.No. | Name & Department           | Invention                                                                          | Date of Grant |
|-------|-----------------------------|------------------------------------------------------------------------------------|---------------|
| 1.    | Dr. Nand Kumar Singh<br>BTD | A method for preparing an Animal Feed and A product thereof.                       | 11.06.2024    |

The Maha Kumbh Mela, was held from January 13, 2025 to February 26, 2025, was a sacredpilgrimage that was celebrated after 144 years. Kumbh Mela, the world's largest peaceful gathering, draws millions of pilgrims who bathe in sacred rivers seeking to purify themselves from sins and attain spiritual liberation.

In view of this, the MNNIT Alumni Association installed a camp during this period for all its Alumni by providing them beds/tents and meals on no profit and no loss basis. This information was shared to all registered alumni via E-mail and social media of MAA. More than 125 Alumni and their families booked the tent facilities and approx. 350 persons were benefited. Within limited facilities we tried to accommodate maximum alumni in the camp.

The tent facility at Mahakumbh – 2025 was highly appreciated by Alumni and their families who visited the place. During the camp, MAA distributed food items continuously for several days in the Maha Kumbh Mela Camp and organized Bhandara for the needy people and pilgrims.

| 40. | Dr. Niraj Kumar Choudhary        | Electrical Engineering                  |
| 41. | Dr. Prashant Kumar Tiwari        | Electrical Engineering                  |
| 42. | Dr. V. Krishna Rao               | Electronics & Communication Engineering |
| 43. | Dr. Arvind Kumar                 | Electronics & Communication Engineering |
| 44. | Dr. Manish Tiwari                | Electronics & Communication Engineering |
| 45. | Dr. Santosh Kumar Gupta          | Electronics & Communication Engineering |
| 46. | Mr. Asim Mukherjee               | Electronics & Communication Engineering |
| 47. | Dr. Shweta Tripathi              | Electronics & Communication Engineering |
| 48. | Dr. Karuppanan P.                | Electronics & Communication Engineering |
| 49. | Dr. Rajeev Gupta                 | Electronics & Communication Engineering |
| 50. | Dr. Vinay Kumar                  | Electronics & Communication Engineering |
| 51. | Dr. Gorakh Nath                  | Mathematics                             |
| 52. | Dr. Sahadeo Padhye               | Mathematics                             |
| 53. | Dr. Surabhi Tiwari               | Mathematics                             |
| 54. | Dr. Buddakkagari Vasu            | Mathematics                             |
| 55. | Dr. S. Bhola Nath Mishra         | Mechanical Engineering                  |
| 56. | Dr. Venketeshwara Rao Koma       | Mechanical Engineering                  |
| 57. | Dr. Praveen Kumar Agrawal        | Mechanical Engineering                  |
| 58. | Dr. Rabindra Kumar Patel         | Mechanical Engineering                  |

|     |                              |                              |
|-----|------------------------------|------------------------------|
| 59. | Dr. Dharmendra K.Shukla      | Mechanical Engineering       |
| 60. | Dr. Jagadish Chandra Mohanta | Mechanical Engineering       |
| 61. | Dr. Manish Gupta             | Mechanical Engineering       |
| 62. | Dr. Sunil Kumar Gupta        | Mechanical Engineering       |
| 63. | Dr. Rahul Dev                | Mechanical Engineering       |
| 64. | Dr. Bhore Skylab Pavalas     | Mechanical Engineering       |
| 65. | Dr. Bireswar Paul            | Mechanical Engineering       |
| 66. | Dr. Ashwini Kumar Yadav      | Mechanical Engineering       |
| 67. | Dr. Ramji Dwivedi            | GIS Cell                     |
| 68. | Dr. Sonam Agarwal            | GIS Cell                     |
| 69. | Dr. Manohar Yadav            | GIS Cell                     |
| 70. | Dr. Vibhuti Tripathi         | School of Management Studies |

#### Assistant Professors

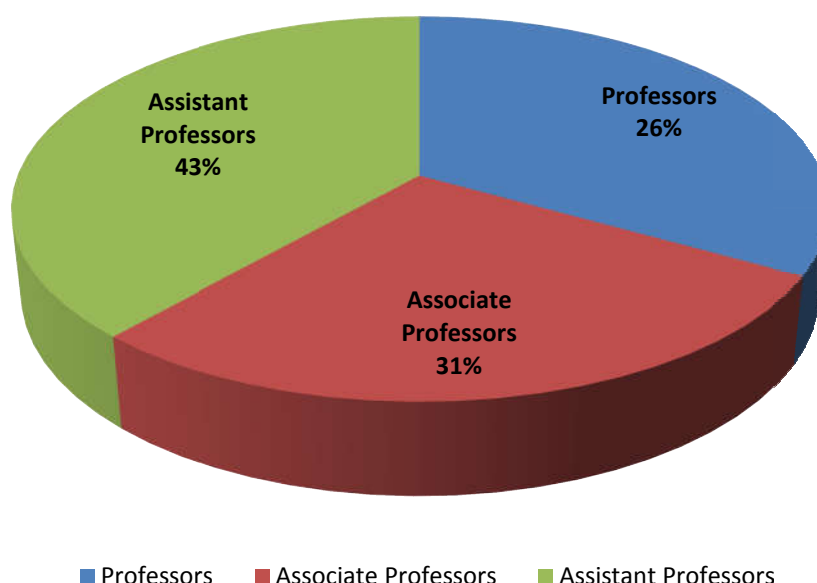

| Sl. No. | Name                       | Department                     |
|---------|----------------------------|--------------------------------|
| 1.      | Dr. Ashutosh Misra         | Applied Mechanics              |
| 2.      | Dr. R. Sujithra            | Applied Mechanics              |
| 3.      | Dr. Anubhav Rawat          | Applied Mechanics              |
| 4.      | Dr. Abhishek Kumar Tiwari  | Applied Mechanics              |
| 5.      | Dr. Abhishek Kundu         | Applied Mechanics              |
| 6.      | Dr. Satish Kumar           | Applied Mechanics              |
| 7.      | Dr. Udhayaraman R.         | Applied Mechanics              |
| 8.      | Dr. Saurabh Bharadwaj      | Applied Mechanics              |
| 9.      | Dr. Uvanesh K              | Applied Mechanics              |
| 10.     | Dr. Brij Kishor            | Applied Mechanics              |
| 11.     | Dr. Kirtiratan Godbole     | Applied Mechanics              |
| 12.     | Dr. Santosh Kumar          | Applied Mechanics              |
| 13.     | Dr. Joyabrata Mal          | Biotechnology                  |
| 14.     | Dr. Girjesh Kumar Patel    | Biotechnology                  |
| 15.     | Dr. Rupika Sinha           | Biotechnology                  |
| 16.     | Dr. Parul Katiyar          | Chemical                       |
| 17.     | Dr. Manju Verma            | Chemical                       |
| 18.     | Dr. Anand Mohan Verma      | Chemical                       |
| 19.     | Dr. Dheeraj Ahuja          | Chemical                       |
| 20.     | Dr. Karthick S             | Chemical                       |
| 21.     | Dr. Bhaskar Devu Mukri     | Chemistry                      |
| 22.     | Dr. Soumyadipta Rakshit    | Chemistry                      |
| 23.     | Dr. Vijay Kumar            | Civil Engineering              |
| 24.     | Dr. Mantu Majumder         | Civil Engineering              |
| 25.     | Dr. Kanika Saxena          | Civil Engineering              |
| 26.     | Dr. Jayvant Choudhary      | Civil Engineering              |
| 27.     | Dr. Snehal K               | Civil Engineering              |
| 28.     | Dr. Ajay Kumar Mandrawalia | Civil Engineering              |
| 29.     | Dr. Bharat Rajan           | Civil Engineering              |
| 30.     | Dr. Binit Kumar            | Civil Engineering              |
| 31.     | Dr. Ananth Wuppukondur     | Civil Engineering              |
| 32.     | Dr. Rupesh Kumar Dewang    | Computer Science & Engineering |
| 33.     | Dr. Shashwati Banerjea     | Computer Science & Engineering |
| 34.     | Dr. Shailendra Shukla      | Computer Science & Engineering |
| 35.     | Dr. Deepak Gupta           | Computer Science & Engineering |

|     |                                |                                         |                          |
|-----|--------------------------------|-----------------------------------------|--------------------------|
| 36. | Dr. Ashish Kumar Maurya        | Computer Science & Engineering          |                          |
| 37. | Dr. Vibhav Prakash Singh       | Computer Science & Engineering          |                          |
| 38. | Dr. J. Sathish Kumar           | Computer Science & Engineering          |                          |
| 39. | Dr. Joohi Chauhan              | Computer Science & Engineering          |                          |
| 40. | Dr. Indu Dohare                | Computer Science & Engineering          |                          |
| 41. | Dr. Abhimanyu Sahu             | Computer Science & Engineering          |                          |
| 42. | Dr. Kailash Wamanrao Kalare    | Computer Science & Engineering          |                          |
| 43. | Dr. Amit Biswas                | Computer Science & Engineering          |                          |
| 44. | Dr. Abhinav Kumar              | Computer Science & Engineering          |                          |
| 45. | Dr. Saugata Roy                | Computer Science & Engineering          |                          |
| 46. | Dr. Vishal Srivastava          | Computer Science & Engineering          |                          |
| 47. | Dr. Anuja Dixit                | Computer Science & Engineering          |                          |
| 48. | Dr. M. Venkatesh Naik          | Electrical Engineering                  |                          |
| 49. | Dr. Saumendra Sarangi          | Electrical Engineering                  |                          |
| 50. | Dr. Dipayan Guha               | Electrical Engineering                  |                          |
| 51. | Dr. Jagat Jyoti rath           | Electrical Engineering                  |                          |
| 52. | Dr. Dogga Raveendhra           | Electrical Engineering                  |                          |
| 53. | Dr. Suneel Raju Pendem         | Electrical Engineering                  |                          |
| 54. | Dr. Souradip De                | Electrical Engineering                  |                          |
| 55. | Dr. Kapil Chauhan              | Electrical Engineering                  |                          |
| 56. | Dr. Shubh Lakshmi              | Electrical Engineering                  |                          |
| 57. | Dr. Vishal Kumar Gaur          | Electrical Engineering                  |                          |
| 58. | Dr. Satnesh Singh              | Electrical Engineering                  |                          |
| 59. | Dr. Bhamidi Lokesh Gupta       | Electrical Engineering                  |                          |
| 60. | Dr. Arvind Kumar Prajapati     | Electrical Engineering                  |                          |
| 61. | Dr. Smriti Agarwal             | Electronics & Communication Engineering |                          |
| 62. | Dr. Anand Sharma               | Electronics & Communication Engineering |                          |
| 63. | Dr. Dharmendra dixit           | Electronics & Communication Engineering |                          |
| 64. | Dr. Sumit Kumar Jha            | Electronics & Communication Engineering |                          |
| 65. | Dr. Satish Chandra             | Electronics & Communication Engineering |                          |
| 66. | Dr. Vimal Kumar Singh Yadav    | Electronics & Communication Engineering |                          |
| 67. | Dr. Deepak Punetha             | Electronics & Communication Engineering |                          |
| 68. | Dr. Kumari Nibha Priyadarshani | Electronics & Communication Engineering |                          |
| 69. | Dr. Arun Kumar Saurabh         | Electronics & Communication Engineering |                          |
| 70. | Dr. Sandeep Kumar Singh        | Electronics & Communication Engineering |                          |
| 71. | Dr. Nirmal Ch Roy              | Electronics & Communication Engineering |                          |
| 72. | Dr. Shishir Maheshwari         | Electronics & Communication Engineering |                          |
| 73. | Dr. Sachin Kadam               | Electronics & Communication Engineering |                          |
| 74. | Dr. Vandana Agrawal            | Mechanical Engineering                  |                          |
| 75. | Dr. Jitendra Narayan Gangwar   | Mechanical Engineering                  |                          |
| 76. | Dr. Pranab Kumar Kundu         | Mechanical Engineering                  | [On Lien]                |
| 77. | Dr. Roshan Kumar Hota          | Mechanical Engineering                  | [Resigned on 17.02.2025] |
| 78. | Dr. Manoj Kumar Gupta          | Mechanical Engineering                  | [On Lien]                |
| 79. | Dr. Shantanu Srivastava        | Mechanical Engineering                  |                          |
| 80. | Dr. Sumit Tiwari               | Mechanical Engineering                  |                          |
| 81. | Dr. Binayaka Nahak             | Mechanical Engineering                  |                          |
| 82. | Dr. Swastik Acharya            | Mechanical Engineering                  |                          |
| 83. | Dr. Tej Pratap                 | Mechanical Engineering                  |                          |
| 84. | Dr. Y.G. Bala                  | Mechanical Engineering                  |                          |
| 85. | Dr. Jeewan Chandra Atwal       | Mechanical Engineering                  |                          |

|      |                            |                              |                          |
|------|----------------------------|------------------------------|--------------------------|
| 86.  | Dr. Hukum Chand Dewangan   | Mechanical Engineering       |                          |
| 87.  | Dr. Abhishek Kumar         | Mechanical Engineering       |                          |
| 88.  | Dr. Anurag Deepak          | Mechanical Engineering       |                          |
| 89.  | Dr. Vibhuti Bhushan Pandey | Mechanical Engineering       |                          |
| 90.  | Dr. Nagarjuna Kumma        | Mechanical Engineering       |                          |
| 91.  | Dr. Anoop Kumar Pandouria  | Mechanical Engineering       |                          |
| 92.  | Dr. Supriya Yadav          | Mathematics                  |                          |
| 93.  | Dr. Prashanta Majee        | Mathematics                  |                          |
| 94.  | Dr. Naren Bag              | Mathematics                  |                          |
| 95.  | Dr. Subham Gupta           | Mathematics                  |                          |
| 96.  | Dr. Ravi Prakash           | Physics                      |                          |
| 97.  | Dr. Surbhi Gupta           | Physics                      | [Resigned on 31.12.2024] |
| 98.  | Dr. Sandeep Kumar          | Physics                      |                          |
| 99.  | Dr. Richa Arya             | Physics                      |                          |
| 100. | Dr. Somen Dey              | School of Management Studies |                          |
| 101. | Dr. Rakesh Kumar           | School of Management Studies |                          |
| 102. | Dr. Premalatha.P.          | School of Management Studies |                          |
| 103. | Dr. Mitu Mandal            | Humanities & Social Science  |                          |
| 104. | Dr. Soni Joseph            | Humanities & Social Science  |                          |
| 105. | Dr.Reena Kumari            | Humanities & Social Science  |                          |

**FACULTY AS ON 31.03.2025**

**Heads of the Departments**

| Sl. No. | Name                           | Department        | Remarks           |
|---------|--------------------------------|-------------------|-------------------|
| 1.      | (i) Prof. Abhishek Kumar       | Applied Mechanics | upto 08.08.2024   |
|         | (ii) Prof. Naresh Kumar        | Applied Mechanics | w.e.f. 08.02.2025 |
|         | (iii) Prof. Akshoy Ranjan Paul | Applied Mechanics | w.e.f. 09.02.2025 |
| 2.      | (i) Dr. Sangeeta Negi          | Biotechnology     | upto 16.10.2024   |
|         | (ii) Dr. Manisha Sachan        | Biotechnology     | w.e.f. 17.10.2024 |

**Motilal Nehru National Institute of Technology Allahabad [MNNIT Allahabad]**

|     |      |                              |                                         |                   |

| 11.    | Shri Arvind Kumar Singh     | Executive Engineer [Electrical Maintenance] |                         |
| 12.    | Shri Raghvendra Singh       | SAS Officer                                 |                         |
| 13.    | Shri Abhay Singh            | Technical Officer                           |                         |
| 14.    | Shri Ritesh Kumar Sahu      | Dy. Librarian                               |                         |
| 15.    | Shri Arvind Kant Singh      | Assistant Librarian                         |                         |

|     |                             |                                         |
|-----|-----------------------------|-----------------------------------------|
| 16. | Shri Sanjay Singh           | Executive Engineer                      |
| 17. | Dr. Shailendra Kumar Mishra | Medical Officer                         |
| 18. | Dr. Siddharth Srivastava    | Medical Officer                         |
| 19. | Shri Pramod Kumar Dwivedi   | Assistant Director [OL]                 |
| 20. | Shri Deepak Asthana         | Senior Scientific/Technical Officer     |
| 21. | Shri Anil Verma             | Senior Excecutive Engineer (Electrical) |
| 22. | Shri Ajay Kumar Sharma      | Deputy Librarian                        |
| 23. | Shri Sanjay Singh           | Technical Officer                       |

### 5.3 TECHNICAL STAFF

#### Technical Assistant [SG-I]

1. Shri S. N. Chaturvedi
2. Shri Pankaj Sikka
3. Smt. Anju Jha
4. Shri Manoj Singh Bonal
5. Shri Ashutosh Kr. Gupta
6. Shri R. K. Sharma

#### Technical Assistant [SG-II]

1. Shri Diwakar Tiwari

#### Technical Assistant

1. Shri Rama Shankar Gupta

#### Technician [SG-I]

1. Shri Gopal Ram

#### Technician [SG-II]

1. Shri Kamla Prasad Yadav
2. Shri Moti Lal
3. Shri Rakesh Gupta
4. Shri Hari Shanker
5. Shri Brijesh Kumar Kushwaha
6. Shri Shiv Murat Yadav

#### Senior Technician

1. Shri Kamla Pd Maurya [Retired on 28.02.2025]
2. Shri Triyugi Nath Shukla
3. Shri Dinesh Shankar Mishra [Retired on 31.12.2024]
4. Shri Ram Sajiwan Pal
5. Shri Naresh Chandra
6. Shri Rishikant
7. Shri Sandeep Kumar
8. Shri Sudhir Kumar
9. Shri Ankit Prakash Resigned on 19.03.2025
10. Shri Ashutosh Kumar Chaurasia
11. Shri Sameer Kaithwas [Resigned on 19.12.2024]
12. Shri Ali Husain

13. Shri Rahul Upadhyay
14. Shri Himanshu Yadav
15. Shri Saurabh Kumar Yadav
16. Shri Charchil Meena
17. Shri Prakash Pandey
18. Shri Atul Kanaujia
19. Shri Rohit Agrahari
20. Shri Devesh Singh
21. Shri Sujeet Kumar Gond [Joined on 18.12.2024]

#### Technician

1. Shri Jagdish Prasad
2. Ms. Anjali Raj Singh
3. Shri. Harshit Gupta
4. Shri. Suresh Kr. Yadav
5. Shri. Gyan Vardhan Tyagi
6. Shri. Sukhendra Kumar Kushwaha
7. Shri. Harshit Mishra
8. Shri Mod Avid
9. Shri. Manoj Kumar
10. Shri. Ram Kishan
11. Shri. Pradum Gupta
12. Shri. Abhishek Yadav
13. Shri. Sushil Kumar
14. Shri. Rahul Kumar [Resigned on 23.08.2024]
15. Shri. Ritesh Singh
16. Shri. Avinash Kumar
17. Shri. Shailesh Pratap Vishwakarma
18. Shri. Suraj Kumar
19. Shri. Abhishek Kumar
20. Shri. Rajesh Kumar Ram
21. Shri. Manish Kumar
22. Ms. Pratiksha Tiwari
23. Shri. Ashok Kr. Yadav
24. Shri. Ajay Kumar Patel
25. Shri Priyam Raj
26. Shri. Sharda Singh Patel
27. Shri. Rahul Kumar
28. Shri. Krishna Kumar
29. Shri. Suraj Kumar [Joined on 26.07.2024]
30. Shri. Rahul Kumar [Joined on 29.07.2024]

**Pharmacist [SG-I]**

1. Shri Vinod Kumar Mishra

**Pharmacist [SG-II]**

1. Shri Ranjeet Kumar Nirbhai

**5.4 MINISTERIAL STAFF**

**Superintendent [SG-I]**

1. Shri Shailendra Kumar Gaur
2. Shri Shyam Babu
3. Shri Anil Kumar

**Superintendent [SG-II]**

1. Shri Anirudh Kr. Chaudhary

**Senior Superintendent**

1. Shri Sanjay Yadav

**Superintendent**

1. Shri Manu Sharma
2. Shri Shailesh Awasthi
3. Shri Sumit
4. Shri Sushant Kunal [Resigned on 15.04.2024]
5. Shri Mohd Shams
6. Shri Gaurav Pandey
7. Shri Ashutosh Kumar Gupta

**Personal Assistant**

1. Shri Shivakant Shukla

**Assistant [SG-I]**

1. Shri Vijay Pal
2. Shri Mohd. Saqib
3. Shri Sangam Lal
4. Shri Anant Kumar Tiwari

**Assistant [SG-II]**

1. Smt. Veena Singh
2. Smt Madhu Yadav
3. Shri Vinod Kumar

**Senior Stenographer**

1. Mrs. Prachi Jaiswal

**Stenographer**

1. Shri. Vivek Kumar Mishra

**Senior Assistant**

1. Shri Prem Chand
2. Shri Ashutosh Kumar

3. Shri Vikash Kumar Soni

4. Shri Mohd Shams [On lien]

5. Shri Virendra Kumar [On lien]

6. Shri Chandan Kumar

7. Shri Rohit Kumar

8. Shri Ram Vijay Singh

9. Shri Abhishek kumar Jaiswal [On lien]

10. Shri Pawan Kumar Mishra

11. Shri Sameer Kaithwas [Join on 20.12.2024]

**Junior Assistant**

1. Shri Ram Sanehi Maurya

2. Shri Monu Jeet Dayal

3. Shri Suraj

4. Ms. Zainab Ansari

5. Shri Ripunjay Mishra [On Lien]

6. Ms. Vishakha Gupta

7. Shri Manish Mishra

8. Shri Pushpendra Singh

[Resigned on 10.09.2024]

9. Shri Asha Ram Meena

10. Shri Prateek Tripathi

11. Shri Pranjal Malaviya

12. Shri Himanshu

13. Shri Pradeep Kumar Yadav

14. Shri Nand Lal Prajapati

15. Shri Udit Raj

16. Shri Abhishek Kushwaha

17. Shri Saurabh Saroj [Joined on 01.08.2024]

**Private Secretary**

1. Shri Ram Baran

**5.5 SUPPORTING STAFF**

**Lab Attendant [SG-I]**

1. Shri Satya Narain

**Senior Lab Attendant**

1. Shri Ram Dulare

**Office Attendant [SG-I]**

1. Shri Ram Dulare [Retired on 31.03.2025]

2. Smt. Nirmala Devi

3. Shri Ranjeet [Retired on 30.11.2024]

**Senior Office Attendant**

1. Shri Om Prakash Yadav

2. Shri Rajendra Kumar

3. Shri Pappu Lal

4. Shri Raj N. Kashyap [Retired on 31.08.2024]

5. Shri Ramakant Pal
6. Smt. Kaushalya Devi
7. Shri Rajendra Prasad
8. Shri Rajesh
9. Shri Mohan Lal

**Office Attendant [SG-II]**

1. Shri Masuriya D. Maurya [Retired on 31.03.2025]
2. Shri Radhey Shyam
3. Shri Anil
4. Shri Raju
5. Shri Rajendra Prasad [Died 26.02.2025]
6. Shri Jehli Singh
7. Shri Hari Lal Yadav
8. Shri Hausala Prasad [Died on 03.03.2025]
9. Shri Shobh Nath Maurya
10. Smt. Geeta Devi
11. Shri Prakash [Died on 02.05.2024]

**Office Attendant/Lab Attendant**

1. Shri. Vikash Kumar
2. Shri. Sumit Kumar Singh
3. Shri. Aarif
4. Shri. Anshuman Bajpai
5. Ms. Sadhvi Kasaundhan
6. Shri. Alok Kr. Pandey
7. Ms. Sanskar Patel
8. Shri. Vishal Singh
9. Shri. Abhishek Mishra
10. Shri. Ajay Sharma
11. Shri. Gaurav Kumar
12. Shri Sujeet Kr. Gond [Resigned on 16.12.2024]
13. Shri. Shiv Kumar
14. Shri. Jitendra Chaudhari
15. Shri. Deepak Kr. Ojha
16. Shri. Parul Sharma
17. Ms. Anjali Yadav
18. Shri. Manit Chaurasia
19. Shri. Sandeep Kr. Gupta
20. Shri. Rajesh Rathore
21. Shri Suraj Harijan [Joined on 19.11.2024]

## **ACADEMIC PROGRAMMES & STUDENTS DETAILS**

---

- 6.1 Bachelor of Technology (B.Tech.)**
- 6.2 Master of Technology (M.Tech.)**
- 6.3 Master of Business Administration (M.B.A.)**
- 6.4 Master of Computer Applications (M.C.A.)**
- 6.5 Master of Science (M.Sc.)**
- 6.6 Doctoral Programmes (Ph.D.)**
- 6.7 Students Intake**
- 6.8 Admission Procedure**
- 6.9 Courses-Wise Enrolment with Gender, Category Wise Break-up 2024-25**
- 6.10 Student Statistics for U.G./ P.G./ Ph.D. Programmes 2024-25**
- 6.11 Convocation 2024**
- 6.12 National Education Policy 2020**

## 6.1 BACHELOR OF TECHNOLOGY (B.TECH.)

### Degree Courses (4 Years / 8 Semesters)

- (i) Biotechnology
- (ii) Chemical Engineering
- (iii) Civil Engineering
- (iv) Computer Science Engineering
- (v) Electrical Engineering
- (vi) Electronics & Communication Engineering
- (vii) Engineering and Computational Mechanics
- (viii) Material Engineering
- (ix) Mechanical Engineering
- (x) Production & Industrial Engineering

## 6.2 MASTER OF TECHNOLOGY (M.TECH.) DEGREE COURSE

### Regular (2 Years/ 4 Semesters)

#### Applied Mechanics Department

- (i) Engineering Mechanics & Design
- (ii) Biomedical Engineering
- (iii) Fluids Engineering
- (iv) Material Science and Engineering

#### Biotechnology Department

- (i) Biotechnology

#### Chemical Engineering Department

- (i) Chemical Engineering

#### Civil Engineering Department

- (i) Environmental Engineering
- (ii) Geo-Technical Engineering
- (iii) Structural Engineering
- (iv) Transportation Engineering

#### Computer Science Engineering Department

- (i) Computer Science & Engineering
- (ii) Computer Science & Engineering in (Artificial Intelligence and Data Science)
- (iii) Information Security

#### Electrical Engineering Department

- (i) Control & Instrumentation
- (ii) Power Electronics & Drives
- (iii) Power System

## (iv) Electronics and Communication Engineering Department

- (i) Signal Processing
- (ii) Microelectronics and VLSI Design
- (iii) Communication System

## Mechanical Engineering Department

- (i) Computer Aided Design & Manufacturing
- (ii) Design Engineering
- (iii) Product Design and Development
- (iv) Production Engineering
- (v) Thermal Engineering

## Geographic Information System Cell

- (i) Geoinformatics

## 6.3 MASTER OF BUSINESS ADMINISTRATION (MBA), (2 Years/ 4 Semesters)

Following specializations are offered:

- (i) Finance
- (ii) Marketing
- (iii) Human Resource
- (iv) Systems

## 6.4 MASTER OF COMPUTER APPLICATIONS (MCA), (3 Years/ 6 Semesters)

## 6.5 MASTER OF SCIENCE (M.Sc.), (2 Years/ 4 Semesters)

- (i) Mathematics and Scientific Computing.

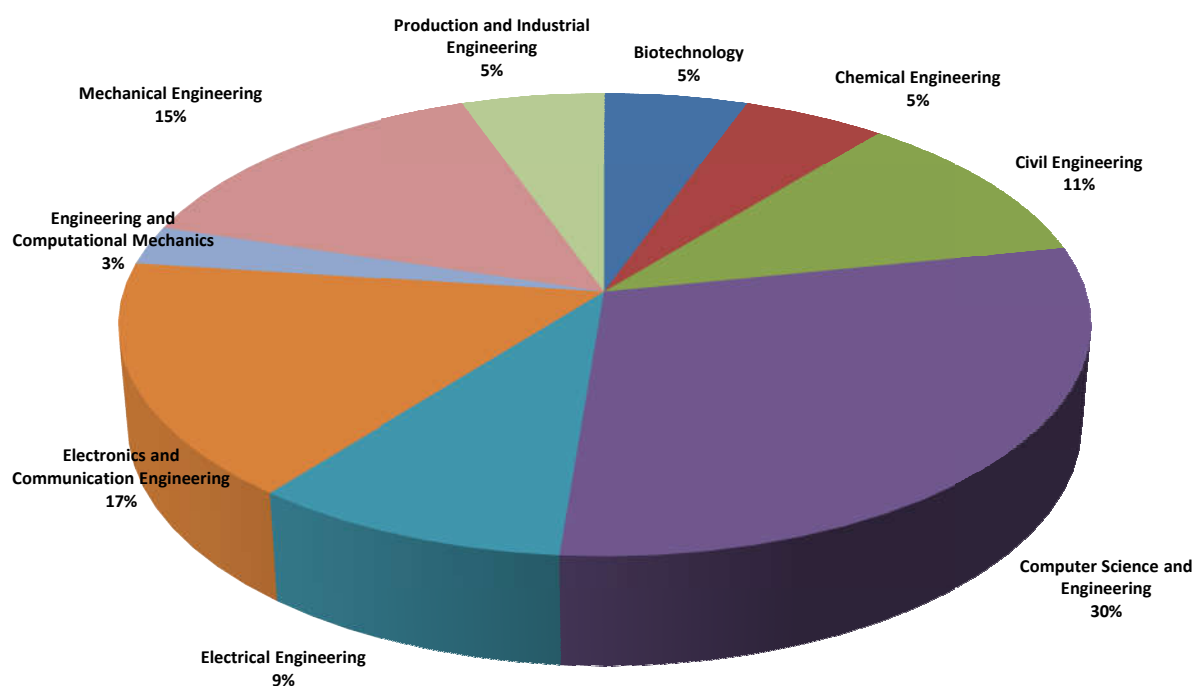

## 6.6 DOCTORAL PROGRAMMES (Ph.D.)

MNNIT Allahabad has been growing rapidly as a highly reputed academic institution and research is an integral aspect. Therefore, to promote Doctoral Programme, Institute Fellowships have been established, which are distributed among all the departments. Besides, a number of non-stipendiary admission to these Doctoral Programmes is also made to facilitate faculty from other Institutes and Industry personnel to pursue M.Tech. & Ph.D. in various Departments, under QIP scheme. Executives from industry also join under self sponsored category.

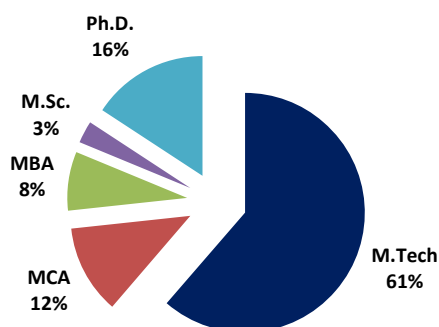

## 6.7 STUDENTS INTAKE:

| Name of Programme                | Branch               | Intake |
|----------------------------------|----------------------|--------|
| Bachelor of Technology (B.Tech.) | Biotechnology        | 60     |
|                                  | Chemical Engineering | 60     |
|                                  | Civil Engineering    | 121    |

|                                         |                                           |             |
|-----------------------------------------|-------------------------------------------|-------------|
|                                         | Computer Science and Engineering          | 325         |
|                                         | Electrical Engineering                    | 103         |
|                                         | Electronics and Communication Engineering | 182         |
|                                         | Engineering and Computational Mechanics   | 30          |
|                                         | Material Engineering                      | 30          |
|                                         | Mechanical Engineering                    | 163         |
|                                         | Production and Industrial Engineering     | 60          |
| Master of Technology (M.Tech.)          | Including All 25 Specializations          | 595         |
| Master of Computer Application (MCA)    | NA                                        | 116         |
| Master of Business Administration (MBA) | NA                                        | 77          |
| Master of Science (M.Sc.)               | Mathematics and Scientific Computing      | 29          |
| Doctor of Philosophy (Ph.D.)            | Including All Departments/Cells/Schools   | 153         |
| <b>Total</b>                            |                                           | <b>2104</b> |

#### BRANCHWISE UG ENROLMENT

### PROGRAMMWISE PG ENROLLMENT

#### 6.8 ADMISSION PROCEDURE

#### 6.11 ANNUAL CONVOCATION - 2024

| Sl. No.                                             | Branch                                    | No. of Degree Recipients |
|-----------------------------------------------------|-------------------------------------------|--------------------------|
| 1.                                                  | Biotechnology                             | 35                       |
| 2.                                                  | Chemical Engineering                      | 61                       |
| 3.                                                  | Civil Engineering                         | 122                      |
| 4.                                                  | Computer Science and Engineering          | 233                      |
| 5.                                                  | Electrical Engineering                    | 95                       |
| 6.                                                  | Electronics and Communication Engineering | 181                      |
| 7.                                                  | Information Technology                    | 134                      |
| 8.                                                  | Mechanical Engineering                    | 156                      |
| 9.                                                  | Production and Industrial Engineering     | 42                       |
| <b>Total Degree Recipients of B.Tech. Programme</b> |                                           | <b>1059</b>              |

#### Branch wise UG Degree Conferred in Convocation-2024

**Masters' Programmes**

| Sl. No.                                              | Branch / Specialization                                                            | No. of Degree Recipients |
|------------------------------------------------------|------------------------------------------------------------------------------------|--------------------------|
| 1.                                                   | M.Tech. – Applied Mechanics (Biomedical Engineering)                               | 5                        |
| 2.                                                   | M.Tech. – Applied Mechanics (Engineering Mechanics and Design)                     | 9                        |
| 3.                                                   | M.Tech. – Applied Mechanics (Fluids Engineering)                                   | 6                        |
| 4.                                                   | M.Tech. – Applied Mechanics (Material Science and Engineering)                     | 1                        |
| 5.                                                   | M.Tech. – Biotechnology                                                            | 16                       |
| 6.                                                   | M.Tech. – Chemical Engineering                                                     | 4                        |
| 7.                                                   | M.Tech. – Civil Engineering (Environmental Engineering)                            | 16                       |
| 8.                                                   | M.Tech. – Civil Engineering (Geotechnical Engineering)                             | 16                       |
| 9.                                                   | M.Tech. – Civil Engineering (Structural Engineering)                               | 17                       |
| 10.                                                  | M.Tech. – Civil Engineering (Transportation Engineering)                           | 16                       |
| 11.                                                  | M.Tech. – Computer Science & Engineering in Artificial Intelligence & Data Science | 20                       |
| 12.                                                  | M.Tech. – Computer Science and Engineering                                         | 23                       |
| 13.                                                  | M.Tech. – Information Security                                                     | 20                       |
| 14.                                                  | M.Tech. – Electrical Engineering (Control and Instrumentation)                     | 11                       |
| 15.                                                  | M.Tech. – Electrical Engineering (Power Electronics and Drives)                    | 20                       |
| 16.                                                  | M.Tech. – Electrical Engineering (Power System)                                    | 17                       |
| 17.                                                  | M.Tech. – Electronics Engineering (Communication Systems)                          | 21                       |
| 18.                                                  | M.Tech. – Microelectronics and VLSI Design                                         | 21                       |
| 19.                                                  | M.Tech. – Electronics Engineering (Signal Processing)                              | 19                       |
| 20.                                                  | M.Tech. – Geoinformatics                                                           | 10                       |
| 21.                                                  | M.Tech. – Mechanical Engineering (Computer Aided Design and Manufacturing)         | 12                       |
| 22.                                                  | M.Tech. – Mechanical Engineering (Design Engineering)                              | 14                       |
| 23.                                                  | M.Tech. – Mechanical Engineering (Product Design and Development)                  | 6                        |
| 24.                                                  | M.Tech. – Mechanical Engineering (Production Engineering)                          | 9                        |
| 25.                                                  | M.Tech. – Mechanical Engineering (Thermal Engineering)                             | 16                       |
| <b>Total Degree Recipients of M.Tech. Programmes</b> |                                                                                    | <b>345</b>               |

**Other Masters' Programmes**

| Sl. No. | Programme                                                | No. of Degree Recipients |
|---------|----------------------------------------------------------|--------------------------|
| 1.      | Master of Computer Applications                          | 112                      |
| 2.      | Master of Business Administration                        | 32                       |
| 3.      | Master of Science (Mathematics and Scientific Computing) | 27                       |

**Doctoral Programme**

| Sl. No. | Programme                    | No. of Degree Recipients |
|---------|------------------------------|--------------------------|
| 1.      | Doctor of Philosophy (Ph.D.) | 35                       |

**Summary of Gold Medal Recipients**
**Gold Medals**

|                                      |          |           |
|--------------------------------------|----------|-----------|
| Number of Institute Gold Medals (UG) | –        | 15        |
| Number of Institute Gold Medals (PG) | –        | 28        |
| Number of Sponsored Gold Medals      | –        | 13        |
| <b>Total</b>                         | <b>–</b> | <b>56</b> |

**Gold Medals for Post Graduate Examination - 2024**

- Gold Medal awarded to Mr. Prateek Sinha (Registration No.2022BM02) for standing first at

M.Tech. Biomedical Engineering, Final Examination 2024). (CPI 8.55)

2. Gold Medal awarded to Ms. Samridhi Singh (Registration No. 2022EM06) for standing first at M.Tech. Engineering Mechanics and Design, Final Examination 2024). (CPI 8.5)
3. Gold Medal awarded to Mr. Adithya Ajay (Registration No. 2022FE05) for standing first at M.Tech. Fluids Engineering, Final Examination 2024). (CPI 8.65)
4. Gold Medal awarded to Mr. Mayank Pandey (Registration No. 2022MT01) for standing first at M.Tech. Material Science & Engineering, Final Examination 2024). (CPI 7.00)
5. Gold Medal awarded to Ms. Avika Sharma (Registration No. 2022BT06) for standing first at M.Tech. Biotechnology, Final Examination 2024). (CPI 9.20)
6. Gold Medal awarded to Mr. Saurav Kandpal (Registration No. 2022CL02) for standing first at M.Tech. Chemical Engineering, Final Examination 2024. (CPI 9.20)
7. Gold Medal awarded to Mr. Aryan Raj (Reg. No. 2022EN07) for standing first at M.Tech. Civil Engineering (Environmental Engineering), Final Examination 2024. (CPI 9.15)
8. Gold Medal awarded to Mr. Utkarsh Deep Kamal (Registration No. 2022GE12) for standing first at M.Tech. Civil Engineering (Geotechnical Engineering), Final Examination 2024. (CPI 9.00)
9. Gold Medal awarded to Mr. Lalan Kumar (Registration No. 2022ST12) for standing first at M.Tech. Civil Engineering (Structural Engineering), Final Examination 2024. (CPI 8.95)
10. Gold Medal awarded to Ms. Abhishek Bajpai (Registration No. 2022TR032) for standing first at M.Tech. Civil Engineering (Transportation Engineering), Final Examination 2024. (CPI 8.85)
11. Gold Medal awarded to Mr. Darshanbhai Maheshbhai Rathod (Registration No. 2022CS13) for standing first at M.Tech. Computer Science & Engineering, Final Examination 2024. (CPI 8.75)
12. Gold Medal awarded to Mr. Sumer Sanjay kumar Khatri (Registration No. 2022IS08) for standing first at M.Tech. Information Security, Final Examination 2024. (CPI 9.20)
13. Gold Medal awarded to Mr. Pawan Kumar Vivek Kumar Maurya (Registration No. 2022DS08) for standing first at M.Tech. Computer Science & Engineering in Artificial Intelligence & Data Science, Final Examination 2024. (CPI 9.30)
14. Gold Medal awarded Mr. Satyabrata Roy (Reg. No. 2021EE01) for standing first at M.Tech. Electrical Engineering (Control & Instrumentation), Final Examination 2024. (CPI 9.05)
15. Gold Medal awarded to Mr. Anupama Chaudhary (Registration No. 2022PE08) for standing first at M.Tech. Electrical Engineering (Power Electronics and Drives), Final Examination 2024. (CPI 9.00)
16. Gold Medal awarded to Mr. Aditya Singh (Registration No. 2022PS13) for standing first at M.Tech. Electrical Engineering (Power System), Final Examination 2024. (CPI 9.30)
17. Gold Medal awarded to Mr. Sachin Kumar Ray (Registration No. 2022CM08) for standing first at M.Tech. Electronics Engineering (Communication Systems), Final Examination 2024. (CPI 9.95)
18. Gold Medal awarded to Mr. Gouru Hemanth (Registration No. 2022VL19) for standing first at M.Tech. Microelectronics and VLSI Design, Final Examination 2024. (CPI 9.70)
19. Gold Medal awarded to Ms. Shaili Agarwal (Registration No. 2022SP05) for standing first at M.Tech. Electronics Engineering (Signal Processing), Final Examination 2024. (CPI 9.90)
20. Gold Medal awarded to Ms. Prachee Patra (Registration No. 2022GI04) for standing first at M.Tech. Geoinformatics, Final Examination 2024. (CPI 9.25)
21. Gold Medal awarded to Ms. Shivani Rai (Registration No. 2022CC02) for standing first at M.Tech. Mechanical Engineering (Computer Aided Design and Manufacturing), Final Examination 2024. (CPI 9.30)
22. Gold Medal awarded to Mr. Upendra Singh Medtiya (Registration No. 2022DN01) for standing first at M.Tech. Mechanical Engineering (Design Engineering), Final Examination 2024. (CPI 9.65)
23. Gold Medal awarded to Mr. Manas Seth (Registration No. 2022PD07) for standing first at M.Tech. Mechanical Engineering (Product

- Design and Development), Final Examination 2024. (CPI 9.50)
24. Gold Medal awarded to Mr. Ashish Kumar Sharma (Registration No. 2022PR03) for standing first at M.Tech. Mechanical Engineering (Production Engineering), Final Examination 2024. (CPI 9.30)
  25. Gold Medal awarded to Mr. Utkarsh Verma (Registration No. 2022TH17) for standing first at M.Tech. Mechanical Engineering (Thermal Engineering), Final Examination 2024. (CPI 9.10)
  26. Gold Medal awarded to Ms. Sujata Chittoria (Registration No. 2022MB32) for standing first at Master of Business Administration, Final Examination 2024. (CPI 9.74)
  27. Gold Medal awarded to Ms. Divyanshi Srivastava (Registration No. 2021CA032) for standing first at Master of Computer Applications, Final Examination 2024. (CPI 9.18)
  28. Gold Medal awarded to Ms. Nayanika Bera (Registration No. 2022MSC06) for standing first at Master of Science (Mathematics & Scientific Computing), Final Examination 2024. (CPI 9.38)
6. Gold Medal awarded to Mr. Jakka Venkata Rahul Charan (Registration No. 20202038) for standing first at B.Tech. (Electrical Engineering), Final Examination 2024. (CPI 9.08)
  7. Gold Medal awarded to Mr. Aditya Pandey (Registration No. 20205010) for standing first at B.Tech. (Electronics and Communication Engineering), Final Examination 2024. (CPI 9.37)
  8. Gold Medal awarded to Ms. Dolly Agrawal (Registration No. 20203053) for standing first at B.Tech. (Mechanical Engineering), Final Examination 2024. (CPI 9.68)
  9. Gold Medal awarded to Mr. Adarsh Pandey (Registration No. 20206002) for standing first at B.Tech. (Production and Industrial Engineering), Final Examination 2024. (CPI 9.13)
  10. Gold Medal awarded to Mr. Shashwat Gupta (Registration No. 20206045) for standing first at B.Tech. (Production and Industrial Engineering), Final Examination 2024. (9.13)

#### **Institute Gold Medal for Under Graduate Examination – 2024**

1. Gold Medal awarded to Ms. Shivangi Singh Chauhan (Registration No. 20200050) for standing first at B.Tech. (Biotechnology), Final Examination 2024. (CPI 9.09)
2. Gold Medal awarded to Mr. Arghyadeep Ambar Chakrabarti (Registration No. 20209016) for standing first at B.Tech. (Chemical Engineering), Final Examination 2024. (CPI 9.65)
3. Gold Medal awarded to Mr. Rishabh Gupta (Registration No. 20201087) for standing first at B.Tech. (Civil Engineering), Final Examination 2024. (CPI 9.71)
4. Gold Medal awarded to Mr. Ayush Goel (Registration No. 20204050) for standing first at B.Tech. (Computer Science and Engineering), Final Examination 2024. (CPI 9.09)
5. Gold Medal awarded to Mr. Anubhav Shrivastava (Registration No. 20209011) for standing first at B.Tech. (Information Technology), Final Examination 2024. (CPI 9.25)

#### **Institute Gold Medal for Under Graduate Examination – 2024**

1. Institute Gold Medal awarded to Mr. Rishabh Gupta (Registration No. 20201087) of B.Tech. (Civil Engineering) for standing first amongst students of all branches of the Institute Final Examination 2024. (CPI 9.71)

#### **Gold Medals – 2024 for Under Graduate**

1. Gold Medal awarded to Mr. Vaibhav Kansal (Registration No. 20214225) of B.Tech. (Computer Science & Engineering) for standing first at B.Tech. Third Year Examination 2024. (CPI 9.68)
2. Gold Medal awarded to Mr. Aditya Raj (Registration No. 20223020) of B.Tech. (Computer Science and Engineering) for standing first at B.Tech. Second Year Examination 2024. (CPI 9.56)
3. Gold Medal awarded to Mr. Nishant Aggarwal (Registration No. 20224104) of B.Tech. (Electronics & Communication Engineering) for standing first at B.Tech. Second Year Examination 2024. (CPI 9.56)
4. Gold Medal awarded to Mr. Siddhant Prajapati (Registration No. 20231105) of B.Tech. (Civil

Engineering) for standing first at B.Tech. First Year Examination 2024. (CPI 9.83)

## 6.12 Implementation of National Education Policy 2020 in the Institute

NEP 2020 is an important milestone for transforming Young India to a strongest global economy meeting the aspiration of future generations.

The Institute has initiated reforms in line with NEP 2020 which are adaptable, thoughtful and resulting in value addition to the existing system. These administrative and academic reforms are growth driven, value oriented consciously rooted in our cultural heritage and aim to bring academic and research at par with international

standards. These transformations are evolved through various resolutions of Senate meetings, sensitization workshop, NEP Task Force discussions and its adaption by the Senate in its 75<sup>th</sup> meeting dated 30<sup>th</sup> September 2022 and final approval by the BOG through its 70<sup>th</sup> meeting on 28 Nov 2022.

The following are the major reforms that are implemented in the academic year 2022-23.

Six different variants of Bachelor of Technology programs are offered by the Institute. They are designated as Basic Degree viz. B. Tech., B. Tech. with Minor, B. Tech. Honours, B. Tech. Honours and Minor, B. Tech. with Research, and B. Tech. with Research and Minor.

**The associated degree nomenclature of each of the undergraduate programmes is given below:**

| Programme Type           | Degree nomenclature                                   |
|--------------------------|-------------------------------------------------------|
| Basic Degree             | B. Tech. (_____)                                      |
| Basic + Minor            | B. Tech. (_____ ) and Minor in (_____ )               |
| Basic + Honours          | B. Tech. Honours (_____ )                             |

| Basic + Research + Minor | B. Tech. (_____ ) with Research and Minor in (_____ ) |

### (A) Basic Degree viz. B. Tech.

Basic Degree viz. B. Tech. Programme refers to normal /regular B. Tech. Undergraduate Programme without any specialty, where a student needs to earn minimum required 160-170 credits relevant to her / his discipline.

### (B) B.Tech. Honours

B.Tech. (Honours) Programme refers to B.Tech. Undergraduate Programme with Honours indicating a higher quality and quantity of study in her / his own discipline. A student needs to earn additional 16-20 credits through specialized courses enhancing the professional competence and capabilities, above the minimum required credits for Basic Degree viz. B. Tech. degree, relevant to her / his discipline.

### (C) B.Tech. with Research

B.Tech. with Research Programme refers to B.Tech. Undergraduate Programme with Research where a student needs to earn additional 16-20 credits through Research / PG

level courses, above the minimum required credits for Basic Degree viz. B. Tech., relevant to her / his discipline enabling her / him to pursue M.Tech. in one year or direct admission in PhD Programme

### (D) Basic Degree viz. B. Tech./ B. Tech. Honours/ B. Tech. with Research, with Minor

Basic Degree viz. B. Tech./ B. Tech. Honours/ B. Tech. with Research, with Minor(s) programmes refer to B. Tech. Programmes undertaken by students with multidiscipline study of additional discipline(s), in addition to the discipline in which a student has been admitted. Opting for such additional Minor disciplines of study would be limited to two. For each of such Programmes with Minor, a student needs to earn additional 16-24 credits (for each minor) through prescribed courses related to the Minor, above the minimum required credits for B. Tech. degree relevant to her / his discipline

### B. Tech. Programme

The details of six variants of Basic B. Tech.

programmes offered by the Institute to the students are given below:

#### 4 Year B. Tech. Programmes

| Sl. No | Programme                      | Composition                  | Credit Distribution |       |         |          |         | Remarks                                                                                                                      |
|--------|--------------------------------|------------------------------|---------------------|-------|---------|----------|---------|------------------------------------------------------------------------------------------------------------------------------|
|        |                                |                              | Basic Degree        | Minor | Honours | Research | Total   |                                                                                                                              |
| 1      | B.Tech                         | B.Tech Regular               | 160-170             | -     | -       | -        | 160-170 | Course Structure in line with NEP 2020                                                                                       |
| 2      | B.Tech with Minor              | B.Tech + Minor               | 160-170             | 16-24 | -       | -        | 176-194 | Course Structure in line with NEP 2020 with multi-discipline learning and for additional skill-set                           |
| 3      | B.Tech Honours                 | B.Tech + Honours             | 160-170             | -     | 16-20   | -        | 176-190 | Basket of Honours Course Works in general to be independent of M.Tech Specialization but may also contain subjects of M.Tech |
| 4      | B.Tech Honours and Minor       | B.Tech + Honours + Minor     | 160-170             | 16-24 | 16-20   | -        | 192-214 |                                                                                                                              |
| 5      | B.Tech with Research           | B.Tech with Research         | 160-170             | -     | -       | 16-20    | 176-190 | Basket of Research Course Works invariably to be from M.Tech Specialization                                                  |
| 6      | B.Tech with Research and Minor | B.Tech with Research + Minor | 160-170             | 16-24 | -       | 16-20    | 192-214 |                                                                                                                              |

#### Corresponding Matrix for Course Category Nomenclatures along with details of associated credits

| Course Category Nomenclature                           | Courses                                               | Courses offered in 1 <sup>st</sup> Year as per 1 <sup>st</sup> Year Course Committee Recommendations             | Credits [1 <sup>st</sup> Year] | Total Credits for 4 Years with % |

**Salient Features of Recommended B.Tech 1<sup>st</sup> Year Course Structure & Curriculum as per FAP under NEP 2020**

- (i) Flexibility in course structure by making some of the course(s) common and some branch specific in B.Tech First year curriculum.

(ii) Reduction in total credits in each semester from 25-28 to 20-22 in B.Tech First year I/II Semester.

(iii) As per the mandate of the NEP 2020, the courses to be offered at B. Tech. 1<sup>st</sup> year are grouped into the following five categories:

a. **Professional competence enhancing course(s)** common to all/some branches [PCE] viz. English Language & Communication, AI & ML, Environment & Climate Change, Engineering Graphics, and Workshop.

b. **Core Engineering Foundation Course (s) [CEF]** viz. course(s) associated with Physics/ Chemistry/ Mathematics departments to be offered to various branches but with branch-specific titles and contents (as per the Fourth (4<sup>th</sup>) meeting of the Institute Implementation Committee on National Education Policy (NEP) – 2020;

c. **Core Engineering Supporting Course (s) [CES]** viz. course(s) to be offered by departments only to the students of other branches (Not for the students of the same department) for enhancement of core engineering competence of students.

d. **Core Engineering Essentials Course (s) [CEE]** viz. (i) Branch specific course (s) and (ii) Course(s) to be offered by departments only to some branches including its own branch students.

e. **Extra Academic Activity related courses [EAA]** including personality development, cultural and literary awareness, Indian knowledge Systems, professional ethics and value systems traditional arts and lokvidya, etc.

(iv) An earmarked engagement duration for various activities related to personality development, cultural awareness, Indian Knowledge Systems, traditional arts and lokvidya has been provided. These engagements will be compulsory credit courses spread judiciously over initial three years of the B.Tech Academic Curriculum.

These will be designed and scheduled beyond the regular academic engagements.

The “Extra Academic Activity” Course will include the following:

- Health Education & Personal Hygiene
- Nutrition and Balanced Diet
- Yoga
- Self Defense
- Training and practice in Sports and games based on one's own interest
- Training Methods in Physical Education
- Foreign Language/Ancient/Indian Languages etc.
- Traditional art and Lok Vidya such as Sculpture, Fine Art, Performing Art, Wood and Metal work, Folk Art and Culture, etc.
- NCC
- NSS
- Multimedia/Mass communication/Journalism
- Literary Skills and other similar courses

The student will choose one /two course works as per his/her choice of interest.

(v) The Engineering Graphics/Workshop may be offered to all the branches for the multidisciplinary/interdisciplinary engineering understanding however, if any department does not want to adopt this / these course(s) for the specific branch, the department may float branch specific course in its/their place.

(vi) In order to reduce redundant academic engagement and to make a course more comprehensive, practical engagement (wherever applicable) has been clubbed with its theory engagement.

(vii) Each department shall offer some Ancillary Technology Supporting Course to the students of other branches. The courses may be like Basics of Civil Engineering/ Basics of GIS and Remote Sensing/Basics of Electrical and Electronics Engineering /Introduction to Computer Programming/ Introduction of AI for Engineering Applications/ Engineering Mechanics/ Engineering Materials/Economics/Industrial Psychology/ Cognitive Science and

Psychology etc. The departments will identify the courses to be offered.

(viii) It is realized that the academic engagement of students in the branch specific courses from the very beginning will lead to higher motivation for innovation and research with maximum utilization of time and available resources by the students.

(ix) The proposed B. Tech. 1<sup>st</sup> Year Course Structure & Curriculum is designed for the 4 years B. Tech program which is a preferred option, since it provides an opportunity to students for a holistic and multidisciplinary education, in addition to a focus on the chosen major and minors as per their choices [ NEP2020-Clause 11.9].

(x) The 1<sup>st</sup> year B.Tech Program also accounts for branch sliding option. However, the student whose branch is changed because of branch sliding will be required to earn additional credits viz. credits over and above the total credit requirement of the associated branch specific programme for the left out courses, which the student will study to meet the academic requirements of completing the program. The credits earned in the B.Tech. I and II Semesters in the branch specific courses of previous branch viz. branch allotted in I year, will not be accounted for meeting the credit requirement of branch, after sliding.

## **2. Developing Centres of Excellence in Identified Thrust Areas**

The Senate has approved in principle the establishment of Centres of Excellence in various themes of NEP 2020. They include :

1. Indian Knowledge System
2. Indian Language Promotion I
3. Machine Learning and Robotics

4. Skill Development and Start up Promotion
5. Environment, Climate Change and Sustainability Studies
6. Disaster Management
7. Technology Applications in Rural Society
8. Sustainable Energy

## **3. Capacity Building and Resource Sharing Initiatives**

- All the departments/ cell/ school are requested to prepare a list of equipment/ facilities/ computing facilities/ software etc. alongwith their specific applications[in use /potential use ] and making them available on institute web portal for public awareness .
- Mandating optimum utilization of available resources and exploring the possibility of potential sharing & industrial/ academic collaborations.
- Departments are requested to prepare a list of distinguished alumni under different categories such as International/ Industry/ Academia/ Administration/ Public Service/ Defence Services/Social Sector/NGOs etc, for appropriate interaction with them.
- MOUs with various academic/ industrial/ research/ social institutions and organizations are initiated for vertical and horizontal integration for resources and knowledge sharing at local, regional, national and international level.

## **4. Bringing amendments in Existing Ordinances for ease of business**

The Ordinances of various academic programmes have been amended to ensure flexibility, clarity and augmented support for economical, regional and social inclusiveness and to reduce stress level amongst students for academics related matters.

---

## RESEARCH AND DEVELOPMENT ACTIVITIES

---

- 7.1 Research and Consultancy (R&C) Cell
- 7.2 Research Projects
- 7.3 Consultancy Projects
- 7.4 Institute Industry Interaction (III) Cell
- 7.5 Institute Innovation Council [IIC]

## 7.1 RESEARCH AND CONSULTANCY (R&C) CELL

Knowledge of latest research innovations is the key for developing the technical manpower of the nation. With this motto, the Research and Consultancy Cell at this Institute has grown significantly. Our faculty members & researchers are actively participating in Research and Development projects. Institute faculty provides a variety of consultancy and testing services to various public and private industries and also to construction departments of the State and the Central Governments. The Institute is well-endowed with high-quality equipment and advanced computing facilities. International collaborations with some leading universities and industries by the Institute provide an exciting platform for generating ideas and concepts, which are required for meaningful research.

Over the last decade, rapid advancement in computational power coupled with availability of high-end, low-cost software, has contributed largely to the development of Research and Consultancy in different areas at this Institute. These developmental research-oriented activities have made a significant contribution in enriching researchers by sharing of knowledge of theory and fundamentals through mutual interactions by way of consultancy and testing projects.

Some of the activities of the Research and Consultancy Cell of the Institute are:

| Sl.No. | Activities                                                                                          |
|--------|-----------------------------------------------------------------------------------------------------|
| 1.     | To frame and revise rules for Research & Consultancy.                                               |
| 2.     | To provide support for Testing and Consultancy services received to the Institute /Faculty Members. |
| 3.     | To provide guidance for submitting sponsored research proposals to funding agencies.                |
| 4.     | Recruitment and management of project staff.                                                        |
| 5.     | Support for special lectures of Academic, Research and Industrial relevance for latest knowledge.   |
| 6.     | Managing Institute funded research projects for newly joined faculty members.                       |

## 7.2 RESEARCH PROJECTS

The Institute receives a large number of research projects from various funding agencies/ organizations including SERB/ANRF, BNRS, DST, DBT, CSIR, ICSSR, CST Lucknow, DRDO, AR & DB, ISRO, MNRE, MoE, UPPCB, Deity/ Meity etc. and recently from CSIRO (Common wealth Scientific and Industrial Research Organization- Australia), Emami etc. The Institute has recorded a total 92 numbers of ongoing externally funded Research Projects by Indian Organizations/Institutions having overall sanctioned cost of Rs. 27,16,47,416/- and 1 from CSIRO having cost of the project is AUD 50000 (amount transferred to the Institute worth of Rs. 27,28,114/-). Out of total 92 ongoing projects, 28 nos of the new projects were sanctioned during the financial year 2024-25 for costing of Rs. 7,68,95,715/-. A total Number of 11 projects were completed in the financial year 2024-25. Details attached as per **Annexure-6 (1, 2, 3 &4)**.

## 7.3 CONSULTANCY PROJECTS

The Institute allows consultancy projects from various Government, Private, Multinational Companies and Non-Government Organizations through faculty members. The Consultancy project fee is distributed on sharing basis. In this financial year the Institute received consultancy projects from various clients such as Irrigation Dept, U. P. Jal Nigam, U. P. Nagar Nigam, Rites, Allahabad Development Authority, Power Grid Corporation Ltd., Ganga Pollution Control Unit, UP Project Corporation Ltd. and many others. A total 476 number of consultancy projects have been received during the financial year 2024-25 having overall a total fee of Rs. 10.95 crore (approx). Details attached as per **Annexure-7**.

## 7.4 INSTITUTE INDUSTRY INTERACTION (III) CELL

Institute Industry Interaction (III) Cell organized an Invited lecture delivered by Mr. Sabyasachi Das, Chief Officer, Medi Buddy on "The Power of Project-based Skills" was organized by the Institute Industry Interaction (III) Cell on February 10, 2024 in online mode for students and faculty members.

## 7.5 INSTITUTE INNOVATION COUNCIL (IIC)

Government of India has established Innovation Cell to systematically foster the culture of

Innovation amongst all Higher Education Institutions under the scheme an Institute Innovation Council is established.

### Event Organized by Institute Innovation Council [IIC]

| Sl.No. | Date                        | Event                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

## FACULTY ACHIEVEMENTS

---

- 9.1 Department of Applied Mechanics
- 9.2 Department of Biotechnology
- 9.3 Department of Civil Engineering
- 9.4 Department of Chemical Engineering
- 9.5 Department of Chemistry
- 9.6 Department of Computer Science & Engineering
- 9.7 Department of Electrical Engineering
- 9.8 Department of Electronics & Communication Engineering
- 9.9 Geographic Information System Cell
- 9.10 Department of Humanities & Social Sciences
- 9.11 Department of Mathematics
- 9.12 Department of Mechanical Engineering
- 9.13 Department of Physics
- 9.14 School of Management Studies

## 9.1 DEPARTMENT OF APPLIED MECHANICS

### Vision:

To be at the forefront of creation and dissemination of knowledge and technology in the multidisciplinary fields of Engineering Mechanics and Materials towards solving the challenges and needs of the discipline and the society.

### Mission:

To create and disseminate knowledge resource and sustainable technology through research and innovation in emerging Technological domains.

To nurture value-based leaders in the Engineering Mechanics, Materials and allied areas capable of solving the challenges and needs of the discipline and the society.

### List of Laboratories:

1. Advance Solid Mechanics Research Laboratory
2. Fluids Research Laboratory
3. Fluids Engineering Laboratory
4. Materials Research Laboratory
5. Biomedical Engineering Laboratory
6. Materials Development Laboratory
7. Computational Laboratory
8. Structural Analysis Laboratory
9. Strength of Materials Laboratory
10. Materials Science and Engineering Laboratory

11. Compressible Flow Laboratory
12. Fluid Mechanics and Hydraulics Laboratory
13. Vibration Laboratory
14. Dynamics of Machines Laboratory
15. AMD Workshop
16. Engineering Mechanics Laboratory
17. Robotics Laboratory
18. DST-FIST Computational Laboratory
19. Non-Destructive Testing Laboratory
20. Experimental Solid Mechanics Laboratory
21. Experimental Stress Analysis Laboratory

### Courses Run by Department:

1. B.Tech. Engineering and Computational Mechanics.
2. B.Tech. Materials Engineering
3. M.Tech. Biomedical Engineering
4. M.Tech. Engineering Mechanics and Design.
5. M.Tech. Fluids Engineering.
6. M.Tech. Material Science and Engineering.
7. Ph.D. in Applied Mechanics.

### Courses in which students were admitted during 04/2024 – 03/2025:

1. B.Tech. Engineering and Computational Mechanics.
2. M.Tech. Biomedical Engineering.
3. M.Tech. Engineering Mechanics and Design.
4. M.Tech. Fluids Engineering.
5. M.Tech. Materials Science and Engineering.
6. Ph.D. in Applied Mechanics.

### List of Ph.D. Thesis Completed

| Sl. No. | Name of Student           | Reg. No.  | Thesis Title                                                                                   | Thesis Supervisor(s)                        |
|---------|---------------------------|-----------|------------------------------------------------------------------------------------------------|---------------------------------------------|
| 1.      | Mr. Pravin Kumar Shukla   | 2015RAM07 | CFD Analysis of Axial Flow Left Ventricular Assist Devices                                     | Prof. R. P. Tewari                          |
| 2.      | Mrs. Shalini Verma        | 2018RAM02 | Multi-modal Studies of Horizontal Axis Wind Turbine for Sustainable Application                | Dr. A. R. Paul                              |
| 3.      | Mr. Akhileshwar Pandey    | 2015RAM07 | Impact and Post-impact behaviour of Single and Multi-core Honeycomb Composite Sandwich Pannels | Dr. A. K. Upadhyay<br>Prof. K. K. Shukla    |
| 4.      | Mr. Sangharsh Kumar Singh | 2016RAM04 | Experimental and Numerical Studies on Crash worthiness of Thin-Walled Grooved Tubes            | Prof. Ramesh Pandey &<br>Dr. A. K. Upadhyay |
| 5.      | Mr. Vipin Kumar           | 2018RAM04 | Modelling and Performance Analysis of Human Implants using Machine Learning                    | Prof. R. P. Tewari &<br>Dr. Anubhav Rawat   |
| 6.      | Mrs. Sarita               | 2020RAM07 | Synthesis and Characterization of Chitosan                                                     | Prof. R. P. Tewari                          |

|     |                     |           |                                                                                                                                                   |
|-----|---------------------|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------|
|     |                     |           | based Injectable Hydrogels for Biomedical & Dr. A. K. Rai Engineering Applications                                                                |
| 7.  | Mr. Saurabh Kureel  | 2018RAM01 | Crashworthy Behaviour of Composite Tubes Dr. V. Murari with Different Ply-Drop/Discontinuity Configurations                                       |
| 8.  | Ms. Divya Pandey    | 2017RAM01 | Design, Material Selection & Additive Prof. Ramesh Manufacturing of Ankle-Foot Orthotic (AFO) Pandey & Device Prof. R. P. Tewari                  |
| 9.  | Ms. Nidhi Devi      | 2016RAM01 | Analysis of Piezo-Laminated Stiffened Plates for Dr. Anindya Bhar & Smart Structures using Isogeometric Finite Prof. Ramesh Element Method Pandey |
| 10. | Mr. Hariom Upadhyay | 2017RAM04 | Study on Enhancement of Mechanical Dr. Ajaya Bharti Properties of Magnesium AZ91 Alloy by Friction Stir Processing                                |
| 11. | Mr. Prashant Sharma | 2015RAM53 | Studies on Heat Transfer and Frictional Dr. Vivek Kumar Characteristics of Turbulent Decaying Flow in Patel Heat Exchanger Tube                   |

## 9.2 DEPARTMENT OF BIOTECHNOLOGY

### Vision:

The biotechnology program vision is to provide quality teaching with a strong core science concept and an application-oriented undergraduate and post-graduate education along with solid foundation in the rapidly expanding fields of biotechnology that enable them to produce high quality professionals. Our goal is to provide students with a sound knowledge and understanding of current theories, concepts and laboratory practices in biotechnology.

### Mission:

To generate high quality engineering professionals by offering UG (B.Tech.) and PG (M.Tech.) & Ph.D. programmes in Biotechnology and to develop a premier biotechnology teaching and research department to cater the needs and challenges of the region and the country.

### List of Laboratories:

1. Biotechnology Laboratory-1
2. Biotechnology Laboratory-2
3. Biotechnology Laboratory-3
4. Bioinformatics Laboratory
5. Green house Laboratory
6. Experimental field
7. Autoclaving and sterilization Laboratory

### Courses run by Department:

1. B. Tech.
2. M. Tech.
3. Ph. D.

### Courses in which students were admitted during 04/2024 - 03/2025:

1. B. Tech.
2. M. Tech.
3. Ph.D.

### List of Ph.D. Thesis Completed

| Sl.No. | Name of Student       | Reg. No.  | Title                                                                                                                                                                                      | Supervisor(s)              |

Production and therapeutic applications                    | Springer Nature John Wiley  |

### Invited Lectures Delivered

1. A lecture delivered by Prof. Sangeeta Negi, Enzyme Technology: Advancement in Biofuels Production & Biomass Based Biorefinery, Refresher Course on Contemporary Trends in Bio-Sciences at the UGC-MMTTC, Kumaun University, Nainital, Refresher Course on Contemporary Trends in Bio-Sciences at the UGC-MMTTC, Kumaun University, Nainital, 25.02.2025-10.03.2025.
2. A lecture delivered by Prof. Sangeeta Negi, Solid Waste: Characterization and Management, Advanced Entrepreneurship & Skill Development Program (E-SDP), IIT Kharagpur, 12 to 16 February 2025.
3. A lecture delivered by Dr. Nand Kumar Singh Phenotypic characterization and gene mapping of novel early rice flowering mutants during floral transition, and seed formation, Events Organized by Department two days training and workshop under SSR activity in CRG Project, November 4-5, 2024.
4. Dr. Ashutosh Mani, Natural Ligands as Inhibitors of  $\beta$  Secretase-1: Identifying Alzheimer's Disease Therapeutics Through in Silico Approach, National Conference On "Advanced Biotechnology and Biosystem" (NC-ABB 2024) organized by Department of Biotechnology, D.D.U. Gorakhpur University.
5. Dr. Radha Rani Mewaram, 'Microbial Fuel Cells: Advances in electrode modification using nano-composites', National symposia on Women in science and Technology, organized by B.S.A.R. Crescent Institute of Science and Technology, in association with Nano and Biomaterials Association (NBA), and Biotech Society of India (BRSI) on 03.08.2024.
6. Dr. Radha Rani Mewaram, 'Harnessing green energy from waste water: Advances in Microbial Fuel cells' National symposia on World Biofuel Day, organized by Sharda University, Agra on 10.08.2024.
7. Dr. Ambak Kumar Rai, Delivered an invited lecture on 'Human endogenous retrovirus mediated regulation of immune response' at 51st Immunocon, Annual Meeting of Indian Immunology Society, 51<sup>st</sup> Immunocon, Annual Meeting of Indian Immunology Society during 17-20 October 2024 at IISc Bangalore. (Please mention name of Lecture.
8. Dr. Girijesh Kumar Patel, Exosomes in Cancer: Messengers of pathogenesis and tools for therapy, Department of Biotechnology, School of Bio Sciences and Technology (SBST), VIT Vellore 632014, Tamil Nadu, India.
9. Dr. Girijesh Kumar Patel, Gallbladder Cancer in Northern India: Risk Factors, Regional Trends and Gender Disparities YN College, Jai Prakash University, Chhapra, Bihar during the state seminar.
10. Dr. Girijesh Kumar Patel, Cancer development, progression, diagnostic & preventive measures Guru Ghasidas Vishwavidyalaya, Bilaspur 495009, Chhattisgarh, India.
11. Dr. Girijesh Kumar Patel, Cell secreted small nano vesicle (exosomes) in intercellular communication and Therapeutics: Challenges and New Directions "during a workshop organized Department of Chemical Engineering, on Micro-Fabrication and Biosensors: Advances in Diagnostics Indian Institute of Technology (IIT) Jammu.
12. Dr. Girijesh Kumar Patel, Patient's Serum-derived Exosomal miR-122-5p may serve as a Biomarker for Gallbladder Cancer, during Pan-IIT Meet at IIT Kanpur.
13. Dr. Girijesh Kumar Patel, Patient's serum-derived exosomal contents may serve as a non-invasive marker development of Gallbladder Cancer during the national conference at DDU Gorakhpur University, Gorakhpur (UP).
14. Dr. Girijesh Kumar Patel, Gall bladder cancer: cause, prevention, and challenges in clinical management an international conference at TPS College at Pataliputra University, Patna.
15. Dr. Girijesh Kumar Patel, Exosomes in Cancer Progression, Diagnostic and Therapeutic at the

Indian Institute of Technology (IIT) BHU, Varanasi.

resistance, at Department of Biotechnology, DDU Gorakhpur University.

16. Dr. Girijesh Kumar Patel, Role of TBX2 in prostate cancer progression and Therapy

#### Events Organized by Department

|     |                          | Development of a co-culture strategy for enhanced production of streptomycin using a hollow fiber membrane bioreactor                                                | SERB                                                  | Rs. 28.00 Lakhs | Completed |
| 14. | Dr. Girijesh Kumar Patel | Role of TBX2 and other driver genes in Biliary Tract Cancer(Cholangiocarcinoma)                                                                                      | Intramural Grant from MNNIT Allahabad                 | Rs. 5.00 Lakhs  | Ongoing   |
|     |                          | Assessment of patient-derived exosomal contents and computational analysis: Implications in early diagnosis, risk assessment for pancreaticobiliary cancer in India. | DBT, Ministry of Science & Technology, Govt. of India | Rs.113.60 Lakhs | Ongoing   |

### 9.3 DEPARTMENT OF CIVIL ENGINEERING

#### Vision

The Department of Civil Engineering is committed towards the excellence in education, research, and professional development of the students, faculty members, and staff so as to enable them to productively contribute towards the sustainable development and advancement of our country.

#### Mission

- To educate students who will employ their knowledge, skill and innovation to excel as Civil Engineers and contribute fruitfully towards the development of our country.
- To carry out productive research in order to discover and develop new knowledge and sustainable technologies that improves the practice of engineering in service to society.
- To serve and improve the Institute, the Civil Engineering Profession, and society at large.

#### List of Laboratories:

1. Structural Engineering Laboratory
2. Geotechnical Engineering Laboratory
3. Environmental Engineering Laboratory
4. Transportation Engineering Laboratory
5. Survey Laboratory

6. CAD Laboratory
7. Geology Laboratory
8. Water Resources & Engineering Laboratory

#### Courses run by Department

1. B. Tech in Civil Engineering
2. M.Tech in Civil Engineering (Structural Engineering)
3. M.Tech in Civil Engineering (Geotechnical Engineering)
4. M.Tech in Civil Engineering (Environmental Engineering)
5. M.Tech in Civil Engineering (Transportation Engineering)
6. Ph.D. in Civil Engineering

#### Courses in which students were admitted during 04/2024-03/2025.

1. B. Tech course in Civil Engineering
2. M.Tech course in Civil Engineering (Structural Engineering)
3. M.Tech course in Civil Engineering (Geotechnical Engineering)
4. M.Tech course in Civil Engineering (Environmental Engineering)
5. M.Tech course in Civil Engineering (Transportation Engineering)
6. Ph.D. in Civil Engineering

#### List of Ph.D. Thesis Completed

| Sl.No. | Name of Student    | Reg. No.  | Title                                                                                                 | Supervisor(s)       |
|--------|--------------------|-----------|-------------------------------------------------------------------------------------------------------|---------------------|
| 1.     | Vishal Kumar Singh | 2021RCE19 | Soil loss estimation & Watershed Management in Mahoba District of Bundelkhand Region of Uttar Pradesh | Prof. H. K. Pandey  |
| 2.     | Arun Singh Chahar  | 2019RCE07 | Effects of Admixtures on the Properties of High-Performance Concrete                                  | Dr. Priyaranjan Pal |
| 3.     | Kushlendra Lal     | 2019RCE01 | Evaluation of Deterioration and Repair of                                                             | Dr. Anupam Rawat    |

**Total No. of M.Tech. Thesis Completed in Civil Engineering : 66**

**Publication in International Journals**

#### Invited Lectures Delivered

- Delivered an Expert talk by Ram Pal Singh as Chief Guest on "Ozone layer depletion, its consequences on environmental quality and its present status", Invited by UPPCB Regional Officer, Jhansi, Prayagraj, on 'Worlds Ozone Day 2024', held on 16.09.2024, held at Conference Hall of Sai Shirdi Electricals limited industry, Naini, Allahabad, Prayagraj.
- Invited Lecture by Prof. Kumar Venkatsh on "Geotechnical Aspects of Foundations for Over Head Tanks" under Residential Training Programme on "Construction Management & Quality Control in Water Supply and Grey Water

Management System Projects" MNNIT Allahabad, April 2024.

#### Expert Lectures Delivered

- Dr. Mantu Majumder delivered an expert lecture on "Axial response of under-reamed pile foundations in nonhomogeneous clayey soil" in the workshop titled "Recent Trends and Future Scope in Civil Engineering (RTFSCE-2024)" held on September 9-13, 2024, organized by CED, NIT Jamshedpur.
- Dr. Mantu Majumder delivered an expert lecture on "Can under-reamed pile be a sustainable foundation?" in the workshop titled "Role of Geotechnical Engineering in Developing Smart Cities and Sustainable Infrastructure (Geo

- Smart-2025)" held on February 14-18, 2025, organized by Department of Civil Engineering, MNNIT Allahabad and Indian Geotechnical Society Allahabad Chapter, Prayagraj.
3. Dr. Priyaranjan Pal delivered an expert lecture on Sustainable Materials for Concrete Mix in a short-term course on "Advanced Materials for Sustainable Infrastructure (AMSI-2025)" January 27-31, 2025, CED, MNNIT, Allahabad.
4. Prof. Kumar Venkatesh delivered an expert lecture on "Sustainability in Geotechnical Engineering" in a workshop on "Role of Geotechnical Engineering in Developing Smart Cities and Sustainable Infrastructure" at MNNIT Allahabad during February 17, 2025.

| 6.      | Dr. Binit Kumar (PI) & Dr. H. K. Pandey (Co-PI) | Piano Key Weir as an Innovative Technique for Flood Management and Irrigation in Alluvial Rivers and Canals.                                    | DST (SERB), Govt. of India              | Rs. 41.60 Lakhs | Ongoing  |

### Other Information

1. Acted as Member of Scrutiny Committee and EVC meetings nominated by AICTE New Delhi and attended several meetings since several meetings from February 2024 onwards during FY 2024-25 (Ram Pal Singh).
2. Acted as Expert member of the Selection Committee of faculty members at Uttarakhand Technical University, Dehradun Uttarakhand during the year 2024 (Ram Pal Singh).
3. Acted as Member of EVC Committee meetings nominated by Western Region AICTE Kerala and attended a meeting on April 28, 2024. (Ram Pal Singh).
4. Served as Expert in selection of Professor and Associate Professor at Shuats, Naini, Prayagraj in the Department of Environmental Science and NHRM, on October 01, 2024. (Ram Pal Singh).
5. Interacted with officials of Hindalco Industries Limited, Unit- Birla Copper, Dahej, Distt. Bharuch, Gujrat for Compliance Audit of Fly ash generation and Utilization for FY- 2023-24, During October 17-20, 2024. (Ram Pal Singh).
6. Prof Kumar Venkatesh is Chairman, Indian Geotechnical Society, Allahabad Chapter, Prayagraj.
7. Prof Kumar Venkatesh is Elected Executive Committee Member, IEI, Prayagraj Local Centre from November 2024.
8. Prof Kumar Venkatesh is Executive Committee Member, MNNIT Alumni Association from November.

### 9.4 DEPARTMENT OF CHEMICAL ENGINEERING

#### Vision

To educate undergraduate and graduate students by offering solid foundation in both theoretical and applied aspects of Chemical Engineering and to discover and disseminate knowledge through research.

#### Mission

The Department is committed to achieving excellence in education, and evaluates the success of its programs using the highest standards of quality & visibility by providing a

friendly and conducive atmosphere. Our goal is to provide strong fundamentals complemented by professional skills including communication to the students.

#### List of Laboratories

1. Mass Transfer Laboratory
2. Chemical Technology Laboratory
3. Environmental Laboratory
4. Process Dynamics & Control Laboratory
5. FPM & MO Laboratory
6. Chemical Reaction Engineering Laboratory
7. PG Analytical Laboratory
8. CAD Laboratory

#### Courses run by Department:

1. B. Tech. (Chemical Engineering)
2. M. Tech. (Chemical Engineering)
3. Ph.D. (Chemical Engineering)

#### Courses in which students were admitted during 04/2024 – 03/2025:

1. B. Tech. (Chemical Engineering)
2. M. Tech. (Chemical Engineering)
3. Ph.D. (Chemical Engineering)

#### Publication in International Journals

1. S. P. Tekade, P. P. Gugale, M. L. Gohil, S. H. Gharat, T. Patil, P. K. Chaudhari, D. S. Patle and A. N. Sawarkar, Pyrolysis of waste polyethylene under vacuum using zinc oxide. In Energy Sources, Part A: Recovery, Utilization, and Environmental Effects, 47 (1), 3597-3610, 2025.

### Invited Lectures Delivered

- Dr. Dipesh S. Patle, Invited speaker for a 2-day Workshop on "Chemical and Petrochemical Safety", organized by CIPET Lucknow, on Feb 6-7, 2025.
- Dr. Dipesh S Patle, Invited talk on "Machine Learning in Chemical Engineering" at Universiti Sains Malaysia (USM) on Feb 19, 2024.
- Prof. Sadhana Sachan, Invited talk on "Innovation in sustainable polymers" at School of Chemical Technology, Dept. of Plastic Technology, HBTU Kanpur on Sept. 19, 2024.
- Dr. Ashish N. Sawarkar, Invited talk on "Synergistic Effect of Co-gasification of Biomass and Petroleum Coke: Case Study of Millet Agro-residue and Petroleum Coke" in International Conference on Innovations in Biotechnology for Sustainability" (IBS-2024) organized by School of Biotechnology, Jawaharlal Nehru University (JNU), New Delhi,

- India and BRSI, held during November 22-25, 2024 at Jawaharlal Nehru University, New Delhi.
- Dr. Ashish N. Sawarkar, Invited talk on “Recent Trends and Future Perspectives on Co-gasification of Petroleum Coke and Biomass” in the 4th International Symposium on Analytical and Applied Pyrolysis (PYROASIA 2024), a flagship annual event of Pyro Asia Forum, organized by IIT Guwahati and Frontier Laboratories, Japan, held during November 28-29, 2024 at IIT Guwahati.
  - Dr. Ashish N. Sawarkar, Invited talk on “Co-pyrolysis of biomass and vacuum distillation residue from petroleum refinery for efficient energy recovery from biomass” in the IX International Conference on “Sustainable Energy and Environmental Challenges” (IX SEEC) organized by IIT Mandi Catalyst, Indian Institute of Technology Mandi, India Under the auspices of International Society for Energy, Environment and Sustainability (ISEES) during December 13-15, 2024.

#### Events Organized

- Dr. Harinder Singh, Coordinator, International Conference on Health and Agricultural Biotechnology: Inter-disciplinary Trends (HABIT-2025), organized by the Department of Biotechnology, MNNIT Allahabad, Prayagraj.

#### Events Attended

#### Other Relevant Information

- Dr. Ashish N. Sawarkar served as a Session Chair of one of the Technical Sessions of the International Conference on “Innovations in Biotechnology for Sustainability” (IBS-2024) organized by School of Biotechnology, Jawaharlal Nehru University (JNU), New Delhi, India and BRSI, held during November 22-25, 2024 at Jawaharlal Nehru University, New Delhi.

2. Dr. Ashish N. Sawarkar served as a Session Chair of one of the Technical Sessions of the IX International Conference on “Sustainable Energy and Environmental Challenges” (IX SEEC) organized by IIT Mandi Catalyst, Indian Institute of Technology Mandi, India Under the auspices of International Society for Energy, Environment and Sustainability (ISEES) during December 13-15, 2024.
3. Dr. Ashish N. Sawarkar served as a Session Coordinator of one of the Technical Sessions of International Conference on Health and Agricultural Biotechnology: Interdisciplinary Trends (HABIT-2025), organized by Department of Biotechnology, MNNIT Allahabad, Prayagraj, India during February 28-March 2, 2025.
4. Dr. Harinder Singh served as a Session Chair of one of the Technical Sessions of International Conference on Health and Agricultural Biotechnology: Interdisciplinary Trends (HABIT-2025), organized by Department of Biotechnology, MNNIT Allahabad, Prayagraj, India during February 28-March 2, 2025.

#### **Award and Honors:**

1. Dr. Ashish N. Sawarkar featured in the list of World's Top 2% Scientists, created by Stanford University, United States of America and published by Elsevier, for the year 2024.

#### **Award and Honors to the students:**

1. Mr. Saurav Kandpal [M.Tech. (2023-24)] (Reg. No. 2022CL02), who worked under the guidance of Dr. Ashish N. Sawarkar, was adjudged with the Best M.Tech. Thesis Award for the thesis titled “Prediction of Biochar Yield and Higher Heating Value from Biomass Pyrolysis through Machine Learning”; in the 4<sup>th</sup> International Symposium on Analytical and Applied Pyrolysis (Pyroasia 2024), a flagship annual event of Pyro Asia Forum, organized by IIT Guwahati, India and Frontier Laboratories, Japan, held during November 28-29, 2024 at IIT Guwahati.
2. Mr. Saurav Kandpal [M.Tech. (2023-24)] (Reg. No. 2022CL02), who worked under the guidance of Dr. Ashish N. Sawarkar, was awarded with the Ambuja's Young Researcher's Award [2024] for doing post-graduate studies in India after GATE Examination for the thesis titled “Prediction of

Biochar Yield and Higher Heating Value from Biomass Pyrolysis through Machine Learning”; by the Indian Institute of Chemical Engineers (IICChE), Kolkata during inaugural function of the 77<sup>th</sup> Annual Session of IICChE, Indian Chemical Engineering Congress (CHEMCON-2024) held at Dr. B. R. Ambedkar National Institute of Technology Jalandhar, Punjab, India during December 27-30, 2024.

3. Mr. Saurav Kandpal, Ph.D. scholar (Reg. No. 2024RCL02), who is working under the guidance of Dr. Ashish N. Sawarkar, was adjudged with the HABIT-2025 Young Researcher Award for the paper titled “Hydrogen-rich syngas production through co-gasification of biomass and petcoke in a horizontal tubular furnace and modeling the intricate process through machine learning” authored by Saurav Kandpal, Mohammad Anas, Suantak Kamsonlian, and Ashish N. Sawarkar, in the session “Interdisciplinary approaches in Health, Food, Agriculture, and Environment” of International Conference on Health and Agricultural Biotechnology: Interdisciplinary Trends (HABIT-2025), organized by BTU, MNNIT Allahabad, Prayagraj, India during February 28-March 2, 2025.

### **9.5 DEPARTMENT OF CHEMISTRY**

#### **Vision**

To develop proper infrastructure and methodology for producing resource personnel through UG/PG/Doctoral programmes in chemical sciences.

#### **Mission**

To provide high-quality education and training in chemical sciences to engineering and science graduates in tune with the contemporary global developments.

#### **List of Laboratories**

1. Undergraduate Laboratory.
2. Research Laboratory.

#### **Courses Run by Department:**

1. Engineering Chemistry-I (CYN11501)/(CYN12501)
2. Engineering Chemistry-II (CYN11502)/(CYN12502)

**Courses in which students were admitted during 04/2024 - 03/2025:**

1. Engineering Chemistry-I  
(CYN11501)/(CYN12501)
2. Engineering Chemistry-II  
(CYN11502)/(CYN12502)

Illuminating Advances: Photochemistry and Photophysics of NHeterocyclicCarbenes (NHCs) and Its Structural Correlation; Publisher: IntechOpen Limited (London). 16 April 2024. Book Title: Revolutionizing Energy Conversion – Photo electrochemical Technologies and Their Role in Sustainability. Editors: Dr. Mahmoud Zendeheel, Dr. Narges Yaghoobi Nia and Prof. Mohamed Samer.

**9.6 DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**

**Vision**

The Computer Science and Engineering Department of Motilal Nehru National Institute of Technology Allahabad would continue to provide leading programs in the field of computing. The graduates produced would be globally recognized as innovative and well-prepared computing professionals. These graduates would be leaders and innovators in the industry, education, and other walks of social life. The faculty working in the department would influence the national and international agenda through quality in teaching and research. Department would strive for inter-disciplinary pursuits that reinforces the impact of computation in other disciplines.

**Mission**

To offer high quality undergraduate and graduate programs, to train the students in different aspects of computing discipline and to

offer other training programs to enhance, augment, and/or update technical skills of stakeholders. To provide a learning environment that helps students to be successful in their professional lives and to prepare students to be lifelong learners by offering a solid theoretical foundation in computing along with applied computing experiences and educating them about their professional, and ethical responsibilities. To have high quality faculty and staff with an appropriate know how and degrees with a commitment to remain professionally advanced through ongoing research and professional development programs. To attract and retain a diverse and multicultural population of student, faculty, and staff.

#### List of Laboratories:

1. Computing Lab.
2. Database/Data Mining Lab.
3. SOA/Distributed Computing Lab./Cisco.
4. Embedded System/Real Time System Lab.
5. Computer Architecture/Microprocessor Lab.
6. Computer Network/Wireless Network Lab.
7. Image Processing/Computer Vision Lab.

8. Software Testing Lab.
9. Verification & Validation Lab.
10. Artificial Intelligence/Machine Learning Lab.

#### Courses Run by Department:

1. B. Tech. in Computer Science & Engineering.
2. M.Tech. in Computer Sc. & Engineering.
3. M. Tech. in Computer Science & Engineering. (Specialization in Artificial Intelligence and Data Science)
4. M. Tech. in Information Security.
5. Master in Computer Application.
6. Ph.D. in Computer Science & Engineering.

#### Courses in which students were admitted during 04/2024 - 03/2025:

1. B. Tech. in Computer Science & Engineering.
2. M.Tech. in Computer Sc. & Engineering.
3. M. Tech. in Computer Science & Engineering. (Specialization in Artificial Intelligence and Data Science)
4. M. Tech. in Information Security.
5. Master in Computer Application.
6. Ph.D. in Computer Science & Engineering.

#### List of Ph.D. Thesis Completed

| Sl.No. | Name of Student       | Reg. No.  | Thesis Title                                                                                                           | Thesis Supervisor(s)    |
|--------|-----------------------|-----------|------------------------------------------------------------------------------------------------------------------------|-------------------------|
| 1.     | Ms. Eva Patel         | 2015RCS54 | Host Load Prediction Techniques for Efficient Capacity Planning of Cloud Data Center Servers                           | Prof. D. S. Kushwaha    |
| 2.     | Ms. Supriya Agrahari  | 2018RCS09 | Concept Drift detection and adaptation in data streams                                                                 | Prof. Anil Kr. Singh    |
| 3.     | Ms. Pooja Verma       | 2019RCS02 | Fire and Smoke Images Classification using Deep Learning Models                                                        | Dr. Rajitha B.          |
| 4.     | Ms. Sakshi Srivastava | 2017RCS03 | Big data analysis using graph database for fraud detection & reduction                                                 | Prof. Anil Kr. Singh    |
| 5.     | Mr. Rajit Ram Yadava  | 2013RCS04 | Efficient data aggregation techniques and load balancing for wireless sensor networks                                  | Dr. Ranvijay            |
| 6.     | Mr. K. Vinod Kumar    | 2012RCS58 | Enhanced Real-time Energy Aware Scheduling in Multicore Cloud Environment                                              | Dr. Ranvijay            |
| 7.     | Ms. Nisha Pal         | 2016RCS05 | A Methodology for Software Construction and Evolution in an Untrusted Environment                                      | Prof. D. K. Yadav       |
| 8.     | Ms. Naziya Aslam      | 2019RCS52 | Intelligent Detection and Mitigation of DDoS attack in SDN                                                             | Dr. Shashank Srivastava |
| 9.     | Ms. Sakshi Aggarwal   | 2019RCS51 | Multi-operator Differential Evolution Algorithm for Solving Single-objective and Multi-objective Optimization Problems | Dr. Sarsij Tripathi     |
| 10.    | Mr. Praveen Kumar     | 2013RCS03 | Parallel processing of large graphs                                                                                    | Prof. Anil Kr. Singh    |

|     |                      |           |                                                                                                                         |                                               |
|-----|----------------------|-----------|-------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------|
| 11. | Mr. Sharad Nigam     | 2017RCS11 | Weight Sensor Based Solutions for Railway Signalling and Tack Maintenance                                               | Dr. Divya Kumar                               |
| 12. | Mr. G. V. Eswara Rao | 2020RCS03 | Respiratory Disease Detection Based on Quantum Machine Learning Models Using Medical Digital Chest X-ray Images         | Dr. Rajitha B.                                |
| 13. | Ms. Medha Kirti      | 2020RCS10 | Some Observations on Fault-Tolerance Approaches for Task Allocation of Deadline-Constrained Tasks in Cloud Environments | Dr. Ashish Kumar Maurya and Prof. R. S. Yadav |
| 14. | Ms. Niharika Keshari | 2018RCS10 | Efficient Resource Allocation and Stable Path Selection for Task Offloading with Privacy Preservation in VFC            | Dr. Dinesh Singh                              |
| 15. | Mr. Ravi Prakash     | 2014RCS53 | Towards Better Scheduling Approaches in Cloud Computing                                                                 | Dr. Ranvijay                                  |

| 1.     | Dr. Ashish Kumar Maurya | Expert lecture on "Cloud Security" in One Week Hands-on Workshop on Tools and Techniques for Information and Cyber Security (TICS-2024) | Organized by Department of Computer Engineering, NIT Kurukshetra, India from June 18-22, 2024 |

|    |                      |                                                                                                                                                     |                                                                                                                                                |
|----|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
|    |                      | Expert lecture on “Artificial Intelligence in IoT Applications” in Five-Day Online Faculty Technology (VIT) Chennai, India from October 14-18, 2024 | Organized by Vellore Institute of Technology (VIT) Chennai, India from October 14-18, 2024                                                     |
|    |                      | AI, Machine Learning and Deep Learning in Engineering Fields”                                                                                       |                                                                                                                                                |
|    |                      | Chaired a Session in the “Artificial Intelligence and Computer Vision in Medical Domain”                                                            | Organized by DST- Centre for Interdisciplinary Mathematical Sciences, Institute of Science, (BHU), Varanasi, India during February 17-19, 2025 |
|    |                      | Chaired a Session in the “7 <sup>th</sup> International Conference on Information Systems and Management Science (ISMS-2024)”                       | Organized by Department of Computer Engineering, NIT Kurukshetra, India from February 22-23, 2025.                                             |
| 2. | Dr Vishal Srivastava | Expert Lecture on “Innovative Technologies for Smart Cities: IoT, AI, and Blockchain”                                                               | Organized by NIET, Greater Noida, in collaboration with EICT IIT Roorkee, from December 23-28, 2024.                                           |

## 9.7 DEPARTMENT OF ELECTRICAL ENGINEERING

### Vision

To produce globally competitive technical manpower with sound knowledge of theory and practice, with a commitment to serve the society and to foster cutting edge research in Electrical Engineering pertaining to the problems currently faced by the country and the world.

### Mission

- Development of state of art lab facilities for research and consultancy.
- Development of relevant content for quality teaching.
- Development of infrastructure & procurement of cutting edge tools/ equipment.
- Improving symbiotic relationship with Industry for collaborative research and resource generation.

### List of Laboratories:

1. Power System & High Voltage Laboratory.
2. Simulation Laboratory.
3. Measurement and Instrumentation Laboratory.
4. Virtual Instrumentation Laboratory.
5. Control Laboratory.
6. Electrical Machines Laboratory.
7. Power Systems Laboratory.

### Courses run by Department:

1. B.Tech. in Electrical Engineering.
2. M.Tech. in Power System.
3. M.Tech. in Power Electronics and Drives.
4. M.Tech. in (Control and Instrumentation).
5. Ph.D. in Electrical Engineering.

### Courses in which students were admitted during 04/2024–03/2025:

1. B.Tech in Electrical Engineering
2. M.Tech. in Power System
3. M.Tech. in Power Electronics and Drives
4. M.Tech. in (Control and Instrumentation)
5. Ph.D. in Electrical Engineering.

### List of Ph.D. Thesis Completed

| Sl.No. | Name of Student      | Reg. No.  | Thesis Title                                                                                                                         | Thesis Supervisor(s)                    |
|--------|----------------------|-----------|--------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|
| 1.     | Ms. Aditi Srivastava | 2018REE01 | Guaranteed Cost Control Of Discrete Systems With Saturation                                                                          | Prof. Richa Negi and Prof. Haranath Kar |
| 2.     | Mr. Vineet Sharma    | 2019REE11 | Frequency-Weighted and Confined Frequency-Interval Gramian Framework-Based Model Order Reduction using Singular Value Decomposition” | Dr. Deepak Kumar                        |

|     |                         |           |                                                                                                                  |                                         |
|-----|-------------------------|-----------|------------------------------------------------------------------------------------------------------------------|-----------------------------------------|
| 3.  | Ms. Anju Yadav          | 2020REE01 | Impact of PV Resources Integration into the Grid: Voltage Profile Improvement Aspects                            | Prof. Richa Negi & Prof. Nand Kishor    |
| 4.  | Mr. Ankur Kumar         | 2019REE13 | Fault and cyber attack analysis in distributed generation based power system                                     | Dr. N. K. Choudhary & Dr. Nitin Singh   |
| 5.  | Mr. Vivek Patel         | 2017REE02 | Control techniques for frequency regulation in hybrid power systems                                              | Prof. Shubhi Purwar                     |
| 6.  | Ms. Komal Agrawal       | 2018REE05 | Analysis of delayed discrete-time systems with actuator saturation                                               | Prof. Richa Negi                        |
| 7.  | Mr. Priyanshul Niranjan | 2018REE04 | Optimal coordination of relays with multi-parametric characteristics in micro grid                               | Dr. N. K. Choudhary                     |
| 8.  | Mr. T. Veerendar        | 2018REE08 | Controller design for load frequency control of multi-area power systems                                         | Dr. Deepak Kumar                        |
| 9.  | Mr. Raghvendra Tiwari   | 2018REE03 | Optimal relay coordination in distributed generation based power system considering different network topologies | Prof. R. K. Singh & Dr. N. K. Choudhary |
| 10. | Mr. Parvez Ahmad        | 2018REE07 | Impact assessment of grid integration of electric vehicles                                                       | Dr. Nitin Singh                         |

#### Events Organized by Department

| Sl.No. | Faculty Name                                                                         | Title                                                                                                                                    | From       | To         |
|--------|--------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|------------|------------|
| 1.     | Dr. Prashant K. Tiwari, Dr. Saumendra Sarangi, Dr. Kapil Chauhan, Dr. Vishal K. Gaur | 8 <sup>th</sup> "2024 IEEE Students Conference on Engineering and Systems (SCES-2024)                                                    | 21.06.2024 | 23.06.2024 |
| 2.     | Head EED, Head MED, Dr. Dogga Raveendhra, Convener                                   | New M.Tech Programme the Centre for Sustainable Energy (CenSE) with Specialization in "Energy Systems & Distributed Generation (ES & DG) | 03.05.2024 | 03.05.2024 |
| 3.     | Dr. Dipayan Guha, Dr. Saumendra Sarangi, Dr. Dogga Raveendhra Dr. Souradip De.       | One week short Term Course on Multi-Agent Systems and Distributed Control (MAS 2024)                                                     | 27.09.2024 | 01.10.2024 |
| 4.     | Dr. P. K. Tiwari, Dr. Saumendra Sarangi, Dr. Kapil Chauhan and Dr. Vishal K. Gaur    | International Conference (SCES-2024) 8 <sup>th</sup> 2024 IEEE Students Conference on Engineering & Systems (SCES-2024)                  | 21.06.2024 | 23.06.2024 |

#### Invited Lectures delivered

| Sl.No | Name of the Expert                                                                                     | Topic                                                                                   | Date                         |
|-------|--------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------|------------------------------|
| 1.    | Prof. Ramkrishna Pasumathy, IIT Madras, Chennai                                                        | "Controllability of Functional Brain Network"                                           | 28.02.2024, EED Seminar Hall |
| 2.    | Dr. S. K. Varshney, Ex-Scientist (Adviser & Head -International Cooperation), DST, Government of India | Research Funding Opportunities from Central Government Departments                      | 07.05.2024 EED Seminar Hall  |
| 3.    | Mr. Manoj Gupta, Lead Senior Specialist, Vestas, Chennai                                               | Challenges and their mitigation of inter connection of renewable sources with weak grid | 04.06.2024 EED Seminar Hall  |
| 4.    | Prof. Sukumar Mishra, Hon'ble Director, IIT(ISM) Dhanbad and Professor (EED, IIT Delhi)                | "Security Aspects of Modern Power System                                                | 11.11. 2024                  |

**Research Projects Completed/Ongoing**

| Sl. No. | Principal Investigator /Co investigator(s)                                                  | Project Title                                                                                                                                   | Funding Agency | Amount (INR)     | Duration  |
|---------|---------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|----------------|------------------|-----------|
| 1.      | Dr. S. Sarangi (PI)                                                                         | Development of novel protection Schemes for Hybrid Microgrid                                                                                    | DST-SERB       | Rs. 27.48 Lakhs  | Completed |
| 2.      | Prof. N. Kishor (PI), Prof. S. Purwar (Co-PI)                                               | Study on Cyber-Physical approach for Electric Power Grid                                                                                        | DST-SERB       | Rs. 54.29 Lakhs  | Ongoing   |
| 3.      | Dr. Deepak Kumar (PI)                                                                       | Design of two-dimensional digital filters using finite-frequency reduced-order modelling                                                        | DST-SERB       | Rs. 6.60 Lakhs   | Ongoing   |
| 4.      | Prof. R. Gupta, Dr. S. Sarangi, Dr. Suman M., Dr. P. Tiwari, Dr. N. Singh, Dr. N. Choudhary | Development of Smart Power System Laboratory with Renewables                                                                                    | DST-FIST       | Rs. 141.00 Lakhs | Ongoing   |
| 5.      | Dr. Prashant Tiwari (PI) Prof. A. K. Singh (Co-PI)                                          | Development of Electric Vehicle Charging Infrastructure for Building Micro-Grids Containing Renewables for Smart City Applications.             | UP -CST        | Rs. 10.92 Lakhs  | Ongoing   |
| 6.      | Prof. R. Gupta(PI)                                                                          | Solar PV Supported Reconfigurable EV Charger with Reduced Switching Devices.                                                                    | NAMPET         | Rs. 20.29 Lakhs  | Ongoing   |
| 7.      | Dr. Navneet Kumar Singh (PI)                                                                | Coordinated Operation of Cloud-hosted Digital Twin for Hydrogen Electrolyzers in Weak Grids.                                                    | SERB, DST, Gol | Rs. 48.36 Lakhs  | Ongoing   |
| 8.      | Prof. A. K. Singh, Dr. Nitin Singh, Dr. N. K. Singh, Dr. N. K. Choudhary                    | Sustainable & Smart Charging Infrastructure for Electric Ferries in Inland Waterways" (PID-4313)                                                | UP CST         | Rs. 20.8 Lakhs   | Ongoing   |
| 9.      | Dr. Dogga Raveendhra                                                                        | Design of low cost and highly efficient testing circuit for power semiconductor device characterization Sanctioned Institute : GRIET, Hyderabad | DST            | Rs. 44.7 Lakhs   | Ongoing   |

**9.8 DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING**
**Vision**

To become globally leading institution of higher learning, building upon the culture and the values of universal science and contemporary education and a center of research and education generating the knowledge and the technologies which lay the groundwork in shaping the future in the fields of electronics and communication engineering.

**Mission**

To provide quality education leading to B.Tech., M.Tech. & Ph.D. degree in the area of Electronics & Communication Engineering and

Technology which may produce globally acceptable high quality skilled technical manpower. To impart technical education which may provide innovative skills in their respective area of specialization for society in general with universal moral values and adherent to the professional ethical codes. To generate and disseminate knowledge & technologies essential to the local and global needs in the field of Electronics & Communication Engineering.

**List of Laboratories:**

1. Advanced Electronics Lab
2. VLSI Lab
3. Communication Lab
4. DCN Lab
5. Microwave and Project Lab

6. Param Lab
7. Signal Processing Lab
8. Basic Electronics Lab

**Courses run by Department:**

1. B.Tech in Electronics & Communication Engg.
2. M.Tech in Electronics Engineering with specialisation in Microelectronics and VLSI Design.
3. M.Tech in Electronics Engineering with Specialisation in Communication Systems.
4. M.Tech in Electronics Engineering with specialisation in Signal Processing.

5. Ph.D. in ECE.

**Courses in which students were admitted during 04/2024 - 03/2025:**

1. B.Tech in Electronics & Communication Engg.
2. M.Tech in Electronics Engineering with specialisation in Microelectronics and VLSI Design.
3. M.Tech in Electronics Engineering with specialisation in Communication Systems.
4. M.Tech in Electronics Engineering with specialisation in Signal Processing.
5. Ph.D. in Electronics & Communication Engg.

**List of Ph.D. Thesis Completed**

| Sl.No. | Name of Student         | Reg. No.  | Thesis Title                                                                                                         | Thesis Supervisor(s)                       |
|--------|-------------------------|-----------|----------------------------------------------------------------------------------------------------------------------|--------------------------------------------|
| 1.     | Ms. Shilpi              | 2019REL02 | Optimized Node Localization Algorithms in Isotropic and Anisotropic Wireless Sensor Networks                         | Dr. Arvind Kumar                           |
| 2.     | Ms. Shimpi Singh        | 2017REL11 | Criteria for the Overflow Oscillation-Free Realization of 1-D and 2-D Fixed-Point Digital Filters                    | Prof. Haranath Kar                         |
| 3.     | Mr. Piyush Kumar Mishra | 2019REL01 | Design and Development of Body Matched Antennas for ISM Band Biomedical Applications                                 | Prof. V. S. Tripathi                       |
| 4.     | Mr. Kavindra Kumar Kavi | 2018REL09 | Some Studies on Engineered Hetero-Dielectric Double Gate TFET Structures for Low Power Applications                  | Prof. R. A. Mishra & Dr. Shweta Tripathi   |
| 5.     | Mr. Sonelal Prajapati   | 2017REL07 | Analysis and Optimization of Group Delay in FIR Digital Filters                                                      | Dr. Sanjeev Rai                            |
| 6.     | Ms. Rupan Srivastava    | 2020REL11 | Simulation and Experimental Investigation of Optical Sensors for Different Applications                              | Prof. Yogendra Kumar Prajapati             |
| 7.     | Ms. Rohini Srivastava   | 2018REL01 | Development of Artificial Intelligence Based Early Heart Disease Detection & Monitoring System for Home Cardiac Care | Prof. Basant Kumar                         |
| 8.     | Mr. Anurag Tiwari       | 2019REL06 | Wavelet Domain Image Watermarking Schemes Based on Schur Decomposition for Telemedicine Applications                 | Prof. V. K. Srivastava                     |
| 9.     | Mr. Divyanhu Awasthi    | 2021REL04 | Novel and Optimized Techniques for Performance Enhancement of Transform Domain Image Watermarking Schemes            | Prof. V. K. Srivastava                     |
| 10.    | Mr. Ajay Kr. Dwivedi    | 2019REL03 | Fabrication and Characterization of Tin Disulfide (SnS <sub>2</sub> ) Based Photodetectors                           | Dr. Shweta Tripathi                        |
| 11.    | Ms. Sushmita Jaiswal    | 2019REL08 | Design and Performance Analysis of Nanoscale Multigate Mosfets                                                       | Dr. Santosh Kumar Gupta                    |
| 12.    | Ms. Anushree Srivastava | 2018REL02 | Opportunistic Channel Access and Channel Allocation Schemes in Cognitive Radio Networks.                             | Prof. Rajeev Tripathi & Prof. Arun Prakash |
| 13.    | Mr. Dinesh Chaurasia    | 2016REL09 | Delay-Dependent Stability Results for 1-D and 2-D Uncertain Discrete Systems with                                    | Dr. V. Krishna Rao K.                      |

|     |                      |           |                                                                                                                                            |                        |
|-----|----------------------|-----------|--------------------------------------------------------------------------------------------------------------------------------------------|------------------------|
|     |                      |           | Finite Wordlength Nonlinearities and Time-Varying Delays                                                                                   |                        |
| 14. | Ms. Ranjana Dwivedi  | 2018REL03 | Performance Enhancement of Wavelet Transform Based Digital Image Watermarking Techniques and Their Application in Smart Healthcare System. | Prof. V. K. Srivastava |
| 15. | Mr. Akhilesh K Ravat | 2017REL03 | Stability and Preview Control for Two-Dimensional Discrete Systems                                                                         | Prof. Amit Dhawan      |
| 16. | Mr. Aditya Pal       | 2021REL01 | Design and Analysis of MIMO Antennas for Emerging Wireless Applications                                                                    | Prof. V. S. Tripathi   |
| 17. | Mr. Kumar Mohit      | 2019REL05 | Semi-Supervised Deep Learning Techniques for Diagnostic Biomarker Detection Using Ultrasound Images                                        | Dr. Rajeev Gupta       |
| 18. | Mr. Abhimanyu Yadav  | 2020REL02 | Design and Development of Dielectric Resonator Based Filtenna for Different Wireless Applications                                          | Dr. Anand Sharma       |

#### Publication in International Conferences

1. Devesh Shukla, Yogesh Tripathi, Arun Prakash, and Rajeev Tripathi, "Deep Neural Network based Channel Estimation in VANET," 12<sup>th</sup> International Conference on the Internet of Everything, Microwave, Embedded, Communication, and Networks, October 24-26, 2024, Jaipur, India.
2. Sweta Singh, Arun Prakash, Rudra Caculo, and Rajeev Tripathi, "Design of Dual Band WiFi PCB Antenna," *IEEE MAC 2024*, October 4-6, 2024, Dehradun, India.
3. S. Singh, A. Prakash, R. Caculo & R. Tripathi, "Design of Dual-Band WiFi PCB Antenna," *IEEE MAC 2024*, October 4-6, 2024, Dehradun, India.
4. R. Nigam, R. Prakash, S. K. Tadepalli, P. Kokil, H. Kar and P. Dwivedi, "Digital Systems Influenced by Overflow Nonlinearities: A Robust Stability Analysis," *International Conference on Computer, Electronics, Electrical Engineering & their Applications (IC2E3)*, June 6-7, 2024, Srinagar Garhwal, Uttarakhand, India
5. H. Gujrati, A. Mohod, S. Rai & V. Bhadauria, "Improved UVM-based JTAG Verification IP," *VCAS 2024*, October 25-27, 2024, India.
6. Naveen Kumar Gupta, Apeksha Aggarwal, Rama Shankar Yadav, Rajendra Kumar Nagaria, "Self Organized Anchor Group Based Routing Protocol for IoT Initial Setup," 17<sup>th</sup> IEEE International Conference on Communication Systems and Networks (COMSNETS), January 6-10, 2025, Bengaluru, India.
7. A. Mahajan, V. Tiwari & R. K. Nagaria, "Phase Error Compensation Technique for a Fast-Locking PLL," 7<sup>th</sup> International Conference on VLSI, Communication and Signal Processing, October 25-27, 2024, MNNIT Allahabad, Prayagraj, India.
8. T. Bajpai, R. K. Nagaria & S. Tripathi, "WSe: ZnO Nanocomposite-Based UV Photodetector

- with PMMA (HTL) and PCBM (ETL)," IEEE TENCON 2024, December 1–4, 2024, Marina Bay Sands, Singapore.
9. K. K. Kavi & R. A. Mishra, "Improved Dual Channel Trench Gate TFET-Based Biosensor," 7<sup>th</sup> International Conference on VLSI, Communication and Signal Processing (VCAS 2024): October 25–27, 2024, MNNIT Allahabad, India.
10. Pooja Sharma, Tilakdhari Singh, Shivesh Tripathi, Anand Sharma, Vinay Kumar, Vijay Shanker Tripathi, "Flexible Wideband Microstrip Patch Antenna Using DGS for MIoT/Healthcare Applications," Microwaves Antennas and Propagation Conference (MAPCON), March 20, 2025, Hyderabad, India.
11. P. Sharma, V. Kumar, V. S. Tripathi, "Wideband Wearable Antenna for ISM Band," 2024 IEEE International Symposium on Antennas and Propagation and INC/USNC-URSI Radio Science Meeting (AP-S/INC-USNC-URSI), July 14, 2024 (pp. 2729–2730)
12. K. S. Yadav, P. K. Mishra, T. Singh, P. Sharma, V. S. Tripathi, "Rectangular Dielectric Resonator Antenna for Ku-Band Satellite Application," 2024 IEEE Space, Aerospace & Defence Conference (SPACE), July 22, 2024 (pp. 286–289).
13. P. Sharma, K. S. Yadav, S. Singh, T. Singh, S. Tripathi, V. S. Tripathi, "Compact Flexible SRR-Based WBAN Antenna Using PDMS Substrate for Military Personnel Remote Health Monitoring," 2024 IEEE Space, Aerospace and Defence Conference (SPACE), July 22, 2024 (pp. 255–258).
14. P. K. Mishra, T. Singh, V. S. Tripathi, "A Fist Shape CSRR Loaded Patch Antenna at K and Ka Band for Satellite Applications" 2024 IEEE International Symposium on Antennas and Propagation and INC/USNC-URSI Radio Science Meeting (AP-S/INC-USNC-URSI), July 14, 2024 (pp. 2541–2542)
15. T. Singh, P. K. Mishra, A. Verma, S. Siddhi, P. Sharma & V. S. Tripathi, "A Trapezoidal Ground-Based Truncated Rectangular Patch Antenna for Non-Invasive Monitoring of Bone Fracture Healing," IEEE WAMS 2024, October 11–13, 2024.
16. M. Kumar, K. K. Patel, R. Gupta & B. Kumar, "Automatic Evaluation of Chest Severity using Lung Volumetric Parenchymal Infections Semantic Segmented Images from High Resolution Computed Tomography," IEEE Region 10 Technical Conference (HTC-2024), October 2, 2024, Kuala Lumpur, Malaysia.
17. K. P. Chaubey, A. Saurabh, B. Kumar & H. Singh, "Performance Evaluation of Various Enhancement Algorithms on Thermal Images by Implementation on PYNQ-Z2 Board," IEEE Region 10 Technical Conference (HTC-2024), October 1, 2024, Kuala Lumpur, Malaysia
18. K. K. Patel, R. Gupta & B. Kumar, "Weight Assessment of Cardiac Risk Factors Using an Efficient Integration of FMFs and ANNs Optimization Technique," IEEE Region 10 Technical Conference (HTC-2024), October 1, 2024, Kuala Lumpur, Malaysia.
19. K. K. Patel, S. Agarwal, S. Chaudhary & B. Kumar, "RNN and PSO-Based Evaluation of Weights of Cardiac Affecting Risk Factors," IEEE Region 10 Technical Conference (HTC-2024), October 2, 2024, Kuala Lumpur, Malaysia.
20. R. Srivastava, K. K. Patel & B. Kumar, "Cardiac Diseases Detection by Multimodal Cardiac Data Classification Using CNN-ANN Cascaded Algorithm," 3rd IEEE International Conference on Computer Vision and Machine Intelligence (CVMI 2024), December 19, 2024, IIIT Allahabad, India.
21. S. Agarwal, R. Raparia and Y. K. Prajapati. "Graphene-Based Surface Plasmon Resonance Sensor for Milk Adulteration Sensing." 2024 IEEE Applied Sensing Conference (APSCON), November 6-9, 2024, Bengaluru, India.
22. Tanupriya, Arun Prakash, and Sourajit Jashi. "Scrambler Optimization with Reduced Cycles and Speed Enhancement Technique." 12<sup>th</sup> International Conference on the Internet of Everything, Microwave, Embedded, Communication, and Networks, October 24-26, 2024, Jaipur.
23. Richa Singh and Arun Prakash, "Analysis and Comparison of Static and Dynamic Power Dissipation for Various Arbitration Schemes used in NoC Routers" 12<sup>th</sup> International

- Conference on the Internet of Everything, Microwave, Embedded, Communication, and Networks, October 24-26, 2024, Jaipur.
24. R. Singh & A. Prakash, "Analysis & Comparison of Static and Dynamic Power Dissipation for Various Arbitration Schemes used in NoC Routers" IEMECON 2024, October 24-26, 2024.
25. Sachin & S. K. Gupta, "A Novel High Speed 2-Step TDC-Based All-Digital DLL for DDR SDRAM Applications" 4<sup>th</sup> International Conference on Sustainable Expert Systems (ICESSES 2024), October 15-17, 2024, Pokhara University, Nepal.
26. S. Kumar & S. K. Gupta, "Impact of Interface Trap Charges on Performance and Reliability of Heterogeneous Gate Dielectric DGTFTs" 7<sup>th</sup> International Conference on VLSI, Communication and Signal Processing (VCAS 2024), October 25-27, 2024, MNNIT Allahabad.
27. V. K. Gupta, M. Alam, A. Yadav, and A. Sharma. "Design and Evaluation of a Dual Sense and Dual Band Circularly Polarized Dielectric Resonator Antenna" 3<sup>rd</sup> IEEE International Conference on Interdisciplinary Approaches in Technology and Management for Social Innovation (IATMSI-2024), March 6-8, 2025, ABV-IIITM, Gwalior, India.
28. Manasvi Pathak, Prakhyaat Verma, Priyanshu, and Vimal Kumar Singh Yadav. "Fabrication and Analysis of Zinc Oxide Film-Based Metal-Semiconductor-Metal Devices on Flexible Substrates" 3<sup>rd</sup> IEEE International Conference on Interdisciplinary Approaches in Technology and Management for Social Innovation (IATMSI-2025), March 6-8, 2025, ABV-IIITM, Gwalior, India.
29. K. Shah, S. Shahay, S. Verma & V. K. S. Yadav, "Parametric Extractions of Silicon Nanowire-Based Printable Devices." 2<sup>nd</sup> International Conference on Microwave, Antenna and Communication (IEEE-MAC-2024), October 4-6, 2024.
30. V. P. Singh, Raghvendra, S. K. Pandey and D. Punetha. "Fabrication of Formamidinium Tin Halide-Based Memristors for Emerging Memory Applications." 7<sup>th</sup> International Conference on VLSI Communication and Signal Processing (VCAS-2024), October 25-27, 2024, MNNIT, Allahabad.
31. R. Bharati, A. K. Saurabh, Ajitesh & M. K. Meshram, "Metal-Only Reflectarray Based on Polarization Conversion Element for W-Band." IEEE Microwaves, Antennas and Propagation Conference (MAPCON), December 9-13, 2024, Hyderabad, India.
32. R. Bharati, A. K. Saurabh & M. K. Meshram, "Wideband Metal-Only Reflectarray using Polarization Conversion Element for X-/Ku-Band" IEEE Asia-Pacific Microwave Conference (APMC), November 17-20, 2024, Bali, Indonesia.
33. R. Bharati, A. K. Saurabh & M. K. Meshram, "Dual-Band Orthogonally Polarized 20/30 GHz Reflectarray for Satellite Communication." IEEE Asia-Pacific Microwave Conference (APMC), November 17-20, 2024, Bali, Indonesia.
34. R. Bharati, A. K. Saurabh & M. K. Meshram, "Low-Profile 32-Element 5G-MIMO Antenna Based on Monopole Element." IEEE International Conference on Microwave, Antenna and Communication (MAC), October 4-6, 2024, Dehradun, India.
35. R. Bharati, A. K. Saurabh & M. K. Meshram, "Wide band Perforated Dielectric Reflectarray with High Efficiency Capability." IEEE International Conference on Microwave, Antenna and Communication (MAC), October 4-6, 2024, Dehradun, India.
36. U. Singh, R. Bharati, R. Mali, A. K. Saurabh & M. K. Meshram, "A Clover-Shaped Single-Ring Element Based RA for High Efficiency and Wideband Application in X-Band." IEEE International Conference on Microwave, Antenna and Communication (MAC), October 4-6, 2024, Dehradun, India.
37. R. Bharati, Mali, R. Ajitesh, U. Singh, A. K. Saurabh & M. K. Meshram, "On the Use of Metal-Only Reflectarray Antenna for X/Ku Band Application" IEEE International Conference on Electrical Electronics & Computing Technologies (ICEECT 2024), August 29-31, 2024, Greater Noida, India.
38. S. Singh, A. Raviteja, K. Singh, S. K. Singh, A. Kaushik & M. L. Ku, "Active RIS-Aided Uplink for Robust and Secure Multi-User Private Industrial

- Network." IEEE 100<sup>th</sup> Vehicular Technology Conference (VTC2024-Fall), October 7-10, 2024.
39. P. Langde, T. K. Jain, M. Parate & S. K. Singh, "Performance Analysis of Holographic Surface Assisted Downlink NOMA with User Mobility." International Conference on Micro wave, Antenna and Communication (MAC-2024), October 4-6, 2024.
  40. F. Nassar, K. Singh, S. Prakriya, S. K. Singh, C. P. Li & Z. Ding, "Backscatter-Enabled RIS-Assisted NOMA ISAC." IEEE International Conference on Communications Workshops (ICC Workshops), Augt.2024, Denver, CO, USA.
  41. N. Roy & A. Srivastava, "Advancing Sustainable Photovoltaics: High-Efficiency Lead-Free Solar Cells using CIGS, MoS, & ZnO" 7<sup>th</sup> International Conference on VLSI, Communication and Signal Processing (VCAS-2024), October 25-27, 2024, MNNIT Allahabad, India.
  42. Alka Verma, Aditya Kumar Maurya, Vimal Mishra, Yogendra Kumar Prajapati, "Plasmonic effect-based dual-core PCF sensor for refractive index sensing, in 2024 International Conference on Photonics Solutions (ICPS2024), Bangkok, 06–08 January 2025.

#### Patents

1. Dr. S. Srivastava, Dr. N. K. Singh Dr. Ashutosh Mani, Prof. Rajeev Tripathi Prof. Shivesh Sharma, Dr. A. K. Rai, Title : A Multipurpose low cost portable UV-C Sanitization Cabinet for Home and office use Application No.: 202011018858, Date of Filing:03.05.2020, Date of Grant: 05.11.2021, Certificate Issue: 14.03.2025
2. Prof. Basant Kumar Dr. Shashwat Pathak Er. Rahul Raj Er. Aditya Dixit, Title : A method and a system for automatic detection and grading of cataract. Application No.: 201931016829 Date of filling : 27.04.2019, Date of Publication: 30.10.2020, Application Status: Granted, Application Patent Number : 546808 Certificate Issue: 31.07.2024
3. Dr. Kumari Nibha Priyadarshani, Title :A Tri-state Dopingless Double-Gate Tunnel Field Effect Transistor Device, Application No.: 2024111009 70. Date of filling: 19.12.2024.

| 7.      | Dr. Sumit Kumar Jha, Dr. Manish Tiwari     | Design and development of ML based adaptive optimal control algorithms for efficient regulation of the Wheeled Robots for Disaster Response. Submitted to SERB.      | CRG, SERB                              | Rs. 26.29 Lakhs | Ongoing  |

**9.9 GEOGRAPHIC INFORMATION SYSTEM CELL**
**Vision**

To establish an identity in the area of Geoinformatics amongst National and International Academic and Research Organisations through knowledge creation, acquisition and dissemination for the benefit of Society and National development.

**Mission**

To provide quality education and interdisciplinary research leading to M.Tech. and Ph.D. degree in GIS and Remote Sensing, which produces globally acceptable skilled manpower. To generate and disseminate knowledge and

technologies essential to the local and global needs in the field of Geoinformatics.

**List of Laboratories:**

- Geoinformatics Laboratory
- Geodesy Laboratory

**Courses Run by the Department:**

- M. Tech. (Geoinformatics)
- Ph.D. Programme

**Courses in which students were admitted during 04/2024 - 03/2025:**

- M. Tech. (Geoinformatics)
- Ph.D. Programme.

### List of Ph.D. Thesis Completed

| Sl.No. | Name of Student         | Reg. No.  | Thesis Title                                                                                                | Thesis Supervisor(s) |
|--------|-------------------------|-----------|-------------------------------------------------------------------------------------------------------------|----------------------|
| 1.     | Dheerendra Pratap Singh | 2017RGI01 | Airborne Laser Scanning Point Cloud Segmentation and Geographic Objects Identification using Deep Learning. | Dr.Manohar Yadav     |

**Total No. of M.Tech. Thesis Completed in GIS Cell : 10**

#### Invited Lecture Delivered

1. A lecture on title "Making Sense of LiDAR Point Clouds" is delivered by Dr. Jaya Sreevalsan Nair, Associate Professor, IIIT Bangalore on 12.04.2024.
2. A lecture on title "UAV Remote Sensing: Components, Data Processing, and Applications" is delivered by Dr. Surendra Kumar Sharma, Scientist D, Indian Institute of Remote Sensing Dehradun on 10.05.2024.

## 9.10 DEPARTMENT OF HUMANITIES & SOCIAL SCIENCES

### Vision

To be a provider of nationally competitive, high quality human resource with requisite managerial, social and communication skills, for the promotion of socio-economic and developmental activities, appropriate to the enrichment of the quality of life of the common people, along with achieving the target of sustainable growth.

### Mission

To inculcate socio-economic and cultural ethos amongst the budding young professionals and to enhance their communicative competence and managerial efficiency.

### List of Laboratories:

1. Language Laboratory

### Courses Run by the Department:

1. Professional Communication
2. Professional Ethics and Social Values
3. Management Concepts and Applications
4. Business Economics
5. Soft Skills & Personality Development
6. Economics
7. Accounting and Financial Management
8. Social Psychology
9. Human Resource Management
10. Indian Social Organization
11. Communication Skill and Personality Development
12. Research Methodology and Research Ethics
13. Strategic Human Resource Management

14. Communication & Organisational Behaviour
15. Contemporary Literary Theory
16. Public Policy: Formulation & Management
17. Mini Project
18. Extra Academic Activities (EAA-B) Choice Based Courses: National Service Scheme (NSS), National Cadet Corps (NCC), Indian Traditional Music (Vocal), Indian Traditional Music (Instrumental), Indian Knowledge System, Sanskrit Language for Engineers.

**Courses in which students were admitted during 04/2024 - 03/2025:**

1. Professional Communication
2. Professional Ethics and Social Values
3. Management Concepts and Applications
4. Business Economics
5. Soft Skills & Personality Development
6. Economics

7. Accounting and Financial Management
8. Social Psychology
9. Human Resource Management
10. Indian Social Organization
11. Communication Skill and Personality Development
12. Research Methodology and Research Ethics
13. Strategic Human Resource Management
14. Communication & Organisational Behaviour
15. Contemporary Literary Theory
16. Public Policy: Formulation & Management
17. Mini Project
18. Extra Academic Activities (EAA-B) Choice Based Courses: National Service Scheme (NSS), National Cadet Corps (NCC), Indian Traditional Music (Vocal), Indian Traditional Music (Instrumental), Indian Knowledge System, Sanskrit Language for Engineers

**List of Ph.D. Thesis Completed**

### Invited Lectures Delivered

#### Soni Joseph

1. Invited Lecture on Mechanics of Writing a Technical Report on 30 April 2024 at School of Social Sciences and Languages, Vellore Institute of Technology, Chennai.

#### Reena Kumari

1. Invited lecture on "Soft Skill and Personality Development" at Bherulal Patidar Govt. P.G. College (Devi Ahilya University), Mhow, Indore on March 2, 2025.

### 9.11 DEPARTMENT OF MATHEMATICS

#### Vision

Achieving excellence in Teaching–Learning and Research among National and international academic and research organizations to nurture mathematics for engineering and as an independent science.

#### Mission

Mathematics department will achieve its vision by offering well–balanced curriculum to acquire professional competencies and transferable skills bringing innovations in Teaching-Learning process through effective content delivery and appropriate assessment methods catalyzing the research activities of both faculty members and students through research projects etc.

### List of Ph.D. Thesis Completed

| Sl.No. | Name of Student              | Reg. No.  | Thesis Title                                                                                                         | Thesis Supervisor(s) |
|--------|------------------------------|-----------|----------------------------------------------------------------------------------------------------------------------|----------------------|
| 1.     | Ms. Sushmita Anand           | 2019RMA08 | Dynamical Behaviour of Invariant solutions to (2+1)-dimensional fluid problems by similarity transformations method. | Prof. Mukesh Kumar   |
| 2.     | Ms. Shruti Srivastava        | 2020RMA08 | On Lie symmetries and exact solutions of nonlinear partial differential equations.                                   | Prof. Mukesh Kumar   |
| 3.     | Ms. Palak Goel               | 2020RMA06 | Mathematical modelling of infectious disease spread with socio-economic contexts.                                    | Prof. P. K. Yadav    |
| 4.     | Mr. Muhammad Roshan          | 2020RMA04 | Modelling on Peristaltic flow of Physiological Fluids with Applications in Biomedical Sciences.                      | Prof. P. K. Yadav    |
| 5.     | Mr. Nitisha Yadav            | 2020RMA05 | Modelling on immiscible fluids flow through porous media and allied problems                                         | Prof. P. K. Yadav    |
| 6.     | Mr. Abhay Maurya             | 2019RMA07 | A study on shock wave in radiating and non-radiating gases with group invariance method                              | Dr. Gorakh Nath      |
| 7.     | Mr. Prakash Upadhyay         | 2019RMA05 | Shock wave in conducting medium via group analysis method, and evolution of weak discontinuity.                      | Dr. Gorakh Nath      |
| 8.     | Mr. Mustaque Hussain Borbora | 2019RMA09 | Numerical Investigation of Convective Heat Transfer of Nanofluid Flow and Applications                               | Dr. B. Vasu          |

#### Invited Lectures Delivered

- Prof. Shiv datt Kumar delivered an invited talk in the International conference on "Indian Knowledge System: Opportunities & Challenges" during 18-19 February 2025 at CMP Degree College, University of Allahabad. Title of the talk: Indian Mathematics from zero to AI: A Journey Through Ancient Wisdom, Medieval Innovations, and Modern Computational Break throughs.
- Prof. Shiv datt Kumar delivered an invited talk at National Academy of Sciences Allahabad, Differential and algebraic models in Technology with some ideas from Vedic Mathematics and contributions of Ramanujan. Organised by NASI Allahabad & Prof. B. L. Sharma Higher Mathematics Trust during 20-22 December, 2024.
- Prof. Shiv datt Kumar delivered invited talk on "Representations of some finite and infinite groups" Refresher Course on Mathematics and its applications, during November 06 - 19, 2024 organized by UGC-Malaviya Mission Teacher Training Centre and Department of Mathematics, University of Allahabad.
- Prof. Shiv datt Kumar delivered invited talk on "Primary Decomposition in S-Noetherian Modules" in the workshop on Recent Development in Algebra at IIIT Allahabad during 8-10 July, 2024.
- Prof. Shiv datt Kumar delivered a talk on "Mathematical Foundation of Cryptography" in the National Instructional Workshop on Cryptology at MNNIT Allahabad during 01-05 July, 2024.
- Prof. Pankaj Srivastava delivered an Invited Lecture on Design and development of Intelligent Tourist Destination Image Decision Information System, the 31<sup>th</sup> Annual Conference Applied and Industrial Mathematics 19-22 September, 2024, University of Oradea, Oradea Romania.
- Prof. Pankaj Srivastava delivered an Invited Lecture on A Glimpse of Soft Computing, Department of Mathematics, American College, Madurai, July 10, 2024.
- Prof. Pankaj Srivastava delivered an Invited Lecture on Design and Development of

- Intelligent System to assess the impact of Spirituality on Human Life, International Conference on Recent advances in applied sciences and Humanities in Evolution of Engineering, Faculty of Engineering and Technology, University of Lucknow, Feb 8, 2025.
9. Prof. Pramod Kumar delivered in a Refresher Course in Mathematics & Statistics at UGC-Malaviya Mission Teacher Training Centre at Patna University during 14-26 October 2024.
  10. Dr. Sahadeo Padhye delivered a Talk on "Conference on Graph Theory and Additive Combinatorics", May 03-05, 2024, IIIT Allahabad, India. (Title of the talk: Cryptographic Application of Graph Theory)
  11. Dr. Sahadeo Padhye delivered talk in the "National Instructional Workshop on Cryptology: Lattice based Cryptography (NIWC 2024)", July 01-05, 2024. Organized by Department of Mathematics, MNNIT under the aegis of Cryptology Research Society of India (CRSI). (Title of the talk "Asymmetric key Cryptosystem")
  12. Dr. Sahadeo Padhye Delivered a talk in the Online Short-Term Training Program on "Unlocking Potential: Advanced Mathematics for Engineers and Scientists", Department of Applied Sciences and Humanities, Faculty of Engineering and Technology, Parul University, October 21-26, 2024. (Title of the Talk: Differentiability for Functions of Several Variables).
  13. Dr. Sahadeo Padhye delivered a talk in the Online Faculty Development Program on "Emerging Trends for Collaborative Teaching and Learning in Applied Sciences and Engineering", organized by the Department of Applied Sciences and Humanities, School of Computing, MIT Art Design and Technology University, Pune. December 09-20, 2024 (Title of the talk: Number Theory for Secure Communications).
  14. Dr. Sahadeo Padhye delivered a talk in the Short-Term Course on "Security & Privacy in Cyber World: Challenges & Solutions (SPCWCS -2024) 20-24 December, 2024 in the Department of Computer Science & Engineering, MNNIT Allahabad (Title of talk: Cryptographic Primitives for Secure Communication).
  15. Dr. Sahadeo Padhye Delivered a talk in the Faculty Development Program on "Information Security & Privacy in Digital World (ISPDW-2025)", February 19-23, 2025, in the CSED, MNNIT Allahabad (Title of talk: Cryptography Techniques for Secure Communication)
  16. Dr. B. Vasu delivered an invited talk on "Numerical Simulation of Magnetic Nano-Drug Delivery in an Artery", International Conference on Recent Advances in Applied Mathematics (RAAM 2025), The University of Colombo, Sri Lanka, March 4-6, 2025.
  17. Dr. B. Vasu, delivered a talk on "Indian Mathematics: An International Movement", as a resource person in the event 'National Mathematics Day-2024' on Dec 22, 2024 at School of Advanced Sciences, Kalasalingam Academy of Research and Education, Krishnankoil, Tamilnadu (Online mode).
  18. Dr. B. Vasu as Coordinator/Convener organized an expert lecturer of Prof. P. V. S. N. Murthy, Department of Mathematics, IIT Kharagpur organized on February 17, 2025 in the Institute. Topic of Lecture: Magnetic Drug Targeting in non-Newtonian Fluid Flows in Microvessels.
  19. Dr. Supriya Yadav delivered an invited talk entitled "Emerging Trends in Mathematics with Applications in Science and Engineering" on occasion of "National Mathematics-Day-2024" held at Government Engineering College, Kaimur on 22 December, 2024.
  20. Dr. Supriya Yadav delivered an invited talk entitled "Introduction to Boundary Layer Theory" in Five Days National Workshop on "Mathematical Modelling and Analysis in Solid and Fluid Mechanics" held at Department of Mathematics, Mahatma Gandhi Central University, Motihari (Bihar) during March 03-07, 2025.
- Conference/Workshop/FTT/FDP Organized**
1. Prof. Shiv datt kumar organized a National Instructional Workshop on Cryptology (NIWC): Lattice Based Cryptology, MNNIT Allahabad, (July 1-5, 2024).
  2. Prof. Mukesh Kumar Organised a One Week Workshop on "The Technological Prospects of New Indian Criminal Laws-2024" at MNNIT

Allahabad during April 22-26, 2024 as a Convener.

3. Dr. Sahadeo Padhye organized a “National Instructional Workshop on Cryptology: Lattice-based Cryptography (NIWC 2024)”, July 01-05, 2024. Organized by Department of Mathematics, Motilal Nehru National Institute of Technology under the aegis of Cryptology Research Society of India (CRSI). (Sponsored by CRSI, DRDO, SERB and NBHM).
4. Dr. B. Vasu as General Organizing Secretary, 2<sup>nd</sup> International Conference on Recent Advances in Applied Mathematics (RAAM 2024), July 03-05, 2024, IIT (BHU), Varanasi.

#### Conference/Workshop /FTT/FDP

1. Prof. Shiv datt kumar Charied a session at 90<sup>th</sup> Conference of International Mathematical Society, Department of Mathematics and Statistics, Dr. Vishwanath Karad MIT-World Peace University, Pune, Maharashtra, India (December 23-26, 2024).
2. Prof. Pankaj Srivastava Charied a session in 71<sup>st</sup> Annual Conference of Bharata Ganita Parishadon Recent advances in Mathematics and Application, November 16, 2024.
3. Dr. B. Vasu Charied a session in International Conference on Recent Advances in Applied Mathematics (RAAM 2025), The University of Colombo, Sri Lanka, March 4-6, 2025

#### Research Projects Completed/Ongoing

| Sl. No. | Principal Investigator /Co investigator(s)           | Project Title                                                                                                                           | Funding Agency                     | Amount (INR)    | Duration |

| 5.      | Dr. Shubham Gupta (PI) & Dr. Vinay Kumar (Co-PI)     | Breast Cancer Identification & Classification through Machine Learning and Metaheuristic Algorithms.                                    | CST, UP                            | Rs. 12.18 Lakhs | 3 years  |

#### 9.12 DEPARTMENT OF MECHANICAL ENGINEERING

##### Vision

To be a centre of excellence in Mechanical, Production and Industrial Engineering Education and Research for the benefit of society and humanity.

##### Mission

To educate and develop competent human resources for contemporary industry, academia and research.

To promote Interdisciplinary research and innovation skills in the graduates.

To enhance the efforts to develop sustainable products, processes & technologies by developing competent entrepreneurs for the benefit of the society.

##### List of Laboratories

1. Instrumentation and Process Control Lab
2. Metrology and Quality Control Lab
3. Machine Tool & Advanced Machining Lab
4. Advanced Manufacturing Lab
5. I.C. Engine and Alternative Fuel Lab
6. Steam Power Engineering Lab

7. Refrigeration & Air Conditioning Lab
8. Automobile Engineering Lab
9. Tribology Lab
10. Heat and Mass Transfer Lab
11. Renewable Energy Lab
12. Computational Research Lab
13. Composite Manufacturing Lab
14. Industrial Engineering Lab
15. Engineering Graphics and Design Lab
16. Additive Manufacturing Lab
17. Rotordynamics and Diagnostics Lab
18. Foundry, Forming and Plastics Lab
19. Computer Aided Design Lab
20. Computer Aided Manufacturing and Robotics Lab
21. Mechatronics and Control Lab
22. Material Testing Laboratory

**Courses Run by Department:**

1. B.Tech. (Mechanical Engineering)
2. B.Tech. (Production and Industrial Engineering)

3. M.Tech. (Computer Aided Design and Manufacturing)
4. M.Tech. (Product Design and Development)
5. M.Tech. (Design Engineering)
6. M.Tech. (Production Engineering)
7. M.Tech. (Thermal Engineering)
8. Ph.D. in Mechanical Engineering.

**Courses in which students were admitted during 04/2024 - 03/2025:**

1. B.Tech. (Mechanical Engineering)
2. B.Tech. (Production and Industrial Engineering)
3. M.Tech. (Computer Aided Design and Manufacturing)
4. M.Tech. (Product Design and Development)
5. M.Tech. (Design Engineering)
6. M.Tech. (Production Engineering)
7. M.Tech. (Thermal Engineering)
8. Ph.D. in Mechanical Engineering.

**List of Ph.D. Thesis Completed**

| Sl. No. | Name of Student            | Reg. No.  | Thesis Title                                                                                                                                 | Thesis Supervisor(s)                     |

### 9.13 DEPARTMENT OF PHYSICS

#### Vision

To offer quality education to science and engineering graduates, empowering them to contribute to the creation of a sustainable future.

#### Mission

- To impart fundamentals of physics to engineering students, serving as a foundation for their comprehensive understanding in core engineering courses.
- To prepare postgraduate students through a rigorous and competitive master's program for addressing the challenges in the field of advancement of science and technology.

- To train doctoral students with research and innovation skills, addressing the future demands of science and technology, and the broader needs of society.

#### List of Laboratories:

- Undergraduate Lab
- Research Lab

#### Courses Run by Department:

- Engineering Physics I
- Engineering Physics II
- Engineering Physics III
- Ph. D. in Physics

#### Courses in which students were admitted during 04/2024 - 03/2025:

- Ph.D. in Physics.

#### List of Ph.D. Thesis Completed

| Sl.No. | Name of Student          | Reg. No.  | Thesis Title                                                                                                 | Thesis Supervisor(s) |

#### Invited Lectures Delivered

##### Prof. S. N. Pandey

1. International Conference on Emerging Multifunctional Materials and Devices for Sustainable Technologies (IEMDST 2024) organized by Department of Physics, National Institute of Technology Warangal in association with Department of Applied Sciences, National Institute of Technology, Goa during July 4-5, 2024.
2. Problem Solving Camp for Madhava Mathematics Competition organized by K.N. Govt. P.G. College, Gyanpur, Bhadohi, U.P. on November 27, 2024.
3. Global Issues in Multidisciplinary Research for a Digital Future organized by School of Basic

Sciences, CSJM University, Kanpur during February 16-18, 2025.

4. 3<sup>rd</sup> International Conference on Energy, Functional Materials/Molecules and Nano technology (ICEFN-2025), and a National Workshop on Solid Waste Management (NWSWM) organized by Kumaun University, Nainital-263002, Uttarakhand during March 20-22, 2025.

#### Prof. Animesh K. Ojha

1. Functional Materials and Simulation Techniques -2024 organized by the Department of Applied Sciences, IIIT Allahabad, October (2024).
2. 5-Day Faculty Development Program (FDP) on Innovation & Entrepreneurship, organized by NIT Raipur Foundation for Innovation & Entrepreneurship (NITRRFIE) under the aegis of NIT Raipur in collaboration with AICTE & MoE's Innovation Cell, February (2025).

#### Research Projects Completed/Ongoing

| Sl. No. | Principal Investigator /Co investigator(s) | Project Title                                                                                                                            | Funding Agency  | Amount (INR)     | Duration |
|---------|--------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------|-----------------|------------------|----------|
| 1.      | Dr. Sandeep Kumar (PI)                     | Multifunctional rare earth free M (M= Cu/Mn/Cr) doped K <sub>3</sub> AlF <sub>6</sub> nano phosphors for anticounterfeiting applications | MNNIT Allahabad | Rs. 5.00 Lakhs   | Ongoing  |
|         |                                            | Swift Heavy Ion Assisted Control of Resistive Switching in Epitaxial ZrO <sub>2</sub> Thin Films for Emerging Memories                   | IUAC, New Delhi | Rs. 10.11 Lakhs  | Ongoing  |
| 2.      | Dr. Richa Arya (PI)                        | Exploring the early and late-time universe with the cosmological observations                                                            | MNNIT Allahabad | Rs. 5.00 Lakhs   | Ongoing  |
| 3.      | Prof. Animesh K. Ojha (Co-PI)              | TBI in Healthcare and IoMT                                                                                                               | DST             | Rs. 450.00 Lakhs | Ongoing  |
|         |                                            | Project on Training Programs in Structural Bioinformatics and Drug Designing                                                             | DBT             | Rs. 19.50 Lakhs  | Ongoing  |
|         |                                            | Design and Development of Biomechanical Therapeutics to Mitigate Osteoporosis in Postmenopausal Women with Diabetes Mellitus             | MoE             | Rs. 32.00 Lakhs  | Ongoing  |

#### 9.14 SCHOOL OF MANAGEMENT STUDIES

##### Vision

To create managers who have the competence to operate efficiently at the domestic and global levels through their knowledge, skills and creativity with personal integrity and social responsibility.

##### Mission

To be a provider of globally competitive, high quality managerial human resource. To promote and significantly contribute towards development of technologies and innovation appropriate to sustainable economic growth and enrichment of quality of life.

##### List of Laboratories:

1. Digital Management Laboratory.
2. Behavioral Dynamics Laboratory.
3. Management Research Laboratory.
4. Simulation Laboratory.
5. Virtual Trading Laboratory.

##### Courses run by Department:

1. M.B.A.
2. PhD in Management Studies.

##### Courses in which students were admitted during 04/2024- 03/2025:

1. M.B.A.
2. Ph.D. in Management Studies.

### List of Ph.D. Thesis Completed

विषय: Management Letter for corrective measures – reg.

महोदय,

We have audited the Annual Accounts of the Motilal Nehru National Institute of Technology Allahabad for the year 2024-25 and have issued the Audit Report. Following deficiencies, observed during the course of audit which has not been included in the Separate Audit Report, are being brought to your kind notice for remedial/corrective action:

**Part A: Persistent Irregularities Nil**

**Part B: Other minor irregularities**

**(B.1)** The Academic Expenses (Schedule-16) in Income and Expenditure Account reflects Rs. 12.12 lakh under 'Convocation Expenses' while the actual expenditure of Rs. 97.63 lakh has been made by the Institute. This schedule doesn't include Rs. 85.51 crore which has been directly debited from the Balance Sheet instead of routing it through Income and Expenditure Account. This resulted in understatement of Academic Expenses by Rs. 85.51 lakh and overstatement of Surplus, thus Capital to the same extent. It also resulted in understatement of Current liabilities & Provisions by Rs. 85.51 lakh.

**(B.2)** The Repair & Maintenance (Schedule-19) includes Rs. 59.71 lakh being General Utility Equipment procured out of Capital grants which should have been capitalised. This resulted in overstatement of Repair & Maintenance by Rs. 59.71 lakh and understatement of surplus, hence Corpus/Capital Fund (Schedule-1) to the same extent. It also resulted in understatement of Fixed Assets (Schedule-4) by the same amount.

**(B.3)** The Institute has shown expenses of Rs. 19.00 lakh being IIHMF Augmentation

out of Capital grants which should be disclosed in Notes to accounts suitably.

**(B.4)** The note in schedule-23 (Accounting Policies) does not disclose the accounting policy regarding valuation of inventories, Valuation of investments, treatment of employee's benefits, Assets of small value, amortization of wasting assets as required in the formats of financial statements for Central Higher Educational Institutions.

**(B.5)** The Institute has erroneously included Caution Money worth Rs. 4.55 lakh under DASA fee under Academic Receipts (Schedule-9) in Income & Expenditure Account which should have been reflected under Current Liabilities and Provisions (Schedule-3) under 'Caution Money'. The Institute needs to depict the same correctly.

**(B.6)** The Institute has purchased various fixed assets items amounting to Rs. 42.96 lakh and booked the same under 'Misc. Expenses- hostel' in Income and Expenditure Account which should have been capitalised under Fixed Assets (Schedule-4). The Institute needs to capitalise these assets and charge the appropriate depreciation suitably.

**(B.7)** The Institute depicted Rs. 19.27 lakh of Medical Reimbursements as Medicine Expense under Schedule-17 whereas as per the Formats of Financial Statements For Central Higher Education Institutions the same should be depicted under head 'Staff Payments and Benefits' under Schedule-15.

**(B.8)** The Institute is required to give detailed disclosure of Retirement Benefits in notes to accounts as required by AS 15.

**(B.9)** The Institute shown Rs. 9.72 crore DASA Fees under sub head 'Academic Tuition Fees' whereas as per the Formats of Financial Statements For Central Higher Education Institutions the same should be shown under sub head "Other Academic Receipts.

**(B.10)** The Institute merged INCOME FROM GUEST HOUSE with RENT FROM STAFF QUARTER whereas as per the Formats of Financial Statements For Central Higher Education Institutions the same should be shown separately.

**(B.11)** The Institute had made expenses of Rs. 2.42 lakh on Books and Rs. 55.78 lakh on Scientific Journal/E-journals during the year 2024-25. However, capitalized only Rs. 44.75 lakh worth E-journals in the annual accounts. Thus, the Institute failed to capitalise assets worth Rs. 13.45 lakh during the year 2024-25.

**(B.12)** Schedule-2(A) Endowment fund, Schedule-23 Significant Accounting Policies (point-2 Revenue Recognition, point-3.4 Rate of depreciation on fixed assets, point-5 stock and point-7 investment) were not disclosed in the annual account, which is not as per norms of MHRD guidelines.

**(B.13)** The Institute has used the terminology 'Interest Paid on Unutilised Grant' under Finance cost (Schedule-20) instead of 'Interest on Unutilised Grant'. This needs to be corrected.

**(B.14)** Bank Balance of BOB 16021 shows negative balance of Rs. 2.96 crore due to some Unidentified Advances since 2017. The same needs to be addressed.

**(B.15)** An amount of Rs. 5.36 crore has been depicted under the head Current Liabilities and Provisions (Schedule-3) for last three accounting years.

Utilization/adjustment of these amount needs to be addressed.

**(B.16)** The Institute has used the term 'Subsidiaries' for its different cost centres. Since these are not separate legal entities, hence should be reflected as 'Cost centres' instead of subsidiaries for correct depiction in annual accounts.

**(B.17)** Institute doesn't use any Accounting Software right now; they use software of Salary and rests of things are being done manually.

प्रधान निदेशक लेखापरीक्षा (केंद्रीय)

**Opinion of the Comptroller & Auditor General of India on the Accounts of Motilal Nehru National Institute of Technology Allahabad, Prayagraj for the year ended 31 March 2025**

**Opinion**

We have audited the financial statements of Motilal Nehru National Institute of Technology, Allahabad, Prayagraj (Institute) which comprise the statement of financial position as at 31 March 2025 and the Income & Expenditure Account/Receipts & Payment Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies under Section 19(2) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971 read with Section 22(2) of the National Institute of Technology Act, 2007.

This Audit Report contains the comments of the Comptroller & Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards, disclosure norms, etc. Audit observations on financial transactions regarding compliance with the Law, Rules and Regulations (Propriety & Regularity) and efficiency cum performance aspects, etc., if any, are reported through inspection reports/ CAG's audit reports separately.

In our opinion the accompanying financial statements of Motilal Nehru National Institute Technology, Allahabad, Prayagraj read together with the accounting policies and Notes thereon and matters mentioned in the Separate Audit Report, which follows, **give a true and fair view** of the financial position of the autonomous body as at March 31, 2025, and (of) its financial performance and its cash flows for the year then ended in accordance with Format of Financial Statements for Central Higher Educational Institutions issued by Ministry of Education/accounting standards generally accepted in India.

**Basis for Opinion**

We conducted our audit in accordance with the CAG's auditing regulations/standards/manuals/guidelines/guidance-notes/orders/circulars etc. Our responsibilities are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the autonomous body in

accordance with ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management for the financial statements**

The Governing Body of the Institute is responsible for the preparation and fair presentation of the financial statements in accordance with format applicable to the AB/accounting standards generally accepted in India, and for internal control as management determines it necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion in accordance with CAG's auditing regulations /standards/ manuals/ guidelines/ guidance-notes/ orders/ circulars etc.

**Principal Director of Audit (Central) Lucknow**

**Separate Audit Report on the Accounts of Motilal Nehru National Institute of Technology, Prayagraj for the year ended 31 March 2025****A. Balance Sheet****(A.1) Investments From Earmarked/Endowment Funds (Schedule-5) Rs. 266.18 crore**

The above includes Rs. 8.65 crore of Interest Income Accrued, which should have been reflected under 'Income Accrued' in Loans, Advances & Deposits (Schedule-8), as MHRD format allows depiction of Investments, at cost value. This resulted in overstatement of Investment from Earmarked/Endowment Funds by Rs. 8.65 crore and understatement of Loans, Advances & Deposits to the same extent.

**(A.2) Investment-Others (Schedule-6) Rs. 71.98 crore**

The above includes Term Deposit Receipts with Banks amounting to Rs. 71.98 crore which should have been reflected under Current Assets (Schedule-7) as per MHRD format. This resulted in overstatement of Schedule-6 Investments Others by Rs. 71.98 crore and understatement of Schedule-7:Current Assets to that extent.

**B. Income and Expenditure Account****(B.1) Academic Receipts (Schedule-9) Rs. 62.60 crore**

The above does not include Rs. 1.64 crore being 'Examination Fees' received by the Institute. This amount has not been accounted under Income & Expenditure Account by the Institute, instead reflected directly in Balance Sheet. This resulted in understatement of Academic Receipts by Rs. 1.64 crore and understatement of surplus to the same extent.

**(B.2) Other Incomes (Schedule-13) Rs. 15.55 crore**

The above includes 'Hostel Fees' amounting to Rs. 13.11 crore which should have been reflected under the head 'Academic Receipts' in Income & Expenditure Account. This resulted in overstatement of Other Income by Rs. 13.11 crore and understatement of Academic Receipts to the same extent.

**C. Accounting Policies (Schedule-23)**

The Institute has declared in its accounting policy that Stocks available at the end of financial year has been taken as assets if the same is significant w.r.t. total expenditure incurred else it is considered as expense. However, scrutiny of stock of consumables of Purchase Department, Estate, Security, Workshop & Maintenance (ESWM) and Civil Department of the Institute has stocks worth Rs.

80.60 lakh in their possession but it has been treated as used/consumed by the Institute and depicted nil stock balance as on 31st March 2025. Thus, chances of misappropriation cannot be ruled out and the accounting policy needs to be reviewed.

This resulted in overstatement of expenditure by Rs. 80.60 lakh and understatement of Current Assets to the same extent. It also resulted in understatement of surplus and hence Corpus/Capital Fund by Rs. 80.60 lakh. The Institute must therefore uphold the spirit of its declared accounting policy.

#### **D. General**

**(D.1)** The Institute has utilised Capital creation grants for revenue expenditure (Repair and maintenance). This needs to be disclosed properly in the Notes to Accounts.

**(D.2)** The Institute did not mentioned the information such as number of students, number of teachers, collection on accounts of building fund and expenditure thereof, collection of sports activities and expenditure thereof, collection of co-curricular activities and expenditure thereof, collection of account of development charges and expenditure thereon, collection for medical expenses and expenditure thereon, compliance with statutory dues like EPF and ESI, and salary structure of teachers in Notes on Accounts as prescribed in format issued by MoE.

#### **E. Management Letter**

Deficiencies which have not been included in this Separate Audit Report have been brought to the notice of the Management through a Management Letter issued separately for remedial/corrective action.

#### **F. Assessment of Internal Controls**

##### **(i) Adequacy of Internal Control System:**

The Internal Control System in the Institute reflected the following deficiencies:

- Institute doesn't use any Accounting Software, they use software for Salary and rests of things are being done manually.
- Institute's Account Division doesn't have any direct control over their subsidiaries Accounts. As, Institute don't have proper reconciliation / adjustment of its TDS deducted and being reflected in Form 26 AS due to non-proper consolidation of Subsidiaries Accounts.
- The balances of a subsidiary 'Industrial Estate' has not been included in the Institute's Annual account due to non-receipt of same from the subsidiary, suggest lack of proper internal control of the Institute.
- Income of Subsidiaries is being transferred to their General Reserve and then General Reserve of Subsidiaries compiled with Institute's Fund. It means

Revenue part of Subsidiaries is not being complied with Institute's Revenue.

- Shortage of three faculties and four non-teachings against 19 and 26 respectively.

**(ii) Adequacy of Internal Audit System:**

The Internal Audit of the Institute has not been conducted for the year 2024-25.

**(iii) System of Physical verification of fixed assets**

Physical verification of fixed assets has been intimated to be conducted for the year 2024-25.

**(iv) System of Physical verification of inventory.**

Physical verification of inventory has been conducted for the year 2024-25.

**(v) Regularity in payment of statutory dues**

No irregularity was found in payment of statutory dues by the Institute.

**G. Grants-in-aid**

The Institute received Grants-in-aid of Rs. 198.50 crore during the year 2024-25. After taking the opening balance of Rs. 51.49 crore, total fund available worked out to Rs. 249.99 crore. The Institute utilised Rs. 234.98 crore leaving a balance of ₹ 15.01 crore as on 31<sup>st</sup> March, 2025.

**MOTILAL NEHRU NATIONAL INSTITUTE OF TECHNOLOGY, ALLAHABAD**  
**SCHEDULE FORMING PART OF THE ACCOUNTS FOR THE YEAR 2024-25**  
**SCHEDULE 23 - SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS**

**Accounting Conventions :**

The financial statements are prepared on the basis of historical conventions, unless and otherwise stated and on accrual basis of accounting, except receipt of fees from students which is accounted for on cash basis.

**Fixed Assets:**

Fixed assets are included at cost of acquisition inclusive of inward freight, duties and taxes, incidental and direct expenses related to the acquisition. In respect of projects involving construction, related pre operative expenses form part of the value of assets capitalised.

Fixed assets received by way of non - monetary grants (other than towards the corpus) are capitalised at value stated, by corresponding credit to capital reserve/fund.

Fixed assets acquired by Institute /Project/ Subsidiaries Fund are capitalised and disclosed separately.

Fixed assets are valued at cost less accumulated depreciation.

**Intangible Assets:**

E-Journals and Computer Software are grouped under Intangible asset

E-Journals are separated from library books in view of the limited benefit that could be derived from the on-line access provided. E-journals are not in a tangible form, but temporarily capitalized and in view of the magnitude of expenditure and the benefits derived in terms of perpetual knowledge acquired by the Academic and Research Staff

**Depreciation:**

Depreciation on fixed assets has been charged on Straight Line method at rates as prescribed in the Uniform Accounting Standard for all education institutions under MHRD. Where rates are not prescribed under Uniform Accounting Standard has been derived from Companies Act, 2013. Depreciation is provided for the whole year on additions during the year. Assets are depreciated over the useful life so that residual value does not fall below 5% of the cost except intangible asset i.e. in cases where residual value is 5% or less of the cost, depreciation is not charged over such assets.

Depreciation on fixed assets has been charged to income and expenditure account by corresponding credit to income & expenditure statement from capital fund

Depreciation on fixed assets created out of subsidiary funds are charged by the Institute on Straight Line method at rates as prescribed in the Uniform Accounting Standard for all education institutions under MHRD, in cases where subsidiaries have charged depreciation the same has not been considered.

**Subsidiaries**

Subsidiary unit accounts are prepared separately, however for overall reporting purpose, it is merged with Main Institute Final Accounts.

**Government Grants/ Subsidies:**

Government Grants relating to depreciable fixed assets has been taken to Capital Fund account to be recognised in the income and expenditure statement on a systematic and rational basis over the useful life of the asset.

Government grants and subsidies are accounted on receipt basis and/or where there is a reasonable assurance that the grant will be received. Where a sanction for release of grant pertaining to the financial year is received before 31st March and the grant is actually received in the next financial year, the grant is accounted on accrual basis and an equal amount is shown as recoverable from the Grantor.

Government grants not utilised during the year is shown as unspent balance of funds under current liabilities to be returned / adjusted in the corresponding next year grants to be received and corresponding interest on unutilised amount earned as income from savings bank and sweep account has been taken as liabilities.

Advances given out of Grant for Capital and Revenue purposes are taken as Grant utilised only when such advance is capitalised or expenditure has been booked.

**Retirement Benefits:**

Pension payable on death / retirement of employees is based on actuarial valuation.

**Current Assets , Loans And Advances:**

In the opinion of management the current assets, loans and advances have a value on realisation in the ordinary course of business, equal at least to the aggregate amount shown in the balance sheet.

**Earmarked/Endowment Funds:**

Long Term Funds are earmarked for specific purposes. Each of the funds has a separate bank account. Those with large balances also have investments in Term Deposits with banks. The income from investments are credited to the respective funds. The expenditure and advances are debited to the fund.

**Taxation:**

Institute being autonomous body exempt from income tax u/s 10(23C) (iiab) of the Income Tax Act, 1961, hence no provision for income tax has been made.

Corresponding figure of the previous year have been rearranged/ regrouped wherever necessary.

Figures in brackets ( ) represents (-) negative figures.

**Notes to Accounts:**

Financial Statements since year 2014-2015 is prepared on the basis of New Format of Accounts for CEI's as provided by MHRD-GOI. Necessary annexures/ groupings to the schedules has been added in order to give a clear understanding of financial statements. Necessary changes in the schedules / groupings as compared to previous year has been made in order to implement New Format of Accounts

During the year amount of Rs. 22,60,70,828.00 has been transferred to Corpus Fund from Capital Fund of the institute, transfer of such amount along with previous balance of Rs. 29,58,33,333.70 is to be made from bank account of capital fund to corpus fund account in terms of 52 FC-52.06

Recurring Expenditure incurred during the year 2024-25 has been First met out of Grant Received under OH-31 and thereafter out of opening balance or IRG received during the year.

Repayment of loan granted by HEFA is met by IRG receipts and accordingly the said repayment is taken as utilisation out of IRG receipts. Institute capitalised such assets (Financed by HEFA) at the time of completion and accordingly utilisation in the year of completion will be net of HEFA loan.

Interest on loan from HEFA is met by corresponding grant (OH-31) received from MHRD for such purpose.

Excess of Income over Expenditure of subsidiaries is being taken separately under the "Fund Account of subsidiaries" w.e.f year 2006-07. Excess of Income over Expenditure Account of subsidiaries before 2006-07 has been clubbed under the fund account of institute.
